M.Aravandi, a Former Professor of the College for the benefit of the students belonged to Mathematics discipline.

For this year Dr.T.Asir, Associate Professor of Mathematics, Pondicherry University, Pondicherry was the Chief Guest for the Special Lecture Programme. He gave an interesting lecture on the topic " Applications of Mathematics in Science & Technology " for the benefit of the student to grasp the concepts and ideas.

Earlier Dr. R.Jahir Hussain, HOD (i/c) of Mathematics welcomed the gathering and Dr. S. Ismail Mohideen, Principal delivered the Presidential Address.

Dr. A. K. KhajaNazeemudeen, Secretary & Correspondent, Hajee. M.J. Jamal Mohamed, Treasurer, Dr.K.AbdusSamad, Assistant Secretary and Dr. K. N. Abdul Kader Nihal, Member & Hon. Director greeted the gathering. 147 students and 2 staffs attended the lecture.

At the end of the programme Dr.A. Mohamed Ismayil, Associate Professor of Mathematics proposed the Vote of Thanks and the entire event was organized and looked after by the Professors of the Department of Mathematics.

Outcome

The Special Lecture on Applications of Mathematics in Science & Technology provided valuable insights into how mathematical principles and techniques are crucial in solving real-world problems. Attendees gained a deeper understanding of the pivotal role mathematics plays in advancing science and technology, fostering innovation and problem-solving.

Report

On December 5th, 2023, the Mathematics Seminar Hall at Jamal Mohamed College hosted a riveting lecture by Dr. E. G. Rajan, Chairman of Pentagram Group of Companies across India, UK, USA, and Canada. Dr. Rajan delved into the intricate concept of the Rajan Transform, captivating the audience with its mathematical depth and real-world applications. 67 Attendees were enlightened by his expertise, gaining valuable insights into this transformative notion. The event served as an enriching platform, shedding light on cutting-edge mathematical concepts and their practical implications.

Programme Outcomes:

The Special Lecture Programme on the Notion of Rajan Transform aims to equip participants with a comprehensive understanding of this mathematical transformation. By delving into its theoretical underpinnings and practical applications in signal processing, image compression, and data analysis, participants will grasp its significance in various fields. The program intends to foster critical thinking, enabling (67) attendees to apply Rajan Transform methodologies effectively. Through interactive sessions and hands-on demonstrations, participants will gain proficiency in utilizing this transformative tool, empowering them to innovate and excel in their respective domains.

Report

The Mathematics Computer Lab at Jamal Mohamed College hosted a dynamic workshop on Sagemath on December 5th, 2023. Dr. MA Rifayathali, Assistant Professor from the Department of Mathematics, led the insightful session, equipping participants with practical Sagemath expertise. Attendees delved into hands-on activities, exploring the software's functionalities, from algebraic manipulations to advanced calculations. The interactive event fostered a deep understanding of mathematical concepts, empowering attendees to utilize Sagemath effectively. The session was a testament to Jamal Mohamed College's commitment to enhancing mathematical proficiency among students. Intoto 22 students participated in this programme.

Programme Outcomes:

22 Participants will grasp SageMath's fundamentals, mastering its computational capabilities in diverse mathematical areas. They will gain proficiency in utilizing SageMath for symbolic computations, numerical analysis, and visualization, enabling problem-solving across mathematics, science, and engineering domains. Through hands-on sessions and interactive modules, attendees will explore graph theory, algebraic structures, calculus, and more, fostering a deeper understanding of mathematical concepts. The program aims to empower individuals with the tools to apply SageMath effectively in research, education, and practical problem-solving scenarios, promoting computational literacy and enhancing mathematical problem-solving skills.

Date: 11-12-2023 to 13-12-2023

Report

Jamal Mohamed College's Mathematics Department organized a seminar on Optimization Techniques at LH-11. Attended by JMC staff members specializing in Mathematics, the event featured Dr. S. Ismail Mohideen, Principal & HOD of Mathematics, and Dr. A. Prasanna, Assistant Professor. Dr. Mohideen elucidated advanced optimization methodologies, while Dr. Prasanna shared insights on practical applications. Participants delved into diverse optimization models, algorithms, and real-world problem-solving approaches. The seminar fostered a vibrant exchange of ideas among faculty members, enriching their understanding of optimization techniques in mathematics. Totally 11 staff members benefited from this programme.

Programme Outcomes:

The Seminar on Optimization Techniques aims to impart comprehensive knowledge about diverse optimization methods crucial in problem-solving across industries. Focused on theoretical foundations and practical applications, it explores algorithms like gradient descent, genetic algorithms, and simulated annealing, elucidating their roles in enhancing efficiency and performance. Attendees will grasp optimization's significance in data analysis, machine learning, engineering, and more, gaining insights into cutting-edge advancements. Through case studies and interactive sessions, 11 participants will leave equipped with a deeper understanding of optimization frameworks, empowering them to employ these techniques effectively to streamline processes, improve decision-making, and drive innovation in various professional domains.

Report

P.G & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli Mathematics Association and JMC Alumni Association (Singapore Chapter) jointly organized a Special Lecture on 20.12.2023. Dr. A.J.Haja Mohideen, Additional Vice Principal delivered the Presidential Address. Mr. PMA. Amanullah, CEO, Infocom Consultants Pte Ltd, Singapore delivered the Special Address on the topic "Computational Thinking". Earlier P. Shakib, II B.Sc welcomed the gathering. Finally M.Adnan Mohamed Aslam, III B.Sc proposed a vote of thanks. The arrangements were made by the faculty members of the Department. 123 members are participated in this event.

Programme Outcomes:

The Special Lecture Programme on Computational Thinking aims to equip participants with a foundational understanding of problem-solving using computational approaches. Through interactive sessions and practical examples, the program intends to cultivate logical thinking, algorithmic design, and abstraction skills. Participants will grasp fundamental concepts like decomposition, pattern recognition, and algorithm development applicable in various domains. By fostering computational thinking, the program strives to enhance problem-solving capabilities, promote innovation, and empower individuals to navigate complexities by leveraging computational tools and strategies effectively. Ultimately, 123 participants will gain a solid framework to approach challenges systematically and creatively in a technology-driven world.

Report

The Department of Physics in association with Mathematics Department organized the special lecture on the title “An Introduction to Financial and Capital Markets” as a part of Placement Activities on 21.12.2023 in the Mathematics Seminar Hall during 11.45 AM – 01.00 PM. to train the final year PG Physics and Maths students to find placements in the area of Financial and Capital Markets. Specifically, the chief guest Mr. Asif Shahinsha, *Senior Director, Pharma Venture, London, UK* delivered a lecture to highlight the growth of automations in the area of Financial and Capital Marketing which is creating considerable job opportunities for Physics and Maths graduates in the IT Sectors of financial management. The strong interaction between the students and speaker helped to reveal the importance of mathematical skills particularly in the field of differential calculus to deal the growth and decay of economic status of industries. Dr. R. Radhakrishnan, Placement Officer of Physics, welcomed the gathering and Dr. A. Ishaq Ahamed, Additional Vice Principal, honoured the speaker and Dr. A. Mohamed Saleem, Head of Physics, Dr. R. Jahir Hussain, Head i/c of Mathematics, and the Faculties of Physics and Maths felicitated the event. Finally Dr. P. Muruganantham, Placement Officer of Mathematics

Programme Outcomes:

The special lecture on "An Introduction to Financial and Capital Markets" aims to provide attendees with a comprehensive understanding of financial systems, market mechanisms, and capital allocation. Participants will grasp the fundamental principles governing financial markets, including stocks, bonds, derivatives, and investment strategies. The session intends to elucidate the significance of these markets in global economies, exploring their role in wealth creation, risk management, and economic development. By the end, 30 attendees will possess foundational knowledge essential for navigating financial landscapes, enabling them to make informed decisions and engage effectively within the dynamic realm of financial and capital markets.

Report

Department of Mathematics hosted a vibrant commemoration of National Mathematics Day with a compelling two-day event on 21st and 22nd December 2023. The highlight was a captivating Special Lecture on Vedic Mathematics conducted by resource persons comprising II BSc Mathematics Students.

The lecture, delivered to their classmates, delved deep into the fascinating world of Vedic Mathematics, showcasing its relevance and applications. Engaging and informative, the session enlightened attendees on the principles and techniques inherent in Vedic Mathematics, leaving an indelible mark on the students' understanding of mathematical concepts.

The event not only celebrated the legacy of National Mathematics Day but also fostered a spirit of enthusiasm and appreciation for mathematical sciences among (22) participants.

Programme Outcomes:

Celebrate National Mathematics Day with a captivating Special Lecture on Vedic Mathematics. Explore ancient Indian mathematical techniques, fostering a deeper understanding of swift calculation methods, mental arithmetic, and problem-solving approaches. Unveil the beauty of Vedic Mathematics, showcasing its relevance in modern-day applications. Inspire curiosity and enthusiasm among participants, promoting mathematical thinking and logical reasoning. Empower 22 attendees to apply these insightful techniques in their academic pursuits and daily lives, fostering a stronger appreciation for the rich heritage of mathematical knowledge. Through this event, aim to spark interest, encourage exploration, and celebrate the timeless legacy of Vedic Mathematics in a concise and impactful manner.

Report:

A special lecture program was held on January 9th, 2024, at the Mathematics Seminar Hall featuring Mr. Khaja Abdul Bari, a Finance Specialist from HR Inc, Bengaluru. The lecture focused on "Today's Generation in IT Environment." Mr. Bari delved into the challenges and opportunities presented by the rapidly evolving IT landscape, particularly concerning the current generation. He discussed the significance of adapting to technological advancements and leveraging them effectively in various sectors. Attendees gained insights into the intersection of IT with finance, supply chain, and HR, elucidating its impact on businesses and society. Mr. Bari's expertise shed light on navigating the complexities of the modern IT environment, equipping participants with valuable knowledge to thrive in this dynamic field. The lecture concluded with an interactive session, fostering dialogue and exchange of ideas among attendees.

REPORT OF THE PROGRAMME

Name of the Department : Mathematics (Aided)

Type of the Programme : Workshop

Title of the Programme : R Programming

Venue: Mathematics Department Computer Lab Date: 14-02-2024

Report:

The Workshop on R Programming held on 14th February 2024 at the Mathematics Department Computer Lab was conducted by Dr. B. Balaguru, Assistant Professor of Botany from Jamal Mohamed College, Trichy. The workshop aimed to introduce participants to the fundamentals of R programming, a widely used language in statistical computing and data analysis. Dr. Balaguru provided comprehensive insights into various aspects of R programming, including data manipulation, visualization, and statistical analysis. Attendees gained practical knowledge through hands-on exercises conducted during the workshop. Dr. Balaguru's expertise and interactive teaching style facilitated an engaging learning environment, allowing participants to grasp essential concepts effectively. The event received positive feedback from participants, highlighting its effectiveness in enhancing their understanding of R programming for diverse applications in research and academia.

Programme Outcomes:

Participants gained a profound understanding of R programming fundamentals, enabling them to manipulate data efficiently, conduct statistical analysis, and create visualizations. Dr. Balaguru's expertise bridged interdisciplinary gaps, illustrating the application of R in botanical research and beyond. Attendees learned to leverage R's versatility in diverse scientific domains, enhancing their analytical capabilities and research methodologies. The workshop fostered a collaborative learning environment, encouraging participants to exchange insights and problem-solving strategies. Overall, it empowered attendees with valuable skills to tackle complex data challenges and contribute effectively to their respective fields, aligning with the college's commitment to fostering interdisciplinary knowledge exchange and research excellence.

About Science Academies

Indian Academy of Sciences (IAS), Bangalore founded in 1934 by Sir C.V. Raman, aims at promoting the progress and upholding the cause of science in the pure and applied branches. Its major activities include publication of scientific journals and special volumes, organizing meetings of the Fellowship and discussions on important topics, recognizing scientific talent, improvement of science education, and taking up other issues of concern to the scientific community. As part of the science education programmes, the Indian Academy of Sciences, Bangalore in association with the Indian National Science Academy (INSA), New Delhi and The National Academy of Sciences, India (NASI), Allahabad organize programmes for the improvement of science education in the Universities and Colleges throughout the country.

The Science Academies have been supporting two/three-day lecture workshops and fifteen-day refresher courses on topics of current interest throughout the country. All the programmes conducted by the Joint Science Education Panel of the Academies are fully supported by the Department of Science and Technology, GOI.

About the Institution

Jamal Mohamed College was founded in 1951, as an affiliated college to the University of Madras and then affiliated to Bharathidasan University, Tiruchirappalli, when it was formed in 1982. Jamal Mohamed College is situated in the central part of Tamil Nadu, Tiruchirappalli city. It was established as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward section of the society in general and Muslim minority in particular.

