SUGGESTIONS

The ten day session was very useful. But couldn't attend few classes due to certain difficulties. Our exams were held on those days, so I missed few important classes.

The course material is also very important. So, it helps us to learn early.

Keep conducting such classes and help us to perform better. Thank You.

I will be happy if I am able to attend another batch (Yes! again) before the NET Exam.

But keep the classes in the morning.
