(2021-2022)

DEPARTMENT OF CHEMISTRY

INDUSTRIAL VISIT REPORT

Department of Chemistry (SF – Women) [10-05-2022 to 12-05-2022]

A batch of 45 students from II M.Sc Chemistry and III B.Sc Chemistry along with the five faculty members have undergone a three days Educational tour cum industrial visit in Theni and Periakulam area. This visit was mainly focussed on to make the students understand the concepts of chemistry in a reliable manner and also to shape the young minds towards research.

we visited the Basic Science and Research Instrumentation centre in Jayaraj Annapackiam college for women and participated the workshop on “Spectral Characterization Techniques” organized by Consultancy cell in collaboration with PG and Research center of Chemistry on 11.05.2022. The instruments were

1. FTIR spectrophotometer
2. UV Visible Spectrophotometer
3. NMR Spectrometer
4. X Ray Diffractometer
5. Cyclic Voltammeter

The staff members from the J. A. College, Periakulam demonstrated the instrumentation of various spectrometers and recorded the spectrum for an unknown sample and explained the prediction of the peak assignments in the spectrum. The sample preparation for the IR spectrum using KBr pellet has been demonstrated.

III B.Sc Chemistry and II M.Sc Chemistry students along with the staff members visited the **BSR Instrumentation centre, Jayaraj Annapackiam College for women, Periakulam, Theni district.**

Criterion II – Teaching-Learning and Evaluation

2.3 Teaching – Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Demonstration of UV, NMR and IR spectrometer in BSR Instrumentation Centre, J A College, Periyakulam, Theni.

After completing this workshop, our team continued our visit to Sugar industry namely **Rajshree Sugars and Chemicals Ltd, Theni district**. In the industry, we have seen the manufacturing of Sugar from starting from the extraction of molasses and till the collection of refined sugar along with its packaging.

Field Visit

DATE: 15-03-2021

DAY: Monday

VENUE: Kangaroo Orphanage

TIME: 10.30 a.m – 12.30 p.m.

We reached the venue at 10.30 a.m. The students of I year volunteers of Helping Hearts Association attended the program. We did interactive programmes with the old people, mentally & physically challenged persons at the orphanage. It was a soul-soothing & Heart filling experienced felt by the students.