The college is administered by the Society of Jamal Mohamed College. It is established in a sprawling land area of 87 acres, as a religious minority institution. Hajee M. Jamal Mohamed Sahib and Janab N.M. Khajamian Rowther, of revered memory, were the founding fathers of this institution.

In the year 1957 the college got the single honor of being bracketed with the thirty best colleges in India when Danforth Foundation of USA selected the college for the award of study fellowships in U.S.A. In 1963 the college was elevated to the status of a post-graduate college.

In the year 1972, the college was recognized by UGC New Delhi, for the purposes of Grants under section 2(F) and 12(B) of the University Grants Commission Act 1956. In 1977, on the recommendation of the University of Madras, the UGC recognized the college as one of the ten "Lead colleges" in the university area.

Our College was bestowed with the unique honour of "CPE" status Phase-I and Phase-II by the University Grants Commission under the Scheme "Colleges with Potential for Excellence" in 2011 and 2016 respectively. Accredited with A⁺⁺ Grade by NAAC (4th Cycle) with CGPA 3.69 out of 4.0.

The college has obtained the prestigious 56th rank among Top ranking institutions in NIRF Rankings - 2023. It is remarkable to state that the college has been recognized with Three Star status by the Institutions Innovation Council (IIC), MHRD innovation cell, Government of India in 2019. Department of Science and Technology (DST), Government of India has accorded FIST Scheme to the Departments of Zoology, Botany and Physics in 2004 and to the Department of Mathematics in 2008. Again DST FIST Scheme has been extended to the Departments of Mathematics, Physics, Botany, Zoology and Computer Science in 2019. Five Science Departments such as Mathematics, Physics, Chemistry, Botany and Zoology have been short-listed after a meritorious presentation, among many competing institutions and awarded the Star Status Scheme by the Department of Bio Technology (DBT) in 2020.

Over a period of 73 years the college was able to scale greater heights and raise to the present status as a multi-faculty institution with 28 UG and 20 PG courses. 18 departments of the college are functioning with the status of approved research centres. The college has a strength of around 12000 students. There are 133 Government Aided teaching faculty and 359 staff members are working under the self finance stream. The college celebrated its silver Jubilee in 1971, subsequently the Golden Jubilee and Diamond Jubilee in 2001 and 2011 respectively.

With many milestone achievements, the College has been marching towards fulfilling marvelous plans, matching the vision and mission of our noble founders and the present Management Committee Members. "The Jamal" journey continues with all gentle Jamalians for still more greater heights of glory in higher education.

About the Department

The Department of Mathematics of Jamal Mohamed College, was started as one of the earliest department in the year 1951. B.Sc., and M.Sc. Mathematics programmes were started in 1957 and 1963 respectively. The Department was elevated into a research department in the year 2002 by offering M.Phil. (Full Time & Part-Time) and Ph.D. (Full-Time & Part-Time) programmes. B.Sc. Mathematics (Self-Financing Section) was started for women in 2003. M.Sc. Mathematics (Self-Financing Section) was started for women and men in 2005 and 2010 respectively. In the year 2008, the Department was identified for the award of FIST – Grant by the Ministry of Science and Technology of Government of India. The Department has highly qualified faculty members actively engaged in teaching, research, continuing education programmes and consultancy. In the last 15 years, the members of the Department have written 10 books, 95 research scholars were awarded Ph.D. degrees, published more than 670 research papers in National and International journals and presented many research papers in National and International Conferences.

About the Workshop

This lecture workshop is focused to benefit the students, faculty members and research scholars to attain an expertise in developing cognitive skills mathematically about biological systems. Participants are sure to acquire fundamental skills in mathematical analysis and simulation, specialized experience in mathematical modelling in biology and neuroscience and knowledge of particular areas of biology. In addition to this, the modelling of real time problems in the form of mathematical equations, its solution methods and its impact on the global challenges are to be explained to them. Moreover, the numerical techniques will be dealt with which will provide the learners a clear idea about the behavior of the problem or the model provided. Finally, this lecture workshop is intended to motivate the students, research scholars and faculty members in understanding the applications of mathematics in biology.

REGISTRATION

The workshop is open to UG & PG students, Research Scholars and Faculty members of Mathematics and other related disciplines. There is **No Registration fee** to attend the workshop. Only Limited entries are available (FCFS). **Selected participants will be intimated through their registered Mail ID and the Selection list will be made available on our College website by 14.03.2024.**

This workshop will be conducted only through offline.

BRIEF REPORT OF THE SCIENCE ACADEMIES' LECTURE WORKSHOP ON

"MATHEMATICAL BIOLOGY"

A two-day SCIENCE ACADEMIES' LECTURE WORKSHOP ON "MATHEMATICAL BIOLOGY" was held in the PG & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli-20 on 18th and 19th March 2024. The Lecture workshop was sponsored by the Science Academies, Indian Academy of Science (IASc) Bengaluru, Indian National Science Academy (INSA), and National Academy of Science (NASI) New Delhi. **Dr. S. Saravanan F.N.A.Sc., Professor & Head, Department of Mathematics, Bharathiar University, Coimbatore was the convenor of this Lecture Workshop.**

This lecture workshop is focused to benefit the students, faculty members and research scholars to attain an expertise in developing cognitive skills mathematically about biological systems. Participants are sure to acquire fundamental skills in mathematical analysis and simulation, specialized experience in mathematical modeling in biology and neuroscience and knowledge of particular areas of biology. In addition to this, the modelling of real time problems in the form of mathematical equations, its solution methods and its impact on the global challenges are to be explained to them. Moreover, the numerical techniques will be dealt with which will provide the learners a clear idea about the behavior of the problem or the model provided. Finally, this lecture workshop is intended to motivate the students, research scholars and faculty members in understanding the applications of mathematics in biology.

A total of 8 lectures were delivered by resource persons. About 117 participants from various colleges participated in the workshop. The resource persons are

- Dr.P. Kandaswamy, F.N.A.Sc.,
Former Director
School of Mathematics & Statistics
Bharathiar University
Coimbatore
- Dr. G P Raja Sekhar, F.N.A.Sc.,
Professor
Department of Mathematics
Indian Institute of Technology
Kharagpur
- Dr. Mini Ghosh
Professor
Vellore Institute of Technology (VIT)
University, Chennai.

The two days lecture workshop was inaugurated by Dr. S. Saravanan at 9.00 am on 18.03.2024. Dr.R.Jahir Hussain, HOD (i/c) of Mathematics, Jamal Mohamed College welcomed the gathering. Dr. S. Ismail Mohideen, Principal, Jamal Mohamed College delivered the Presidential Address. Jamal Mohamed College Management Committee Secretary and Correspondent Dr.A.K.Khaja Nazeemudeen. Treasurer Hajee. M.J.Jamal Mohamed, Assistant Secretary Dr.K.Abdus Samad and Hon. Director Dr. K.N.Abdul Kader Nihal made their august presence in this Meeting. Dr. S. Saravanan, Convenor of this workshop gave introductory speech and mentioned the objectives of the lecture workshop. He also explained the various activities of Science Academies'. Dr. S. Ismail Mohideen in his Presidential address thanked the Science academies' for conducting the workshop at Jamal Mohamed College. Finally, Dr. A. Mohamed Ismayil, Associate Professor of Mathematics, Jamal Mohamed College proposed vote of thanks.

On 18.03.2024, First lecture was delivered by Dr. S. Saravanan on Some Basic Models in Mathematical Biology - I between 9.30 a.m. and 11.00 a.m.

On 18.03.2024, Second session was taken by Dr.P. Kandaswamy, F.N.A.Sc., Former Director, School of Mathematics & Statistics, Bharathiar University, Coimbatore between 11.15 a.m. – 12.45 p.m. on Mathematical Model for Human Infections-I. Earlier Dr. N. Mohamed Thoiyab, Assistant Professor in Mathematics welcomed the Resource person.

On 18.03.2024, Third lecture was given in the afternoon session by Dr Mini Ghosh, Professor, Vellore Institute of Technology (VIT) University, Chennai, on Mathematical Modeling of infectious Diseases between 2.00 p.m. and 3.30 p.m. Earlier Dr. U. Abuthahir, Assistant Professor in Mathematics welcomed the Resource person.

On 18.03.2024, Dr. G.P. Raja Sekhar F.N.A.Sc., Professor, Department of Mathematics, Indian Institute of Technology, Kharagpur, gave fourth lecture on Mathematical Modelling – population growth models in the context of biological tumors from 3.45 p.m. to 5.15 p.m. Earlier Dr.P. Murugannatham, Assistant Professor in Mathematics welcomed the Resource person.

On 19.03.2024 **(Second day)**, First lecture was delivered by Dr. G.P. Raja Sekhar F.N.A.Sc., Professor, Department of Mathematics, Indian Institute of Technology, Kharagpur, on Hydrodynamics of Swimming Micro-organisms between 9.30 a.m. and 11.00 a.m. Finally, Dr. M. Rifayathali, Assistant Professor in Mathematics proposed vote of thanks.

On 19.03.2024, Second session was taken by Dr Mini Ghosh, Professor, Vellore Institute of Technology (VIT) University, Chennai between 11.15 a.m. – 12.45 p.m. on Modeling the spread of vector-borne diseases. Finally, Dr.M. Mohamed Althaf, Assistant Professor in Mathematics proposed vote of thanks.

On 07.01.2023, Third lecture was given in the afternoon session by Dr.P. Kandaswamy, F.N.A.Sc., Former Director, School of Mathematics & Statistics, Bharathiar University, Coimbatore on Mathematical Model for Human Infections-II between 2.00 p.m. and 3.30 p.m. Finally, Dr.A. Prasanna, Assistant Professor in Mathematics proposed vote of thanks.

On 19.03.2024, Dr. S. Saravanan F.N.A.Sc., Professor & Head, Department of Mathematics, Bharathiar University, Coimbatore, gave fourth lecture on Some basic models in Mathematical Biology - II from 3.45 p.m. to 5.15 p.m.

On 19.03.2024, In the feedback session, the young and energetic participants expressed their views about the Lecture workshop. They appreciated the lectures delivered by resource persons and the good hospitality and other arrangements made by the Jamal Mohamed College. Dr. S. Mohamed Yusuff Ansari, Coordinator of the program presented the report of the programme. At the end Dr. M. Mohammed Jabarulla, Associate Professor of Mathematics, Jamal Mohamed College delivered vote of thanks. He especially thanked, convenor Dr. S. Saravanan F.N.A.Sc., Professor & Head, Department of Mathematics, Bharathiar University, Coimbatore and all the resource persons for the successful completion Lecture workshop. Earlier Mr. S. Masoothu, Associate Professor of Mathematics, Jamal Mohamed College welcomed the gathering.

Acknowledgement:

As a coordinator of the workshop, I am very much thankful to the Academy for the financial assistance. I express my gratitude to Shri. N. Maheshchandra (Executive Secretary, Science Academies' Education Programme), Dr. S. Saravanan (Convener of LW) and resource persons for their valuable support and guidance. Hosting the Science Academies Lecture Workshop is a great honour to our institution. Particularly to the Department of Mathematics of our College.

Any Suggestion

- Good
- It was more useful to recall my former studies to start an interest on research
- We need the participation certificate separately
- I wish that upcoming workshop should be a bit longer so that we can gain more knowledge about the concept
- Thank you for this lecture workshop. Looking forward for many more workshops in future
- It was useful to our studies
- Please offer more work shops like this
- The workshop was truly insightful and informative. I am eager to participate in more workshops in future.
- Easily understandable
- Everything is fine but if the lecture is conducted for 1week it would be even more clear to the participants
- The upcoming Programme may conducting more number of days..
- I am expecting that you should separately give the certificate and attendece.
- Great work
- Nice sessions
- Looking forward for more workshops in inventory.
- Need more workshop on Operations Research
- Need workshops on operations research
- Looking for pure mathematics topics in future
- This type of Excellent programes needed in future
- Good 😊
- Useful session
- It is very well organized workshop and my suggestion is continue to 3 days.
- Very nice
- The work shop was good, conduct more like this. Think you.
- Teaching in Tamil is good
- Please conduct more workshops for operation research and management studies.
- Please extend the days of workshop and please include some pure mathematics in that workshop sir
- Very informative and interesting sessions.

- If possible means please provide Participants certificate in next workshop sir. That's all.
Thank you sir.
- Research idea learn to many topics
- Nice
- Excellent
- No suggestions. The event is wonderful thank you all . Jamaliyaens 🙌💯😊
- EVERYTHING IS GOOD
- Expecting More Commitments Like This Ever . Thank You For Making Us Much Satisfied
In All Categories. Thank You Jamal.
- Workshop is very useful for future studies
- Excellent
- Always good keep it up sir
- kindly share experts PPT to all participants
- Hope to have such more workshops in the future.

