Respected Madam,

Subject: Permission seeking for Dietetic internship – regard.

As part of our curriculum, our III B.Sc Nutrition and Dietetics students (42 Candidates) intend to undergo 15 days “Dietetics internship” (Course code: 17UND5C9I in our syllabus) training program in the ComPLEAT Nutrition Care of your institution through online mode (Platform-Microsoft teams) from the date of 13th September to 8th October 2021. I request you to kindly permit and arrange them to do the same. We await for your early favourable reply.

Thank you

Sincerely yours,

OUTBOUND TRAINING - REPORT

OBT training is one of the most effective methods of enhancing individual and team behaviour and performance through experiential learning. Students were sent three days training program which was conducted in the natural environment away from college.

The training programme given to the students was practical learning experience that consisting of multiple outcomes. The training programme offered to the students developed students team-building capabilities, leadership skills, time management skills, team work and following right instruction on time.

This outbound training program gave an opportunity to students from diverse geographical background to work closely with their peers in the form of training activities, analytically solving problems, leadership and team building activities.

At the end of the third day, students shared their views and opinion about the training programme. LEAP academy distributed certificates to students who have successfully completed and grading was done based on the students' performance.

OBT Dates: 27-01-2020 To 29-01-2020– Batch I (48 Students)

30-01-2020 To 01-02-2020– Batch II (38 Students)

03-02-2020 To 05-02-2020– Batch III (25 Students)

OUTBOUND TRAINING - REPORT

Students were sent to learn managerial concepts from experience, which is one the powerful methodology. It is not only in the closed class rooms but also through outdoor experience like LEAP learning academy, Coimbatore, Tamilnadu, India.

In the three-day training, students gone through multiple rounds of outdoor learning focusing on real life challenges, and tested their managerial and leadership skills. This three days programme offered with mix of physical and mental activities ranging from military obstacle courses, high and low rope elements, trekking, and management games.

The three days OBT programme allowed students to approach physical, social, mental and emotional challenges. OBT programme acted as a behavioural change tool and developed different aspect of the students. The training programme was evaluated based on process compliance, leadership skills, out-of-box thinking, quality of work, initiative, teamwork, timely completion of task and over all capabilities.

At the end of the third day, students shared their views and opinion about the training programme. LEAP academy distributed certificates to students who have successfully completed and grading was done based on the students' performance.

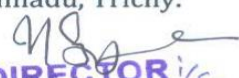

OBT Dates: 06-08-2018 To 08-08-2018 – Batch I (47 Students)

13-08-2018 To 15-08-2018 – Batch II (43 Students)

OUTBOUND TRAINING - REPORT

The OBT program adopted structured experiential learning cycle, which consists of experience/doing, reviewing and reflecting on the experience, drawing learning from the reflection, applying and testing the learning through active experimentation and review and reflecting on active experimentation. The OBT program helped students to bond and related with teammates, enhanced team spirit among teams, improved delegation qualities and inculcating leadership, enabled students to take calculated risk and finally communicate and plan better.

The training program founded to be effective and enhance self-development, social and emotional development, teamwork and leadership. Also OBT influence on behaviour change and personal efficacy. The outdoor events founded to be effective and created bonding with other team members.

OBT program demonstrated students to become more cohesive, shedding their inhibitions, opening up and becoming more receptive to learning. The new environment, became possible for sensitive and experienced executive facilitator to identify student's weakness, strengths and suggest new coping behaviour for trouble and grey areas. At the end of the third day, students shared their views and opinion about the training programme. LEAP academy distributed certificates to students who have successfully completed and grading was done based on the students' performance.

OBT Dates:

11-09-2017 To 13-09-2017-Batch I (60 Students),

14-09-2017 To 16-09-2017- Batch II (60 Students).
