Report

On January 5, 2024, Dr. S. Selvarajan, the Research Director at Gnanamani College of Technology, Salem, delivered a captivating and insightful special lecture on life skills to postgraduate students of the Department of Mathematics at Jamal Mohamed College.

Dr. Selvarajan, a distinguished expert in his field, began the lecture by emphasizing the importance of life skills in personal and professional development. He seamlessly integrated practical examples and theoretical concepts, creating an engaging learning environment for the students.

The lecture covered a spectrum of life skills, including communication, critical thinking, problem-solving, and time management. Dr. Selvarajan illustrated how these skills are not only essential in academic pursuits but also play a pivotal role in shaping a successful and fulfilling life beyond the classroom.

Moreover, the lecture encouraged interactive participation, allowing students to ask questions and share their perspectives. Dr. Selvarajan's expertise and passion for the subject resonated with the audience, leaving a lasting impact on the PG students. The session served as a valuable opportunity for the students to acquire practical insights and strategies that will undoubtedly contribute to their holistic development. Overall, Dr. S. Selvarajan's special lecture proved to be an enriching and enlightening experience for the students of Jamal Mohamed

REPORT OF THE PROGRAMME

Name of the Department : Centre for Human Excellence

Type of the Programme : Life Skills

Title of the Programme : Life Skill Development Training Programme

Venue : N.B. Abdul Gafoor Auditorium

Dates: 26th-27th September 2023

Report

Jamal is a Divine gift to Humanity. Though a minority institution, it is a Centre for higher learning for people of all walks of life irrespective of any religion, caste or creed. Jamal focuses on life-oriented education, stressing the importance of values, societal ethics and acquiring skills. It is very much befitting in this context that the Centre for Human excellence is granted an opportunity to organize a motivational lecture cum training programme on **LIFE SKILL DEVELOPMENT**. The programme was conducted in the N.B. Abdul Gafoor Auditorium for two days on **26th-27th September 2023**, both morning and evening for first year undergraduate men and first year undergraduate and postgraduate women students respectively.

On the first day, at the Inaugural session, **Dr. I. Joseph A. Jerald**, Coordinator, the Centre for Human Excellence gave a briefing for the rationale and need of the programme. **Dr. S. Ismail Mohideen**, Principal welcomed the participants and delivered the presidential address, highlighting the importance of acquiring more skills to prosper in life. **Dr. A.K. Khaja Nazeemudeen**, Secretary & Correspondent and **Hajee M.J. Jamal Mohamed**, Treasurer of the College Management Committee offered felicitation. They insisted that all students make the best use of the programme and gear up for phenomenal growth in their academic pursuit in general and in particular life skill development as well.

Dr. I. Jegan fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from "Fynn Soft Success Solutions", Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person's enormous resourcefulness through his speed, powerful sessions and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and captivating the young minds. A few film songs chosen for background music were so classic and apt to the situation. His reverential highlight on the role of parents, teachers and elders quoted was really worth mentioning. Towards the end of the sessions, the time for introspection of students' conscience led all our participants sincere and serious. It truly melted their hearts so much so that many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children / wards to their parents and teachers. Of course, during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples and anecdotes cited by Dr. I. Jegan were greatly impressive so much so, many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this resource person for the eventful programme for the 11th consecutive year. We wish the training programme continues in the future years as well for the benefit of our students.

We thank our magnanimous Management Committee Members **Dr. A.K. Khaja Nazeemudeen**, Secretary and Correspondent, **Hajee M.J. Jamal Mohamed**, Treasurer, **Dr. K. Abdus Samad**, Assistant Secretary, **Dr. K.N. Abdul Kader Nihal**, Member and Honorary Director and our vibrant Administrators, **Dr. S. Ismail Mohideen**, Principal, **Dr. D.I. REPORT OF THE PROGRAMME

Name of the Department : CHEMISTRY

Type of the Programme : Hands on Training Programme

Title of the Programme : Preparation of Chemical Solutions

Venue: PG Chemistry Laboratory **Date:** 29-01-2024 & 30-01-2024

Report (not less than 100 words):

Around 68 students representing the departments such as Botany, Biotechnology, Chemistry, Microbiology, Nutrition & Dietetics, Physics and Zoology are participated.

On the First day, Dr. A. Samsath begum, Assistant professor of Chemistry, welcomed the gathering. Dr. R. Abdul Vahith, Assistant professor of Chemistry highlighted the significance of the programme followed by Dr. M. Anwar Sathiq, Associate Professor of Chemistry demonstrated the preparation of various chemical solutions along with their weight calculation.

On the Second day, Dr. M. Syed Ali Padusha, Associate Professor of Chemistry, gave the lecture on concentrations terms like normality, molarity, molality, mole fraction and percentage. He also explained the concepts of acids, bases and balancing the equations. The feedbacks were collected from the students participated in the programme and certificates were distributed to all the students. The Head of the department of Chemistry Dr. M. Seeni Mubarak extend his support for the successful conduct of this event. All the faculty of the department actively volunteered this programme.

The List of participants and the attendance sheets are enclosed.

Criterion V Student Support and Progression

5.1. Student Support

5.1.3. Following Capacity development and skills enhancement activities are organised for improving students capability

1. Soft skills, 2. Language and communication skills. 3. Life skills. 4. Awareness of trends in technology

Geotagged Photos (colour):

Programme Outcomes:

- After two days of active participation, science students emerged from the training program proficient in preparing chemical solutions and calculating substance weights.
- Through hands-on exercises, they honed their skills in precise solution preparation techniques.
- The program fostered a deep understanding of the principles behind chemical solution preparation and weight calculations.
- Participants gained confidence in their ability to handle chemical substances safely and accurately.

BOTANY ASSOCIATION – INAUGURATION

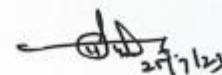

REPORT

The PG and Research Department of Botany inaugurated and organized a special lecture program under Botany Association on **24.07.2023** at the Physics seminar hall (A/c) for the academic year 2023-2024. **Dr. H. SYED JAHANGIR**, Associate Professor and Head, Department of Botany, welcome the gathering. **Mr. S. Gunalan**, II M.Sc., Botany, introduced the resource person **Dr. R. NAZEERULLAH**, Assistant Professor of Microbiology, Department of Biomedical Sciences, College of Medicine, Gulf Medical University, United Arab Emirates. **Dr. A. ISHAQ AHAMED**, Additional Vice Principal delivered the presidential address and offered felicitation. The resource person **Dr. R. NAZEERULLAH** inaugurated and delivered a special lecture on the “**Role of Gut Microbes in Health and Diseases**”. He explained the human microbiota composition, interaction and the common factors contributing to gut and brain activity. At the end of the session, participants actively interacted with resource person and raised questions regarding the role of microbes in health and diseases. Totally, **120 students and 11 faculty members** were attended in this program. Finally, **Mr. M. Thanveer Aswaq** I M.Sc., Botany proposed a vote of thanks. In his vote of thanks, he expressed sincere gratitude to College Management and Principal for being granting permission and all help for the successful conduct this program.

From left to right: **Dr. A. Shajahan**, Associate Professor, Dean of Research, **Dr. H. Syed Jahangir**, Associate Professor and Head, Resource person **Dr. R. Nazeerullah**, Assistant Professor of Microbiology, Department of Biomedical Sciences, College of Medicine, Gulf Medical University, UAE, **Dr. A. Ishaq Ahamed**, Additional Vice Principle, **Dr. N. Ahamed Sherif**, (Botany Association Vice President).