CAMPUS CONNECT

Programming workshop

Third- and fourth-year students of CARE College of Engineering recently received hands-on experience in Artificial Intelligence (AI) and Machine Learning (ML) using the Python programming language, at a workshop hosted in collaboration with Bengaluru-based Tessolve Semiconductors. The six-day programme, organised by the Department of Electronics and Communications Engineering, consisted of interactive sessions with subject experts, and concluded with a hackathon.

Twin subjects

A lecture-workshop on 'mathematical biology' organised at Jamal Mohamed College (JMC) by the Indian Academy of Sciences, Bengaluru, in association with the Indian National Science Academy (INSA), New Delhi, and The National Academy of Sciences, India (NASI), Allahabad under the auspices of Department of Science and Technology recently, explained the links between the two subjects. The programme was conducted by JMC's Department of Mathematics, and had S. Saravanan, professor and head, Department of Mathematics, Bharathiar University, Coimbatore, as keynote speaker. Subject experts P. Kandaswamy, former director, School of Mathematics and

Statistics, Bharathiar University, G. P. Raja Sekhar, professor, Department of Mathematics, Indian Institute of Technology, Kharagpur, and Mini Ghosh, professor, Vellore Institute of Technology University, Chennai, handled the technical sessions.

Vision for youth

India's younger generation should work hard towards developing the nation, said Bharathidasan University Vice-Chancellor M. Selvam, at a forum titled 'Yuva Samvad (youth dialogue) India @2047' organised by the National Service Scheme (NSS) cell of the varsity recently. Speakers explained the 'Paanch Pran' (five goals) of Prime Minister Narendra Modi to over 200 students from various departments of BDU and affiliated colleges.

Reading programme

M.S. Xavier Pradheep Singh, Assistant professor, PG and Research Department of English, St. Joseph's College, emphasised the significance of cultivating a regular reading habit through libraries and digital resources at a capacity development programme organised by the Aurora Club, PG Department of English at Cauvery College for Women in Tiruchi recently. The event was organised in collaboration with the Tiruchi chapter of English Language Teachers' Association of India.

Dr. S. Mohamed Yusuff Ansari
Assistant Professor
Department of Mathematics
Jamal Mohamed College (Autonomous)
Tiruchirappalli - 620 020

Sub: Sanction letter for Lecture Workshop on "Mathematical Biology" scheduled to be held at Jamal Mohamed College (Autonomous), Tiruchirappalli, during 18 & 19 March 2024.

Dear Dr. Ansari,

This has reference to the letter forwarding a proposal and budget for organizing a two-day Lecture Workshop at Jamal Mohamed College (Autonomous), Tiruchirappalli. The Joint Science Education Panel of the three Academies will be happy to sponsor and support the Lecture Workshop. We note that Dr. S. Saravanan (Bharathiar University, Coimbatore) will be the workshop Convener and that you will be the Workshop Co-ordinator.

- Please note that only the names of Convener and Coordinator of the Workshop should be included in brochure/invitation etc. Names of members of the management, organizing committees, patrons etc should be strictly avoided.
- A budget of Rs. 2,20,000/- (Rupees two lakh and twenty thousand only). Resource Persons travel expenses will be paid following the guidelines i.e. 2-tier A/C Rail fare/Economy Airfare. For 120 participants has been approved by the Science Education Panel. As per the guidelines, the ideal number of participants in a Lecture Workshop should be between 100 and 125 and in any case should not exceed 150, to maximize interaction between participants and resource persons. Please note that you have to adhere to Academy guidelines and the approved amount is strictly following the budget heads in the guideline. The details of approved budget is given below:

IASc will release funds for the Workshop, 75% of the approved amount of Rs: 1,65,000/- (Rupees one lakh and sixty-five thousand only).

- Please ensure that the expenditure on individual items does not exceed the sanctioned BUDGET HEAD. If the actual expenditure exceeds the sanctioned budget, THE HOST INSTITUTION SHOULD TAKE CARE OF THE DIFFERENCE.
- Lecture Workshops are sponsored and supported by the three National Science Academies – IASc, INSA and NASI. The names of INDIAN ACADEMY OF SCIENCES (BENGALURU), INDIAN NATIONAL SCIENCE ACADEMY (NEW DELHI) and THE NATIONAL ACADEMY OF SCIENCES, INDIA (PRAYAGRAJ) should therefore be mentioned in all publicity material such as programme sheet, invitation cards, etc.
- It may be noted that no formal certificates should be issued to participants. A letter of attendance signed by Coordinator may be issued to those who need it.
- The Workshop should be called Science Academies' Lecture Workshop: on "Mathematical Biology".
- You should send us three copies of the printed programme cards once it is printed.
- We urge you to open a new bank account in the name of the lecture workshop or in the name of the principal and provide full details of the account:
 - Account No;
 - Name of the Account Holder;
 - Name of the Bank;
 - Name of the Branch;
 - IFS code for non-SBI accounts.

Alternatively, you can provide us the existing college bank account number to which we can transfer the amount.

On receipt of bank details, 75% of the total sanction amount i.e. Rs.: 1,65,000/- (Rupees one lakh and sixty-five thousand only) will be released to the Bank of the institution. **The host institution should bear up to 25% of the total expenditure if it is a private institution (as per the Academy guidelines).** Upon receipt of the audited UC and report, the remaining balance fund of the amount will be released if applicable.

The audited expenditure statement/utilization certificate duly signed by competent authority (CA or Financial Controller) in GFR 19 A format to be sent along with the report, once the Workshop is over. This is required for the Audit compliance. The Academy is strictly adhering to the Govt. of India's "Treasury Single Account"(TSA). Under this system, we are supposed to book the expenditure preferably in the same calendar month. As soon as the event at your institution is over, we request you to send the audited statement of expenditure, utilization Certificate (GFR 19A) and other bills and receipts pertaining to the event by the end of the same month in both hard and soft versions. You can go ahead with organizing the Workshop in consultation with Dr. S. Saravanan.

Respected sir,

We are glad to inform you that we conducted Science Academies' Lecture Workshop on "MATHEMATICAL BIOLOGY" on 18th & 19th March 2024 with the support and sponsorship of Indian Academy of Sciences, Bengaluru, Indian National Science Academy, Delhi and National Academy of Sciences, India, Allahabad. The first installment of Rs. 1,65,000/- was released on 09.03.2024 by the Science Academies' through online. I have submitted the documents (Brief Report, Photographs, Audited Statement with vouchers, etc.) for your kind perusal and approval. Herewith I have enclosed new Utilization Certificate as you requested.

I request you to kindly release the balance grant. Also I thank the authorities of Academies to permit to conduct the workshop in our College.

Thank you,

Yours faithfully,

INTERNAL QUALITY ASSURANCE CELL REPORT OF THE PROGRAMME

Name of the Department : Mathematics

Type of the Programme : Trends and Technology

Title of the Programme : How could Today's Generation fit in the IT Industry ?

Venue : Mathematics Seminar Hall

Date : 09/01/2024

Report :

A Special Lecture Program was conducted by the **Mathematics Association SF-Women** on **09th January 2024** for the students of II B.Sc., III B.Sc., I M.Sc., & II M.Sc. Nearly 130 students attended the session.

The Program began with Qirath done by **Ms. N. Arshiya** of II B.Sc. Maths.

Ms. R. Shiny of II M.Sc. Maths welcomed the gathering.

Our Chief Guest **Khaja Abdul Bari, Finance Specialist, Supply Chain, HP Inc , Bengaluru**, delivered the special lecture on the topic **"How could Today's Generation fit in the IT Industry?"**

He started this program by offering career advice. He made the session very useful by providing tips on resume building and strategies for navigating the competitive job market within the IT industry .

He notably mentioned the students to start the career from scratch to become skillful in works. The session was more revealing & obtainable.

The Program ended with Vote of Thanks done by **Ms. R. Thahira Thasneem** of III B.Sc. Maths.

Event Report: Placement Cell Activity and Special Lecture

Event Title: Communication and Its Barrier

Date: 11th January, 2024

Time: 3:00 p.m.

Venue: Biotech Gallery, Jamal Mohamed College

Guest Speaker:

- **Resource Person:** Mr. Mohamed Fazil, communication trainer, Jamal Mohamed College

Event Summary:

The P.G & Research Department of Biotechnology at Jamal Mohamed College hosted a placement cell activity along with a special lecture titled "Communication and Its Barrier." The event took place on the 11th of January, 2024, at 3:00 p.m. in the Biotech Gallery.

Welcome Address: The event commenced with a welcome address by the Head of the Department, Dr. J. Sebastin Raj, who emphasized the importance of effective communication skills in both academic and professional settings.

Presidential Address: Dr. S. Ismail Mohideen, Principal of Jamal Mohamed College, presided over the function and shared valuable insights on overcoming communication barriers in various spheres of life.

Special Lecture: Mrs. Ramesh Sunder, the resource person, delivered an engaging and informative lecture on "Communication and Its Barrier." She highlighted the common challenges faced in communication and provided practical strategies to overcome them. Her session was well-received and included interactive segments that allowed participants to engage in discussions and ask questions.

Conclusion: The event concluded with a vote of thanks delivered by one of the student secretaries, expressing gratitude to all the speakers, organizers, and participants for their contributions to making the event a success. The lecture provided the attendees with valuable insights into effective communication, essential for their academic and professional growth.

Attendance: The event saw enthusiastic participation from students and faculty members from various departments, reflecting the keen interest in enhancing communication skills.

Acknowledgments:

The department extends its heartfelt thanks to the management, faculty, students, and the guest speaker for their support and active participation in the event. Special appreciation goes to the organizing committee for their dedicated efforts in ensuring the event's success.

REPORT OF THE PROGRAMME

The PG and Research Department of Biotechnology organized its Placement activity of Biotechnology Programme on 19/7/2023 at 3.00 p.m. The programme began with the Qirat.

Dr. J. Sebastin Raj, Head of the Department of Biotechnology, welcomed the gathering and introduced the chief guest, Mrs. Ramesh Sunder, Senior Admissions Counselor Manya education- The Princeton Review, Tiruchirappalli, who delivered a special lecture on "Awareness of overseas education".

He explained in a clear and eloquent manner, about the various availability and awareness in higher education and job seekers in abroad countries. He also motivated the students to gain a wide exposure in scientific advancements for job seekers. The student gave their feedback and gain knowledge about the higher education in abroad countries and also job searching in overseas. Nearly 54 students participated in the programme and were benefitted. The vote of thanks was proposed by Dr. S. Deborah, Placement Cell Member, Jamal Mohamed College, Trichy. The whole activity moved up in an advantageous system.

Report

A Special Lecture programme on “Application of Organic Synthesis in 21st Century” was organized by Chemistry Association on 12.01.2024 in the Physics Seminar Hall, Jamal Mohamed College (Autonomous), Tiruchirappalli.

Dr. R. RAMESH RASAPPAN, Associate Professor, IISER, Thiruvananthapuram Kerala delivered the special address on the topic. The crux of his talk was centered on the synthesis and uses of organic compounds in the 21st century.

He also shared some of the organic compounds in single and multistep. At the end of the programme, there was a Question and Answer session in which he addressed the queries of the staff and students.

Earlier **Dr.M.Seeni Mubarak**, Head and Associate Professor of chemistry welcomed the gathering and delivered the presidential address. **Dr.A.JafarAhamed**, Associate Professor of Chemistry introduced the Resource Person.

Finally, **Dr.S.MohamedRabeek**, proposed the vote of thanks. Around 100 students from PG classes participated in the special lecture program.

We cordially invite you to the Special Lecture Programme
on 12th January 2024 at 10.30 a.m. in Physics Seminar Hall
in the august presence of the honourable management
committee

HAJEE. M.J. JAMAL MOHAMED BILAL
President

Dr. A.K. KHAJA NAZEEMUDEEN, D.Litt., (USA)
Secretary & Correspondent

HAJEE. M.J. JAMAL MOHAMED
Treasurer

Dr. K. ABDUS SAMAD
Assistant Secretary

Dr. K. N. ABDUL KADER NIHAL
Member & Honorary Director

Dr.S. ISMAIL MOHIDEEN
Principal
Will preside

Resource Person
Dr. R. RAMESH RASAPPAN
Associate Professor
IISER, Thiruvananthapuram Kerala

Delivers a Special lecture
on
"Application of Organic Synthesis in 21st Century"

Will deliver the inaugural address:

Dr.M. SEENI MUBARAK
HOD of Chemistry

Will welcome the gathering

Date: 12th January 2024 Time: 10.30 a.m.
Venue: Physics Seminar Hall

Criterion V Student Support and Progression

5.1. Student Support

5.1.3. Following Capacity development and skills enhancement activities are organised for improving students capability

1. Soft skills, 2. Language and communication skills. 3. Life skills. 4. Awareness of trends in technology

Name of the Department : CHEMISTRY
Type of the Programme : Special Lecture Programme
Title of the Programme : Electrochemical Performance of Porous Gold Electrodes
In Presence of Biodouling Solutions

Venue: Physics Seminar Hall

Date: 23.01.2024

Report:

A Special Lecture programme on “Electrochemical Performance of Porous Gold Electrodes in Presence of Biodouling Solutions” was conducted on the 23rd January 2024, at 11.30 am in Physics Seminar Hall.

Dr. A. Asrar Ahamed, Assistant Professor of chemistry recited Qirath. Dr. A. Jafar Ahamed, Associate Professor of chemistry welcomed and presided over the function. Dr. S. K. Periyasamy, Assistant Professor of Chemistry introduced the chief guest. Dr. Logudurai Radhakrishnan, Assistant Professor of Chemistry, SRM Institute of Science and Technology (Deemed to be a University), Tiruchirappalli, who delivered a special lecture on the topic. He explained the concept of electrochemistry and emphasized the importance of gold electrodes as well as the Biodouling Solutions. The PG students greatly benefited from this lecture. Mr. M. Mohamed Ismail a student of I M.Sc., chemistry proposed the vote of thanks.

Inauguration of Association of Computer Applications – Report

Recent Trends in Network Security

The Department of Computer Applications at Jamal Mohamed College organized the inauguration of its association activities on 15th July 2023. The event began with a recitation of the Quran by Mr. L. Imamdheen, Assistant Professor and Vice-President of the Computer Applications Association.

Following the invocation, the welcome address was delivered by Mr. M. Kamal, Assistant Professor and Member In-Charge of the department, who warmly welcomed the gathering and introduced the guests of honor.

The presidential address was given by Dr. S. Ismail Mohideen, Principal of Jamal Mohamed College. He emphasized the importance of staying updated with the latest trends in technology and encouraged students to actively participate in the association's activities to enhance their knowledge and skills.

The inauguration was marked by a special lecture on "Recent Trends in Network Security" delivered by the resource person, Mr. Harith Al Amri, M.Sc. (IT), Associate Consultant at HCL Technologies, Chennai. His insightful talk covered the latest developments in network security, highlighting the growing challenges and the need for robust security measures in the digital age. His lecture was both informative and engaging, providing students with a comprehensive understanding of the current landscape in network security.

The event concluded with a vote of thanks by Mr. V. Sowntharraj, a student of II MCA and the Secretary of the Computer Applications Association. He expressed gratitude to the dignitaries, faculty members, and students for their participation and support in making the event a success.

The inauguration of the association activities was a resounding success, setting a positive tone for the academic year ahead.

Association Activity of Computer Applications – Report

The two-day workshop on Computer Networking Basics

The Department of Computer Applications at Jamal Mohamed College successfully organized a two-day workshop on “Computer Networking Basics” on 3rd and 4th August 2023. The workshop was conducted by Mr. Mohamed Hasik, Assistant Manager, Network & Security SME, Bangalore, who brought his extensive experience and expertise to the event.

The workshop began with a recitation of the Quran by Mr. M. Kamal, Assistant Professor and Member In-Charge of the department, which set a solemn and focused tone for the sessions to follow.

Following the invocation, the welcome address was delivered by Mr. L. Imamdheen, Assistant Professor and Vice President of the Computer Applications Association. In his address, Mr. Imamdheen warmly welcomed the participants and highlighted the importance of understanding the fundamentals of computer networking in today's technology-driven world. He also introduced the resource person, Mr. Mohamed Hasik, and thanked him for taking the time to share his knowledge with the students.

Over the course of the two days, Mr. Mohamed Hasik covered a wide range of topics related to computer networking. The workshop included sessions on the basics of networking, different types of networks, network topologies, IP addressing, subnetting, and an overview of network security measures. The workshop was highly interactive, with participants engaging in hands-on exercises and practical demonstrations, which helped to reinforce the concepts discussed.

The event concluded with a vote of thanks by Mr. L. Imamdheen. He expressed his gratitude to Mr. Mohamed Hasik for his insightful sessions and thanked the participants for their active involvement. He also acknowledged the efforts of the organizing team and the support of the faculty members in making the workshop a success.

Association Activity of Computer Applications – Report

Association Activity - Data Engineering

The Department of Computer Applications at Jamal Mohamed College organized a special lecture on “Data Engineering” on the 7th and 8th of September 2023. The lecture was delivered by Mr. M. Mohamed Navas, Associate Data Engineer at Kanani Software Solutions, Coimbatore, who shared his expertise and insights on the growing field of data engineering.

The event commenced with a recitation of the Quran by Mr. B. Mohamed Asif, which provided a serene and reflective start to the proceedings.

Following the recitation, Dr. G. Ravi, Coordinator of the Computer Applications, delivered the welcome address and introduced the chief guest. He warmly greeted the participants and highlighted the relevance of data engineering in the current technological landscape. He also introduced the guest speaker, Mr. M. Mohamed Navas, and expressed the department's gratitude for his willingness to share his knowledge with the students.

During the two-day lecture, Mr. Mohamed Navas covered a comprehensive range of topics related to data engineering. His sessions included an introduction to data engineering concepts, data warehousing, ETL (Extract, Transform, Load) processes, data pipelines, and the role of data engineers in managing and processing large-scale datasets. The lecture also touched upon the tools and technologies used in the field, providing students with practical insights into the industry's best practices.

The special lecture concluded with a vote of thanks by Mr. M. Kamal, Assistant Professor and Member In-Charge of the department. He expressed his appreciation to Mr. Mohamed Navas for his informative and engaging sessions and thanked all participants for their active involvement. Mr. Kamal also acknowledged the efforts of the organizing team and the faculty members for their support in making the event a success.

Association of Computer Applications – Report

Start-Up opportunities in IT Sector

The Department of Computer Applications at Jamal Mohamed College organized a special lecture on “Start-Up Opportunities in the IT Sector” on 8th February 2024. The lecture was delivered by Mr. Mohamed Haris Bin Ali, who provided valuable insights into the dynamic world of start-ups within the IT industry.

The event commenced with a recitation of the Quran by Mr. B. Mohamed Asif, which set a reverent and focused atmosphere for the lecture.

Following the recitation, Mr. L. Imamdheen, Assistant Professor and Vice President of the Computer Applications Association, delivered the welcome address. He extended a warm welcome to the participants and introduced the guest speaker, Mr. Mohamed Haris Bin Ali. Mr. Imamdheen highlighted the importance of understanding the opportunities and challenges in the IT sector, especially for those interested in entrepreneurship.

During his lecture, Mr. Mohamed Haris Bin Ali discussed the various opportunities available for start-ups in the IT sector. He covered topics such as the current trends in the IT industry, the steps involved in launching a start-up, funding options, and the critical skills needed for success in the highly competitive IT landscape. His talk was both inspiring and informative, providing students with a practical understanding of how to navigate the start-up ecosystem.

The event concluded with a vote of thanks by Mr. M. Kamal, Assistant Professor and Member In-Charge of the department. He expressed his gratitude to Mr. Mohamed Haris Bin Ali for his enlightening lecture and thanked all attendees for their participation. Mr. Kamal also acknowledged the efforts of the organizing team and faculty members in ensuring the smooth conduct of the event.

REPORT OF THE PROGRAMME

The Department of Computer Applications, Computer Science & Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a one-day workshop on **“Developing an IOT Mobile Application”** on 28th July 2023 in the Computer Science Lab by the resource person, **Mr. K. M. Muhammed Ilyas**, CEO, IT Expert Training, Chennai. **Ms. S. Fathima Mafaza** of III BCA F, recited Qirath. **Mrs. K. Sultana**, Associate Professor, MID, Computer Applications, welcomed the gathering and introduced the resource person.

The resource person elucidated the concepts in an interesting way. He highlighted the importance of Internet of Things as by means of low-cost computing, the cloud with minimal human intervention.

He trained the students in a practical way on how to develop more applications on their own. The students had a Hands-on-training on MIT App Inventor, and were benefitted with those concepts.

Finally, the vote of thanks was delivered by **Mrs. J. Fathima Fouzla**, Assistant Professor, MID, Computer Science & IT.

REPORT OF THE PROGRAMME

Association and Placement Cell of Department of Computer Applications of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a competition "MySelf" on 31st July 2023. Introducing oneself to the World is an art. The exposure of this kind boosts the confidence of students and helps them to be more social. A confident mind leads one to great success even when the tides are against them. Students were excited and felt more confident when they introduced themselves to the judges. There are many among the students, who suffer from confidence issues such as fear of public speaking. Such kind of competitions help the students to overcome such issues. Association and Placement Cell together endeavour to build a confident new generation of India.

REPORT OF THE PROGRAMME

The Associations of Computer Applications, Computer Science & Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a one-day workshop on “**Python Programming**” on 07th August 2023 in the IT – Seminar Hall by the resource person, **S. Noorlya Begam, Research Scholar, Alagappa University, Karaikudi.**

Miss. S. Fathima Mafaza, of III BCA F recited Qirath. **Mrs. K. Sultana**, Associate Professor, MID, Computer Applications, welcomed the gathering and introduced the resource person.

Dr. G. Ravi, Associate Professor, Coordinator of Computer Applications, Computer Science and Information Technology, felicitated the gathering.

The resource person elucidated the concepts in an interesting way. She highlighted the importance of programming practically and taught the students the importance of programming in Python in their career.

She trained the students practically how to use dataset in Python. The students had a hands-on-training, and were benefitted with those concepts.

Finally, the vote of thanks was proposed by **Mrs. J. Fathima Fouzia**, Assistant Professor, MID, Computer Science and Information Technology.

OUTCOMES

Students learned the concepts of Python programming right from the fundamentals.

Students also learned the purpose of Python programming in machine learning, artificial intelligence, data analysis and other technical dimensions. The hands-on-practical training in the lab had helped the students to equip themselves with newer concepts.

REPORT OF THE PROGRAMME

The Associations of Computer Applications, Computer Science & Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a special lecture programme on “**Career Opportunities**” on 01st September 2023 in the IT – Seminar Hall by the resource person, **Mr. S. Sivakumar, CEO, Trichy Plus, Trichy.**

Ms. A. Ayisha Bee, of II M.Sc CS B recited Qirath. **Ms. K. Priyadharshini, of II M.Sc CS B,** welcomed the gathering and introduced the resource person.

Dr. D. I. George Amalarethinam, Vice Principal of Jamal Mohamed College, delivered the Presidential address.

The resource person started the session by speaking about career, the importance of planning one's career and how to develop their career. He shared some interesting anecdotes about how normal students planned their career and how they reached great heights by proper career development.

He shared some pointers to help students in coming up with personal career goals and enlightened students on various career opportunities and how to discover their strengths. He concluded his session by saying that Career development is a gradual process. It takes time, effort, perseverance, and planning. The concept of career development begins with self-development, the final choice is YOURS.

Finally, the vote of thanks was delivered by Ms. S. Salbul Fahema, of II MCA B.

REPORT

The Computer Applications Association (SF-Women) organized a seminar on the “Applications of Operations Research”. The seminar was delivered by Dr. M. Mohamed Althaf, Assistant Professor, PG and Research Department of Mathematics, Jamal Mohamed College (Autonomous), Tiruchirappalli.

The seminar was attended by the students of I BCA F.

The MID, Department of Computer Applications (SF-Women), Mrs. K. Sultana and the Vice President, Computer Applications Association(SF-Women) , Ms. Khairunnisa graced the occasion.

OUTCOMES

The students actively participated in the seminar on “Applications of Operations Research”. They were immensely benefited by the inputs given by Dr. M. Mohamed Althaf, Assistant Professor, PG and Research Department of Mathematics, Jamal Mohamed College (Autonomous), Tiruchirappalli. The resource person had explained the concepts of Operation Research and its applications in a simple and lucid manner making it very easy for the students to understand.

REPORT

An International Seminar on Opportunities and Challenges in Java Programming was organized by the Computer Applications Association (SF-Women) on 05-01-2024.

The proceedings were begun with Qirath by Ms. H. J. Shahanaz Fathima of I BCA H. Ms. S. Jumana Hasin of III BCA F delivered the welcome address.

Ms. M. Shaheen Fathima, MCA, (Gold – Medalist), a proud Alumna of the Department of Computer Applications, Jamal Mohamed College (Autonomous), working as Java Developer at Amerni Technologies, Dubai delivered an International Seminar on Opportunities and Challenges in Java Programming.

She spoke on length about the various tools that would help the students to improve their productivity at the work place. She also elaborated the significance of LinkedIn and GitHub platforms for advancement in career. She shared valuable tips on resume building for freshers. She also enlightened the students about various platforms that provide online courses.

She then gave a glimpse of the actual work that she was entrusted at Amerni Technologies, Dubai.

She also encouraged the students to overcome any hurdles they might face with grit and determination to succeed at their respective careers.

Chief Guest address

REPORT OF THE PROGRAMME

The farewell function was arranged for the final year students by the I and II UG students. Many cultural activities were conducted. All the students and staffs had immensely enjoyed the events.

Also, a special lecture program was conducted on the topic " மாற்றத்திற்கு தயாராக இருங்கள்". Dr. A. RAJALAKSHMI, Assistant Professor, Department of Tamil, National College (Autonomous), Tiruchirappalli, had kindly consented to deliver the special lecture. She provided various insights laced with humour.

Students also interacted with the resource person and answered her queries enthusiastically.

Prizes were distributed for various events conducted throughout the year.

REPORT OF THE PROGRAMME

The Associations of Computer Science and Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a special lecture programme on “ **Convert Your Creative Ideas into Wonderful Prototypes** ” on 16th August 2023 in the IT – Seminar Hall by the resource person, **M. Ellakkiya**, Assistant Professor, IIC – Innovation Ambassador, Department of Computer Applications, Cauvery College for Women (Autonomous), Tiruchirappalli.

H. Thasrifa, of II B.Sc IT B recited Qirath. **S. Yoga Lakshmi**, of III B.Sc CS D welcomed the gathering. The resource person was introduced by **A. Ayisha Bee**, of II M.Sc CS B. **Mrs. J. Fathima Fouzia**, Assistant Professor, MID – CS & IT, felicitated the gathering and honoured the chief guest. **Dr. G. Ravi**, Associate Professor, Coordinator – CA, CS & IT, felicitated the gathering and honoured the chief guest.

The resource person engaged the students by highlighting how to transform creative ideas into wonderful prototypes. Various examples showcased the importance of prototyping in various fields. The interactive session emphasized iterative learning, inspiring students to convert their own ideas, with different techniques and tools.

Around 100 students attended the programme and were benefitted with the concepts that were being thought by the resource person. Finally, the vote of thanks was delivered by **R. Nafila**, of II M.Sc CS B.

Outcome :

1. Students learned the various techniques of converting ideas into prototypes.
2. Students found the different obstacles of framing prototypes and ways to get rid of them.

REPORT OF THE PROGRAMME

The Associations of Computer Applications, Computer Science & Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a special lecture programme on **“Innovative Idea Generation in Patent Filing”** on 04th September 2023 in the IT – Seminar Hall by the resource person, **Dr. G. Arockia Sahaya Sheela**, Assistant Professor & Head, Department of Data Science, Holy Cross College (Autonomous), Trichy.

Ms. K. Sharifa Sulthana, of I MCA B recited Qirath. **Ms. S. Salbul Fahema**, of II MCA B, welcomed the gathering and introduced the resource person.

Dr. D. I. George Amalarethnam, Vice Principal of Jamal Mohamed College, delivered the Presidential address.

The resource person started the session by speaking about valuable information and insights into the patent process. She explained elaborately the step – by – step process of filing patents.

She inspired participants through her innovative ideas and successful patenting stories. She made students to understand the patent strategies and legal updates in easy way. Around 100 students attended the programme and were benefitted with the concepts that were being taught by the resource person. Finally, the vote of thanks was delivered by **Ms. R.Nafila**, of II M.Sc CS B.

OUTCOME:

1.Students came to know the overview of the patent application process, including the various types of patents (e.g., utility, design, plant), the requirements for patentability, and the steps involved in filing a patent application.

2. The key outcome is students also gained knowledge about how to protect intellectual property rights and how to safeguard their inventions and ideas.

REPORT OF THE PROGRAMME

The Associations of Computer Science & Information Technology of Jamal Mohamed College (Autonomous), Tiruchirappalli, conducted a one-day workshop on “**Problem Solving Using Python**” on 27th December 2023 in the IT –Lab III by the resource person, **Dr. J. Sai Geetha M.C.A., M.Phil., Ph.D., SET, NET.,** Associate Professor, Departmentt of Information Technology, Bishop Heber College (Autonomous), Trichy-17.

Ms. A. Ayisha Bee of II M.Sc. CS “B” recited Qirath. **Ms. A. Jaya Priya** of I M.Sc. CS “welcomed the gathering and **Ms. K. Priyadharshini** of II M.Sc. CS “B” introduced the resource person.

The aim of the workshop is to introduce Python as a tool for problem-solving, enhance participants' problem-solving skills using Python. The resource person elucidated the concepts in an interesting way. She provided hands-on coding through practical exercises and examples.

Several real-world examples were presented to illustrate how Python can be used to solve complex problems across different domains.

Around 60 students attended the programme and were benefitted with the concepts that were being taught by the resource person.

Finally, the vote of thanks was delivered by **Ms.S. Hansa Thasleem** of I M.Sc. CS “B”.

Date: 13.10.2023

The Department of Zoology organized a Special Lecture Programme on the 13th of October, 2023, Dr. I. Joseph A. Jerald, Associate Professor & Head of the Department of Zoology welcomed the gathering and introduced the chief guest Dr. Muthukrishnan Jayarama, OAKVILLE, ONTARIO, offered valuable insights focusing on advanced methodologies in the field of phytochemical extraction and their application in managing insect vectors and pests. The programme aimed to expose students and faculty to cutting-edge research in natural pest control methods, emphasizing eco-friendly and sustainable approaches. The speaker shared insights into various techniques, such as solvent extraction, chromatography, and bioassay-guided isolation, highlighting their importance in deriving active compounds for pest control.

Criterion V Student Support and Progression

5.1. Student Support

5.1.3. Following Capacity development and skills enhancement activities are organised for improving students capability

1. Soft skills, 2. Language and communication skills. 3. Life skills. 4. Awareness of trends in technology

Programme outcome:

- Participants gained a comprehensive understanding of the scientific processes behind extracting phytochemicals and their practical applications in managing insect vectors.
- The lecture provided information about eco-friendly pest management solutions, encouraging students to consider these sustainable methods in their research.
- The session motivated students and researchers to explore phytochemicals as viable alternatives to synthetic chemicals, which aligns with global efforts to reduce environmental impact and promote biodiversity.

REPORT OF THE DISCIPLINE SPECIFIC ENTREPRENEURIAL SKILL DEVELOPMENT PROGRAMME

Name of the Department: ZOOLOGY

Type of the Programme: Special Lecture Programme

Title of the Programme: "ENTREPRENEURIAL OPPORTUNITIES FOR ZOOLOGY GRADUATES"

Venue: Zoology Seminar Hall

Date: 15.02.2024

The Zoology Association Organized a Discipline Specific Entrepreneurial Skill Development Programme in association with Entrepreneurship Development Cell and Institution's Innovation Council on 15th February 2024. Dr. I. Joseph A. Jerald, Associate Professor & Head of the Department of Zoology welcomed the gathering and introduced the chief guest. He Spokes on "Entrepreneurial opportunities for Zoology Graduates" He enlightened the students to explore the diverse and innovative career paths available to individuals with a background in zoology, highlighting how zoology graduates can influence their knowledge and skills to create and sustain entrepreneurial ventures.

Outcome of the Report

Zoology (SF - Women) Association 2023-2024 Special Lecture

- The objective of the event was to provide students of the Zoology department with an opportunity to learn from an expert in the field and gain insights on the topic "The Development of Human".
- The special lecture was delivered by Dr. V. Anandhi, Associate Professor and HOD, Department of Anatomy, K.A.P.V Medical College, Trichy.
- Over 100 students from the Zoology, Bio-tech, and Micro Biology departments attended the lecture.
- The event began with a prayer and the singing of the Tamil Thai Valthu, followed by a welcome address by Dr. I Joseph Antony Jerald, Head of the Zoology department.
- Additional Vice Principal, Ms. A Famitha Banu, and Dr. P. Dhanalakshmi, Vice-President of the Zoology Association, also addressed the gathering.
- Students gained valuable insights into the development of human anatomy and its significance in the field of zoology. The lecture sparked interest and curiosity among students, encouraging them to explore the subject further. The event provided a platform for students to interact with an expert in the field and clarify their doubts. The lecture was well-received by students, with positive feedback on the content and delivery.
- The special lecture was a resounding success, achieving its objective of providing students with a unique learning experience. The Zoology (SF - Women) Association expresses its gratitude to Dr. V. Anandhi for her inspiring lecture and to the management for their support. Organize similar events in the future to provide students with opportunities to learn from experts in the field. Explore possibilities for collaborative research projects between the Zoology department and K.A.P.V Medical College

Report

The PG and Research Department of Botany organized a special lecture programme under the Botany Association on the occasion of Fresher's Day. The programme was held on 03.08.2024 at the Physics seminar hall of our college. Dr. H. Syed Jahangir, Associate Professor and Head, of the Department of Botany, welcome the gathering. Mr. S. Mohamed Jameel, III B.Sc., Botany introduced the resource person Dr. Bakrudeen Ali Ahmed, Professor, Department of Biotechnology and Biochemistry and Biomedical Sciences, PRIST Deemed University, Thanjavur, Tamil Nadu. The resource person delivered a lecture on “Biotic and abiotic stress, roles in drugs production through in vitro (Plant Tissue Culture) approaches in plants”. He explained the role of plant tissue culture technology in the application of drug production for students. At the end of the programme, students actively interacted with resource person. In total, 99 students and 11 faculty members attended this programme. Finally, Mr. P. Divakar, II M.Sc., Botany proposed a vote of thanks.

Programmes Outcomes

At the end of the programme, students were able to

- Describe the importance of plant tissue culture techniques.
- Classify the biotic and abiotic components to enhance the secondary metabolites in vitro.

Report

The PG and Research Department of Botany organized Botany association valediction come special lecture programme on **08.03.2024** in the Botany Seminar Hall. Dr. H. Syed Jahangir, Associate Professor and Head, Department of Botany, welcomed the gathering. Mr. S. Mohamed Hassan, I M.Sc., Botany, introduced the resource person Dr. D. Dhanasekaran, Professor, Department of Microbiology, Bharathidasan University, Tiruchirappalli. The resource person delivered a lecture on "**Actinorhizal Nodule Microbiome**". He explained the isolation, morphology and molecular identification of microbiome present in actinorhizal nodules of plants. Further, he explained the mutualistic relationships between the microbiome and plants. In a total, 69 students and 11 faculty members were attended in this programme. Finally, Mr. Azeez Zullah, II M.Sc., Botany proposed a vote of thanks.

Report

The PG and Research Department of Botany organized a special lecture program under the banner of Botany Association on 20.12.2023 in the Botany Seminar Hall. Mr N. Ajmal Roshan (II M.Sc., Botany) welcomed the gathering. Mr. C.P. Divakar (II M.Sc., Botany) introduced the resource person **Dr. ALBERT PREMKUMAR**, Visiting Guest Researcher, Department of Biotechnology, Instituto De Recursos Naturalesy Agrobiologia (IRNAS), Spanish National Research Council (CSIC), Spain. The resource person Dr. ALBERT PREMKUMAR delivered a special lecture on the "SMART BIOLOGY & SMART CAREER". He explained about the emerging smart instruments and their importance in biological research and scope for research in higher studies. At the end of the session, participants actively interacted with resource person and raised questions regarding the recent advancement in research, career opportunities for botany students abroad. A total number of 53 students and 10 faculty members attended this program. Finally, Mr. S. Mohamed Jamil (III B.Sc., Botany) proposed a formal vote of thanks. He also expressed sincere gratitude to College Management Committee and the Principal for granting permission and encouraging students to conduct this programme in successful manner.

Programme outcomes

At the end of the programme,

1. The students gained knowledge on Smart Biology & Smart Career by exposing themselves to various smart kits, smart gadgets and recent advances in the field of biology revealed in the lecture.
2. The students and faculty members got awareness about the qualities of a student required to evolve from Student, Scholar to Scientist. They got exposure to opportunities such as fellowships for pursuing M.S., and Ph.D courses in advanced biology topics by availing various scholarships provided by universities and colleges in European countries.

"CAMPUS TO CORPORATE"

Date: 13th December 2023

Time: 3.00 pm

Venue: Placement Cell & Training Centre

RESOURCE PERSON: C. MOHAMED FAZIL, Communication Trainer, JMC, Trichy.

PROGRAMME REPORT

The Commerce Association and the Placement Cell of PG & Research Department of Commerce (SF- Women) of Jamal Mohamed College (Autonomous) Tiruchirappalli, jointly organized a 'Special Lecture Programme' on the title "CAMPUS TO CORPORATE" on 13-12-2023, Wednesday, 3.00 p.m. at Placement Cell Training Centre, for Final year UG students by inviting Mr. C. MOHAMED FAZIL, Communication Trainer of Jamal Mohamed College as a Resource Person. In this session the Resource person enlightened the students by throwing light on the various Job opportunities available to the students in Commerce Domain after completing their graduation. Further, he conducted an interactive mock interview session by encouraging the students to render their active participation.

DR. E. MUBARAK ALI, Head PG & Research Department of Commerce (SF) along with the Department Placement Officers, Dr. A. SOPHIA ALPHONSE and B. ASMA BANU inaugurated the event and introduced the Resource Person. Students found this special lecture programme as a useful one which was provided to them at the right time. Students also interacted with the speaker by posing many queries. Over 50 students from final year B. Com actively participated in the session and got benefited out of it. All the students were captivated and enlightened by this special lecture programme. And the programme ended with a Vote of thanks proposed by Dr.S. MARIS SHINIA CLARISSIA, Vice-President of Commerce Association.

OUTCOME:

Students felt that the session was more Informative and interactive and many students provided their feedback at the end of the guest lecture. Students actively participated in the session by taking this opportunity as an initial step to shape their future career graph. This special lecture programme thereby aimed at provoking the hidden Intellectual skills among the students and motivated them towards reaching their goals effectively.

GOODS AND SERVICE TAX (GST)

Need of the program

Introduction of GST would be a very significant step in the field of indirect tax reforms in India. By amalgamating a large number of Central and State taxes into a single tax and allowing set-off of prior-stage taxes, it would mitigate the ill effects of cascading and pave the way for a common national market. Some of them gave positive responds and some others gave negative feedbacks as the implementation has resulted in higher prices for goods and services and thus this tax may cause burden to people. It is an issue if people are still unaware or confuse with the tax system of GST and become worst when people ignore and boycott not to pay the tax. GST is a popular issue that is being discussed by people day to day, it is necessary to know whether the students are aware of the government's plan and do they have knowledge on this issue. It is concluded that providing adequate and relevant fundamental information is necessary to make them better understand the general principle of GST by organizing seminar, talk, training, course and forum in order to increase awareness and knowledge and also conform to regulation.

Therefore, based on the discussion of faculties in the departmental meeting and students' request from the classroom a guest lecture program on "GST" is planned in order to enhance the knowledge on Goods and Service Tax (GST).

Janab N.M.Khajamian Rowther-Industry Institute Partnership Centre(IIPC) Jamal Institute of Management, Jamal Mohamed College (Autonomous) organized CEO TALK AND INSTALLATION OF IIPC on 24 July,2023. Special Lecture begins with prayer by Ms. Hafsa Azeem, I MBA 'C', Welcome address and introduction of Chief Guest done by **Dr. K. Siva Kumar**, Professor and Director, Jamal Institute of Management. Presidential Address by **Dr. K. Abdus Samad**, Assistant secretary Jamal Mohamed College. **Dr. A.S. Thoufiq Nishath**, Associate professor and in-charge of IIPC, had introduced IIPC Office Bearers of the year 2023. The Guest speakers are **Mr. Ln. Er. Zahir Hussain / CEO-operation Emperor Engineering Works, Gundur, Trichy**. He is experienced Chief Executive Operation with a demonstrated history of working in the Boiler Industry for more than 26 years. He is skilled in Business Planning, Procurement, Execution and Entrepreneurship and Business Development . He is also Serving to various OEM / Corporates in India like, BHEL, Thermax, Thyssenkrupp, Isgec, NTPC, and Power Plant across PAN India. He is more attached to Social Service organization Lion's Club of International. Later he has joined Lion's club in 2008 and served various post and now he is appointed as a Zone Chairman.

He shared his valuable insights with us. The resource person shared his life journey, which was filled with **challenges, growth, and success**. He emphasized the importance of being on time, attributing this habit to his achievements. He advised students to **"aim high, is better than no achievements"**. During the session, the resource person also stressed the significance of team building, he encouraging the use of the word **"We" instead of "I"** to foster a collaborative and cohesive work environment.

INVESTOR AWARENESS PROGRAM

Need of the program

Empowering small retail investors through education and awareness to enable them to take informed investment decisions is of paramount importance. The investor should learn the concepts of finance, obtains and uses the information required for investing, evaluates various investment options to suit his specific goals, ascertains rights and obligations in a particular investment, deals through registered intermediaries, takes necessary precautions, and seeks help in case of any grievance, etc. In order to create awareness about the financial and securities market and to empower them to be smart investors, Investor awareness programs are conducted across the length and breadth of the country.

As per the request get from finance specialization students and which closely matches the approach of NSDL authorities to conduct an online certification course on investor awareness, the Centre for Excellence in Accounting and Finance of Jamal Institute of Management in association with NSDL, Poornatha, and MADE (USA) planned and organize the program titled "MARKET KA EKLAVYA".

CEO Talk on
"Embracing the Power of Latest Technologies from Academics to Business"
held on 17th August 2023

NEED ANALYSIS REPORT

The world of work is rapidly evolving, with technological advancements transforming the way we live and work. To stay competitive, businesses and individuals must embrace technology and reskill to adapt to the changing landscape.

The proliferation of technology has drastically transformed the way we work. Automation, artificial intelligence, and robotics have streamlined many tasks and increased productivity. To achieve professional growth, Individuals must also embrace technology and develop digital skills to remain competitive. Those Individuals who can leverage technology to their advantage will have a significant advantage in the job market. This includes being proficient in basic digital tools such as email and social media, as well as more advanced tools such as data analysis and programming. As technology continues to reshape the workplace, reskilling is becoming increasingly important. This means learning new skills to adapt to the changing landscape and remain competitive.

In this context, Centre for Information Management, Jamal Institute of Management is organizing CEO Talk on "Embracing the power of Latest Technologies from Academics to Business" for MBA students to explore the future of work and how embracing technology and reskilling can lead to success.

On 17/08/2023, a guest lecture was conducted at Seminar Hall by a distinguished chief guest, who is a prominent figure known for their remarkable success in the field of entrepreneurship. The lecture focused on various aspects of achieving success, effective communication, entrepreneurship strategies, and the significance of Artificial Intelligence (AI) in today's business landscape. The chief guest commenced the lecture by sharing their inspiring success story. Their journey from humble beginnings to becoming a successful entrepreneur served as a motivating backdrop for the discussion that followed. He discusses about One of the key topics addressed during the lecture was the concept of "Distribution of Confidence." The chief guest emphasized that the most powerful tool for achieving this is effective communication. They highlighted how effective communication can empower individuals to distribute confidence, enabling them to excel in various aspects of their personal and professional lives. The lecture delved into the realm of entrepreneurship and the importance of support systems. The chief guest emphasized the role of support in finance, e-procurement, website development, and social media. These areas were identified as essential for providing entrepreneurs with the necessary resources and guidance to thrive in today's competitive business landscape. The chief guest introduced the students to AI-based tools and specifically mentioned the "maya maya.com" tool. This tool was presented as a valuable asset for self-evaluation, assisting individuals in assessing their strengths and areas for improvement, thus contributing to personal and professional growth.

He explained regarding ASANA, an application designed for effective project management and collaboration, was highlighted as a key tool for enhancing business communication. The chief guest emphasized how ASANA can facilitate seamless communication within teams and contribute to more efficient and organized business operations.

The chief guest provided valuable insights into leadership qualities and the concept of "Material Resource Planning" (MRP). This concept was discussed as a strategic approach to managing resources in a way that optimizes efficiency and effectiveness.

He explains two distinct strategies in the business world: the "Blue Ocean Strategy" and the "Red Ocean Strategy." The chief guest elucidated how the former involves creating new market spaces and opportunities, while the latter revolves around price competition and rivalry with competitors.

He advised students to follow the three principles regarding "Improve, Move, Remove". The chief guest encouraged the students to constantly seek improvement, make informed decisions, and eliminate unnecessary obstacles to success. The chief guest emphasized that effective communication leads to informed decision-making, allowing individuals and businesses to take calculated risks and achieve greater returns. Finally, the session was ended with a vote of thanks by **Dr. S. Thilagavathy**, Associate Professor and Member of center for information system (CIM), Jamal Institute of Management.

BOOT CAMP ON BUSINESS MODEL CANVAS
held on 21st August 2023

NEED ANALYSIS REPORT

India is now the hub of the 'Start-up' ecosystem in the world, ranking third with over 90,000 'Start-Ups' and 107 unicorn companies worth \$30 billion after the United States and China. The Central government, under the leadership of our Honourable Prime Minister Shri Narendra Modi, has also begun and promoted the Startup India Initiative to help aspiring entrepreneurs.

Entrepreneurship is critical for economic growth and development because it drives innovation, creates jobs, and boosts competitiveness. Entrepreneurs take risks in order to start and operate new businesses, developing new products or services that meet consumers' needs and desires.

Entrepreneurship has played a significant role in India's economic growth. It has created jobs for millions of people and contributed to the diversification of the economy. It has also created new markets and opportunities for foreign investment.

In this context, Centre for Entrepreneurial Development (CED), Jamal Institute of Management in association with INSTITUTION'S INNOVATION COUNCIL (Ministry of Education Initiative) is organizing "BOOT CAMP ON BUSINESS MODEL CANVAS" for MBA students and students received seed money from our College Management to explore the future of work and how embracing technology and reskilling can lead to success.

The Need of the Guest Lecture Program- 04.10.2023

- 1.The need for understanding the various automation technologies available in the retail sector, including point-of-sale systems, inventory management software, and customer relationship management tools.
- 2.Retail automation generates vast amounts of data. Understanding how to collect, analyze, and interpret this data is crucial for retailers to make data-driven decisions.
- 3.Learning about data analytics tools and techniques is essential for extracting valuable insights, understanding customer behavior, predicting trends, and optimizing offerings in the retail sector.
- 4.Participants should be educated about the potential risks associated with retail automation, including data breaches and cyber-attacks. Understanding best practices for cybersecurity and data protection is essential.

JAMAL INSTITUTE OF MANAGEMENT CENTER FOR RETAIL EXCELLENCE (CRE)

Jamal Institute of Management Center for Retail Excellence Organized a GUEST LECTURE on 04th October 2023.

The Special Lecture begins with a prayer by Mohammed Muzamil 2nd MBA-A', Welcome address and introduction of chief guest was given by **Dr. K.SIVAKUMAR**, Professor and Director JAMAL INSTITUTE OF MANAGEMENT. The gathering was felicitated by **Dr. K. Abdus Samad**, Assistant secretary, Jamal Mohamed College. **Dr. Sabirdeen**, Assistant professor, JAMAL INSTITUTE OF MANAGEMENT, has introduced the Marketing club student's Office bearers for the year 2023.

The Guest of honour was **Mr.Kaja Navas, Regional Manager – (Dse- Mx), Samsung India Electronics Limited**. He is an alumnus of Jamal Institute Of Management. The chief guest spoke on the topic of "**Business Automation in Retail Channel**".

He started with sharing his experience, in emphasizing the importance of being proactive in adapting to new challenges, stating that, "**you have to keep running to survive.**" In the context of human intelligence versus artificial intelligence, he highlighted that some jobs might be replaced by AI, but also provided a solution to stay relevant in the job market. The solution involves developing strategic thinking and analysis skills, improving communication to help people understand complex ideas, building strong networks to connect with others, being resilient under high-pressure situations, solving problems pragmatically, and mastering time management, recognizing that time is the essence of life. He explained the differences between general trade and modern trade, emphasizing the

OUTCOME OF THE PROGRAM

1. Understanding of M&A Concepts:

Students have a clear understanding of what mergers and acquisitions entail. Differentiate between various types of mergers and acquisitions.

2. Motivations and Objectives:

Comprehend the motivations behind companies engaging in mergers and acquisitions. Understand the strategic objectives that drive M&A activities.

3. Stages and Processes:

Grasp the different stages involved in the M&A process, from evaluation to post-merger integration. Understand the significance of due diligence in the pre-merger phase.

4. Legal and Regulatory Awareness:

Aware of legal and regulatory framework surrounding mergers and acquisitions. Understand the role of antitrust laws and regulatory bodies in ensuring fair competition.

5. Valuation Techniques:

Familiarity with common valuation techniques used in M&A, such as financial statement analysis, comparable company analysis, and discounted cash flow analysis.

6. Financing Methods:

Understand the various financing methods employed in M&A transactions, including cash, stock, and debt transactions.

Need of the Program

The Special Lecture on Zero Defects in Manufacturing would provide valuable insights into the role that students can play in maintaining high-quality standards within the manufacturing industry.

Introduction to Zero Defects Concept:

Define and explain the concept of zero defects in manufacturing. Emphasize the importance of producing products without any defects or errors.

Significance of Quality in Manufacturing:

Highlight the critical role that product quality plays in the success of manufacturing companies. Discuss how defects can impact customer satisfaction, brand reputation, and overall business success.

Global Competitiveness:

Discuss how achieving zero defects contributes to the global competitiveness of manufacturing companies. Emphasize that high-quality products are essential for maintaining a competitive edge in the market.

Opportunities for Continuous Improvement:

Encourage students to view manufacturing processes as opportunities for continuous improvement. Discuss how a commitment to zero defects leads to ongoing refinement of processes and procedures.

Integration of Lean Principles:

Introduce Lean principles and their relevance to achieving zero defects. Discuss how minimizing waste, optimizing processes, and fostering a culture of continuous improvement are integral to Lean manufacturing.

Role of Students in Quality Assurance:

Illustrate the specific contributions students can make to ensure quality assurance in manufacturing. This may involve participating in quality control initiatives, conducting inspections, and implementing best practices.

Use of Technology in Quality Control:

Explore how technology, such as sensors, automation, and data analytics, can be leveraged for quality control. Discuss the role of students in adopting and implementing these technological advancements.

Application of Statistical Process Control (SPC):

Introduce students to the principles of Statistical Process Control (SPC) and its role in monitoring and maintaining quality. Encourage students to analyze data and identify trends that may lead to defects.

Shri. V.K. Singh enabled the Students in learning the various outcomes of minimising defects in Manufacturing Industries and had reviewed various opportunities that are available in Operations Management. He also highlighted the essence of Competitions in today's modern world.

Outcome:

- We had reviewed various defects in Manufacturing Sector.
- We had gained more knowledge in Operations Management.
- We had received many insights about major types of Production outlets in an organisation.
- We got more information about various defects in classroom teachings also.

Outcome of the Program

The Special Lecture Talk on "Zero Defects in Manufacturing" have several positive outcomes for the management studies students,

Understanding the Importance of Quality:

students gained a deeper understanding of the critical role that zero defects play in manufacturing. They learn about the significance of delivering high-quality products to meet customer expectations and industry standards.

Awareness of the Cost of Defects:

The lecture emphasized the financial implications of defects in manufacturing, including the costs associated with rework, scrap, customer returns, and potential damage to the company's reputation.

Introduction to Quality Management Systems:

Participants are introduced to quality management systems (QMS) such as Six Sigma or Total Quality Management (TQM). Understanding these systems can help organizations achieve and maintain zero defects in their manufacturing processes.

Application of Lean Principles:

The lecture discussed how Lean principles, such as waste reduction and continuous improvement, contribute to achieving zero defects. Participants may learn about tools like Kaizen and 5S to enhance efficiency and quality.

Focus on Process Improvement:

students gained insights into the need for continuous process improvement to eliminate defects. This could involve identifying root causes of defects, implementing corrective actions, and monitoring processes for sustained quality.

Employee Engagement:

The lecture underscored the importance of involving employees at all levels in the pursuit of zero defects. Engaging workers in quality improvement initiatives can lead to a culture of accountability and shared responsibility for product quality.

Implementation of Statistical Process Control (SPC):

Participants learned about the use of statistical tools and techniques for monitoring and controlling manufacturing processes. SPC helps identify variations early, reducing the likelihood of defects.

Jamal Institute of Management, Jamal Mohamed College (Autonomous) organized CEO Talk on 11th January, 2024. Special Lecture begins with prayer by Mr. K.J. Mohamed Harsath, I MBA, Welcome address done by Dr. G. SIVANESAN, Director, Jamal Institute of Management. Introduction of Chief Guest done by Dr. A. S. Thoufiq Nishath, Associate Professor, Faculty in-charge of IIPC. Special Address by Dr. K. ABDUS SAMAD, Assistant secretary, Jamal Mohamed College. The Guest speaker is Dr. S. SUNDAR, Director, Gnanam School of Business, Thanjavur.

On 11/01/2024, a guest lecture was conducted at Seminar Hall by a distinguished chief guest,

The chief guest started the meeting by stressing the need of introducing one self. He emphasised that fear is a common hurdle that can be overcome during interviews and that preparation and confidence are the keys to overcoming this worry. The chief guest elaborated on the idea that three critical competencies are essential for a successful interview: self-awareness, corporate knowledge, and subject matter expertise.

Outcome of the Program

The outcome of the guest lecture art of facing the interviews have several positive impacts on students, providing them with valuable insights, skills, and motivation

Increased Awareness and Understanding:

Students gained a better understanding of the importance of interviews in their career journey. They become aware of the skills and attributes that employers seek in candidates.

Enhanced Interview Preparation:

The lecture equipped students with practical tips and strategies for effective interview preparation. This could include guidance on researching companies, common interview questions, and proper etiquette.

Confidence Boost:

Learning from an experienced professional can boost students' confidence. Understanding what to expect in an interview and how to present themselves positively can have a significant impact on their self-assurance.

Skill Development:

Students may acquire and hone crucial skills during the lecture, including communication, interpersonal, and problem-solving skills. These are essential for successful interviews and future professional interactions.

Real-World Application:

The lecture emphasized the practical application of academic knowledge in real-world scenarios. Students may gain insights into how their education is relevant to the skills employers seek.

Understanding Company Culture:

The lecture touched upon the importance of understanding company culture during the interview process. Students could learn how to assess whether a company aligns with their values and career aspirations.

Awareness of Soft Skills:

Soft skills, such as emotional intelligence, adaptability, and teamwork, may be highlighted during the lecture. Students may become more conscious of the role these skills play in interview success.

Career Planning and Goal Setting:

The lecture encouraged students to reflect on their career goals and formulate a plan for achieving them. This could involve setting short-term and long-term objectives related to their professional development.

The need analysis of expert talk on (22/01/2024)

CENTER FOR RETAIL EXCELLENCE

Jamal Institute of Management, Jamal Mohamed College (Autonomous) organised a special expert talk by **DR.B. RAMANATHAN**, Founder & Managing Director, ACE International Pte. Ltd, Singapore on (22/01/2024) on the topic of **"Current Business Ecosystem to focus on Trillion Dollar Economy"**.

NEED ANALYSIS FOR THE EXPERT TALK:

GDP Growth: Analyze the current GDP growth rate and trends. Identify sectors that are contributing significantly to this growth and potential areas for improvement.

- **Inflation and Interest Rates:** Assess the impact of inflation and interest rates on businesses. High inflation can erode purchasing power, and interest rates can affect borrowing costs.
- **Trade Policies:** Examine the impact of trade policies on international commerce. Analyze trade agreements, tariffs, and geopolitical factors affecting global supply chains.
- **Resilience and Diversification:** Consider how businesses are adapting their supply chain strategies in response to disruptions like the COVID-19 pandemic.
- **Ecosystem Support:** Assess the support provided to start-ups and entrepreneurs. A thriving start up ecosystem can contribute significantly to economic growth.
- **Innovation Hubs:** Identify key innovation hubs and clusters that foster collaboration and idea exchange.
- **Banking and Finance:** Evaluate the accessibility of financial services. Financial inclusion can empower individuals and small businesses.

Investment Climate: Analyze the investment climate and the availability of capital for businesses.

“Role of Forecasting in Supply Chain Management”

Need for the Program

In response to the increasing complexity and volatility in global markets, there's a pressing need to equip our MBA students with cutting-edge knowledge and skills in supply chain management, particularly in forecasting. This expert talk will address how forecasting plays a crucial role in enhancing supply chain resilience, improving inventory management, and optimizing operational efficiency. By understanding forecasting techniques and their applications, students will be better prepared to predict demand accurately, minimize costs, and make informed decisions. This session aims to bridge the gap between academic concepts and real-world practices, providing students with valuable insights into navigating the challenges of modern supply chains.

“Role of Forecasting in Supply Chain Management”

Outcome of the Program

The expert talk on the role of forecasting in supply chain management, tailored for MBA students, successfully unfolded the intricate layers of forecasting and its pivotal role in enhancing supply chain operations. The session, led by a seasoned expert with extensive experience in supply chain optimization, provided valuable insights into how forecasting acts as the backbone of strategic planning and decision-making in supply chains.

Participants gained a comprehensive understanding of different forecasting models, including qualitative and quantitative methods, and how these models can be effectively applied to predict demand, manage inventory levels, and optimize production planning. The talk highlighted the importance of accurate forecasting in reducing costs, improving service levels, and achieving a competitive edge in the market.

The expert emphasized the integration of advanced technologies such as AI and machine learning in forecasting, showcasing real-world examples of companies that have successfully implemented these technologies to enhance accuracy and efficiency in their supply chain operations.

Feedback from the MBA students indicated a high level of satisfaction, noting an improved comprehension of the strategic value of forecasting in supply chain management and its implications for future careers in the field. The session concluded with an interactive Q&A, fostering an engaging learning environment and encouraging students to apply these insights to real-world challenges.

This expert talk has significantly contributed to the academic and practical understanding of forecasting in supply chain management, equipping future leaders with the knowledge and skills necessary to drive innovation and sustainability in their respective industries.

REPORT OF THE PROGRAMME

The special lecture programme of Microbiology Association and Placement cell of Microbiology was held on 17.08.2023 at 3:30 p.m. in Commerce SF Seminar Hall, Jamal Mohamed College.

The programme was started with Qirath by R.Sumaya banu of I M.Sc., Microbiology. Dr. M. Mohamed Mahroop Raja, Head of the department welcomed the gathering and honoured the Resource person. A.K.Afrin of I M.Sc., Microbiology introduced the chief guest. The special invite B.N. Rahamadhullah, Chief Ecologist, BN Organic Farm Ecological Forest, Farm Crop Management System Excellence & Product Development, Tiruchirappalli-06 delivered the special lecture on "Green Environmental Making". He focused his topic on how to change the waste land to a fertile land, the importance of agriculture in organic farming, the role of animals and birds in soil and crop fertility. He also added his lecture on the conversion of vegetable waste and dead animals as green manure and the production of bio fertilizers. He concluded his lecture with the wide range of jobs opportunities in organic farming which was really useful for the students.

The vote of thanks was proposed by Dr.N. Reehana, Assistant Professor and Placement officer of Microbiology department. Totally 180 Participants were participated from the Microbiology and Zoology department. This program featured with a wide knowledge of sharing the expertise in the field of organic farming.

REPORT OF THE INTERNATIONAL CONFERENCE ON

EMERGING TRENDS IN MICROBIAL TECHNOLOGY

(ICETMT-2024) - 24-01-2024

The International Conference on Emerging Trends in Microbial Technology (ICETMT-2024) was organized by PG and Research Department of Microbiology, Jamal Mohamed College, Tiruchirappalli in association with Microbiologist Society, India on 24-01-2024 from 9.30 am to 6.20 pm in N.M. Khajamin Rowthar Hall (A/C). The Inaugural ceremony was started with Qirath by R. Sumaya Banu of I M.Sc., Microbiology. Dr. M. Mohamed Mahroop Raja, Assistant Professor and Head, Department of Microbiology, welcomed the gathering. Felicitation was given by our honourable Additional Vice Principal Dr. A. Ishaq Ahamed. The theme of the conference was proposed by Mrs. A. Swedha, Assistant Professor, Department of Microbiology. The tycoon of this International conference was Dr. T. Thirumurugan, Associate Professor of Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore inaugurated the programme and delivered the keynote address. Dr. H. Vajiha Banu, Assistant Professor of Microbiology proposed the Vote of thanks for the inaugural session.

The first technical session began with the delegate Dr. C. Ravindra Singh, Chief Scientist, Research and Innovation, Aakash Plantation, L.L.C, Dubai, UAE on the topic **“Role of Microbes in Plant Growth and Plant Medicine”**.

After the Tea break the second session was proceeded by Mr. R. Mohan Ram, Technical officer-“C”, Defence Bio-Engineering and Electro Medical Laboratory, DRDO, Bengaluru delivered the session on the topic **“Bioremediation of Marine Oil Spills using Obligate Marine Hydrocarbon Clastic Bacteria”**. The session was followed by Oral and Poster presentations from interested participants from various Institutions.

Dr. M. Mohamed Imran, Assistant Professor of Microbiology, National College (Autonomous) and Dr. A. Aslam, Associate Professor, Department of Botany acted as judges for the Oral presentation and Dr. K. Mohamed Rafi and Dr. N. Ahamed Sherif, Assistant Professors, Department of Botany, Jamal Mohamed College (Autonomous) acted as judges for the poster presentation. Around 45 members have participated in oral presentation and 48 members have participated in poster presentation.

After Lunch break, the third technical session was done by Dr. B. Ravindran, Assistant Professor, Department of Environmental Energy and Engineering, Kyonggi University, Suwon-si, Gyeonggi-do, 16227, Korea gave a speech on the topic **“Exploring the Potential Bio char Amendment Effect on Microbial and Nutrient Dynamics during Livestock Manure Management”**. The fourth plenary session was undertaken by Dr. M. Vasanthy, Professor, Water and Solid Waste Processing Lab, Department of Environmental Biotechnology, School of Environmental Sciences, Bharathidasan University, Tiruchirappalli on the topic **“Application of Microbes Ensuring Sustainability”**.

About the College

Jamia Muhammadiyah College was founded in 1951, as an affiliated college to the University of Madras and then affiliated to Bharathidasan University, Tiruchirappalli, where it was formed in 1962. Jamia Muhammadiyah College is situated in the central part of Tamil Nadu, Tiruchirappalli city. It is established as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim-minority in particular. The college is administered by the Society of Jamia Muhammadiyah College. It is run as a sprawling land area of 87 acres, as a religious minority institution. Husein M. Jamal, M. M. Saib and Jamsil N. M. Chaganti are the founders of Jamia Muhammadiyah College. The founding fathers of this institution, the college celebrated its Silver Jubilee in 1971, subsequently the Golden Jubilee and Diamond Jubilee in 2001 and 2011 respectively. The College was accredited as Five Star Level by NAAC during 2011 and conferred with Autonomous Status by UGC, New Delhi and Re-accredited by NAAC with A-Grade (C⁺⁺) Cycle in January 2016. The college is also accredited by NAAC with A-Grade (C⁺⁺) Cycle 3.68 out of 4.0. Our College was bestowed with the unique honor of "QIPF" status (Phase I and Phase II) by the University Grants Commission under the various "Colleges with Potential for Excellence" in 2011 and 2018 respectively. We were the "K" Grade awarded by NAAC during the Third cycle of accreditation in 2016. Five Science Departments such as Botany, Chemistry, Mathematics, Physics and Zoology have been short-listed after a meritorious presentation, among many compelling institutions and awarded the Star College Scheme by the Department of Science Technology (DST) in 2020-2021. Over a period of 72 years the college was able to scale greater heights and raise to the present status as a result faculty institution with 28 UG and 26 PG courses, 16 departments of the college are functioning with the status of approved research centers. During 2023, our college was ranked as one of the Top hundred colleges (50th Rank) in NIRF and accredited with A++ Grade by NAAC (C⁺⁺) Cycle) with C⁺⁺ Grade of 4.0.

About the Department

When your postgraduate degree in Microbiology has been offered since 1999 under self financing scheme for men and additional section has been started in the academic year 2008 – 2009 for women. Undergraduate course has been offered since 2010 under the self financing scheme for women. The strength of the department lies in the potential and dedication of the teaching faculty with full bloomed laboratory. The Department has well furnished air conditioned laboratories with computer systems, Advanced Micro Pipette, Microscopy, Two Dimensional Gel Electrophoresis, ELISA Reader, Thermal Cycler and Gel Document system. Our students of Microbiology secured University rank every year. The excellent infrastructure facilities available in the department and the quality of education offered here have been appreciated by researchers and academicians.

Microbiologists Society, India (MSI)

Microbiologists Society (MISB) was established in November 1996. The main aims and objectives of society is to do and perform all activities to popularize microbiology in society. MISB is giving many awards including scientific information among microbiology community, conducting various certificate courses, organizing many virtual lectures of Eminent Microbiologists, organizing many national and international seminar / conferences / workshops in India and abroad. MISB have about 1000 its members and about 12000 student members and 140 student units spread over in India and abroad. MISB are also conducting student and faculty exchange programs among different states and in different countries, as well as giving one-time financial support to selected Ph.D. Students, and selecting one best student from every state/department of India and felicitating this student by certificates and mementos.

About the Conference

Monitors provide a huge reservoir of resources which can be utilized for human benefits. Therefore, the research on microbial technology is important to solve new and emerging challenges on many years with particular references to food and feeding structures, the environment and human health. This study of Conference on Emerging Trends in Microbial Technology was because of beneficial and harmful types of microbes on environment and their role to maintain quality, health, and sustainability of environment and also bring together leading academic scientists, researchers and students to exchange and share their experiences and research as well as practical challenges encountered and solutions adopted in the fields of microbiology. The endeavor of the conference is to have a detailed discussion on the emerging area on the life sciences and bring out the ideas from budding scientists and young talented researchers towards new findings in the field of microbiology.

- Agriculture and Environmental Technology
- Biodiversity and Conservation
- Biotech and Bioenergy
- Drug Design and Delivery
- Marine Microbiology
- Medical Microbiology
- Microbial Nanotechnology
- Microbial Production of Bioactive Compounds
- Molecular Pathogenesis and Diagnosis
- Pharmacological Microbiology
- Plant Pathology
- Plant and Animal Biotechnology

Call for Papers

Abstracts of original and ongoing research in the relevant areas are invited from PG students, Academicians, Research scholars, Scientists and Teaching faculty to explore their ideas in growing scientific field towards new vistas. Abstracts should be in Times New Roman, font size 12 with 1.5 mm line spacing for onlinposter presentation. The posters should be of 90 x 120 cm size. The contents should be legible and clearly printed. The abstracts should be mailed to icms24@gmail.com on or before 17.01.2024. The accepted details will be notified through e-mail. Prizes will be awarded for the best presentations.

Technical Sessions

10.30 a.m. – 11.15 a.m. : Session - I
Dr. C. RAVINDER SINGH
Chief Scientist, Research and Innovation, Aakash Plantations L.L.C., Dubai, UAE.
Title : Role of Microbes in Plant Growth and Plant Medicine

11.15 a.m. – 11.30 a.m. : TEA BREAK

11.30 a.m. – 12.15 p.m. : Session - II
Dr. R. MOHAN RAM
Technical Officer - C, Defense Bio - Engineering and Electro Medical Laboratory - DRDO, Bengaluru
Title : Bioremediation of Marine Oil Spills using Obligate Marine Hydrocarbonoclastic Bacteria

12.15 p.m. – 1.15 p.m. : ORAL PRESENTATION / POSTER PRESENTATION

1.15 p.m. – 2.30 p.m. : LUNCH BREAK

2.30 p.m. – 3.15 p.m. : Session III
Dr. B. RAVINDRAN
Assistant Professor, Department of Environmental Energy & Engg. Kyunggi University, Suwon – si, Gyeonggi – do, 16227 Korea
Title : Exploring the Potential of Microbial Ammonium Effect on Microbial and Nutrient Dynamics during Livestock Manure Management

3.15 p.m. – 4.00 p.m. : Session IV
Dr. M. VASANTHI
Professor, Water and Solid Waste Processing Lab
Dept. of Environmental Biotechnology, School of Environmental Sciences, Bharathidasan University, Tiruchirappalli-620 024.
Title : Applications of Microbes in Improving Soil Fertility

PLACEMENT ACTIVITY – DECEMBER 2023

The Department of Physics in association with Mathematics Department organized the special lecture on the title “**An Introduction to Financial and Capital Markets**” as a part of Placement Activities on 21.12.2023 in the Mathematics Seminar Hall during 11.45 AM – 01.00 PM. to train the final year PG Physics and Maths students to find placements in the area of Financial and Capital Markets. Specifically, the chief guest **Mr. Asif Shahinsha, Senior Director, Pharma Venture, London, UK** delivered a lecture to highlight the growth of automations in the area of Financial and Capital Marketing which is creating considerable job opportunities for Physics and Maths graduates in the IT Sectors of financial management. The strong interaction between the students and speaker helped to reveal the importance of mathematical skills particularly in the field of differential calculus to deal the growth and decay of economic status of industries. Dr. R. Radhakrishnan, Placement Officer of Physics, welcomed the gathering and Dr. A. Ishaq Ahamed, Additional Vice Principal, honoured the speaker and Dr. A. Mohamed Saleem, Head of Physics, Dr. R. Jahir Hussain, Head i/c of Mathematics, and the Faculties of Physics and Maths felicitated the event. Finally Dr. P. Muruganantham, Placement Officer of Mathematics delivered the vote of thanks.

REPORT OF THE SPECIAL LECTURE PROGRAMME

Name of the Department: ZOOLOGY

Type of the Programme: Special Lecture Programme

Title of the Programme: "EXTRACTION, ISOLATION AND PURIFICATION OF PHYTOCHEMICALS FOR MANAGEMENT OF INSECT VECTOR AND PESTS"

Venue: Zoology Seminar Hall

Date: 13.10.2023

The Department of Zoology organized a Special Lecture Programme on the 13th of October, 2023, Dr. I. Joseph A. Jerald, Associate Professor & Head of the Department of Zoology welcomed the gathering and introduced the chief guest Dr. Muthukrishnan Jayarama, OAKVILLE, ONTARIO, offered valuable insights focusing on advanced methodologies in the field of phytochemical extraction and their application in managing insect vectors and pests. The programme aimed to expose students and faculty to cutting-edge research in natural pest control methods, emphasizing eco-friendly and sustainable approaches. The speaker shared insights into various techniques, such as solvent extraction, chromatography, and bioassay-guided isolation, highlighting their importance in deriving active compounds for pest control.

Programme outcome:

- Participants gained a comprehensive understanding of the scientific processes behind extracting phytochemicals and their practical applications in managing insect vectors.
- The lecture provided information about eco-friendly pest management solutions, encouraging students to consider these sustainable methods in their research.
- The session motivated students and researchers to explore phytochemicals as viable alternatives to synthetic chemicals, which aligns with global efforts to reduce environmental impact and promote biodiversity.

REPORT OF THE DISCIPLINE SPECIFIC ENTREPRENEURIAL SKILL DEVELOPMENT PROGRAMME

Name of the Department: ZOOLOGY

Type of the Programme: Special Lecture Programme

Title of the Programme: "ENTREPRENEURIAL OPPORTUNITIES FOR ZOOLOGY GRADUATES"

Venue: Zoology Seminar Hall

Date: 15.02.2024

The Zoology Association Organized a Discipline Specific Entrepreneurial Skill Development Programme in association with Entrepreneurship Development Cell and Institution's Innovation Council on 15th February 2024. Dr. I. Joseph A. Jerald, Associate Professor & Head of the Department of Zoology welcomed the gathering and introduced the chief guest. He Spoke on "Entrepreneurial opportunities for Zoology Graduates" He enlightened the students to explore the diverse and innovative career paths available to individuals with a background in zoology, highlighting how zoology graduates can influence their knowledge and skills to create and sustain entrepreneurial ventures.

REPORT OF THE VALIDICTION OF ZOOLOGY ASSOCIATION

Name of the Department: ZOOLOGY

Type of the Programme: Special Lecture Programme

Title of the Programme: "POLAR EXPEDITION - ARCTIC PERSPECTIVE"

Venue: Zoology Seminar Hall

Date: 21.03.2024

The Zoology Association organized a special lecture on *Polar Expedition: Arctic Perspective* on 21st March, 2024. Dr. I. Joseph A. Jerald, Associate Professor & Head of the Department of Zoology welcomed the gathering and introduced the chief guest. Dr. Rajaram, Associate Professor, Department of Marine Science, Bharathidasan University, Tiruchirappalli has explained the comprehensive overview of the unique challenges, opportunities, and environmental concerns associated with the Arctic region. The lecture highlighted key aspects of polar expeditions, the impact of climate change on the Arctic, and the critical role this region plays in global environmental systems.

Outcome of the Report

Zoology (SF - Women) Association 2023-2024 Special Lecture

- The objective of the event was to provide students of the Zoology department with an opportunity to learn from an expert in the field and gain insights on the topic "The Development of Human".
- The special lecture was delivered by Dr. V. Anandhi, Associate Professor and HOD, Department of Anatomy, K.A.P.V Medical College, Trichy.
- Over 100 students from the Zoology, Bio-tech, and Micro Biology departments attended the lecture.
- The event began with a prayer and the singing of the Tamil Thai Valthu, followed by a welcome address by Dr. I Joseph Antony Jerald, Head of the Zoology department.
- Additional Vice Principal, Ms. A Famitha Banu, and Dr. P. Dhanalakshmi, Vice-President of the Zoology Association, also addressed the gathering.
- Students gained valuable insights into the development of human anatomy and its significance in the field of zoology. The lecture sparked interest and curiosity among students, encouraging them to explore the subject further. The event provided a platform for students to interact with an expert in the field and clarify their doubts. The lecture was well-received by students, with positive feedback on the content and delivery.
- The special lecture was a resounding success, achieving its objective of providing students with a unique learning experience. The Zoology (SF - Women) Association expresses its gratitude to Dr. V. Anandhi for her inspiring lecture and to the management for their support. Organize similar events in the future to provide students with opportunities to learn from experts in the field. Explore possibilities for collaborative research projects between the Zoology department and K.A.P.V Medical College
