ABOUT THE INSTITUTION

Jamal Mohamed College was founded in 1951. As an autonomous institution affiliated to the Bharathidasan University, Tiruchirappalli, administered by the Society of Jamal Mohamed College is established in a sprawling land area of 87 acres as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. The College, over the past 67 years, has grown into a multi-faculty institution offering 21 UG and 21 PG Courses of study, especially in frontier areas. All the departments in the college are research departments providing facilities to undergo M.Phil. and Ph.D. The college has a student strength of around 11,300. The College as a trailblazing pioneer in the field of higher education, has weathered the vicissitudes of time, constantly chiseling young minds towards intellectual, social and financial mobility in tune with the ground reality.

ABOUT THE DEPARTMENT

The Departments of Microbiology and Biotechnology was established in 1998 and 2004 respectively. The UG, PG, M.Phil. and Ph.D. courses were offered under self financing scheme with men and women students. Both the departments are well equipped with all instruments like Nikon Photo Microscope, PCR, ELISA Reader, Gel documentation and Fermentor etc. An apt environment that provides the students to work with all ideas is the motto of these departments. Our research mission is to expand our knowledge of the Medical Microbiology, Molecular Immunology, Environmental Microbiology, Plant and Animal Biotechnology. These departments have also signed a MoU with ICPIT, Tanjore in 2016.

ABOUT THE PROGRAMME

Microbiology and Biotechnology are two major holdings of life sciences which polishes the young budding scientists towards the new scientific era with novel findings in research areas like Environmental Medicine, Gene Technology and Nanotechnology. The endeavor of the seminar is to have a detailed discussion on the emerging area on the biological sciences and bring out the ideas from budding students scientist and young talented researchers towards new findings with following themes

- Agriculture and Environmental Technology
- Biodiversity and Conservation
- Bioprocess Engineering

- Biofuels and Bioenergy
- Drug Design and Delivery
- Genomics and Proteomics
- Microbial Nanotechnology
- Medical Microbiology
- Pharmacological Microbiology
- Plant and Animal Biotechnology

CALL FOR PAPERS

Abstracts of original and ongoing researches in the relevant areas are invited from PG students, academicians, research scholars, scientist and teaching faculty members to explore their ideas in growing scientific field towards new vistas. Abstracts should be in Times New Roman, font size 12 with 1.5 mm line spacing for oral/poster presentation. The abstracts should be mailed to microbiotech2018@gmail.com. The accepted details will be notified through E-mail.

IMPORTANT DATES

Abstract Submission : 28th February 2018
Last date for Registration : 28th February 2018
Date of Seminar : 3rd March 2018.

AWARDS

Two awards will be given for paper and poster presentation.

Registration Details

The Participants are requested to send their completed registration form to the Coordinator along with prescribed fee in the form of Demand Draft drawn in favour of Dr. S. Mohamed Saifudeen, Coordinator, Department of Biotechnology and Microbiology, Jamal Mohamed College (Autonomous) Payable at Tiruchirappalli - 620 020 or by cash and should reach the same.

REGISTRATION FEE

REPORT OF THE PROGRAMME

An **International Seminar of Emerging Trends in Biological Research (ETBR) 2018** was conducted on 03-03-2018 in N.M.KHAJAMIAN ROWTHER AUDITORIUM at 10.30am. The programme was started with Qirat.

Dr. S. Mohammed Salique (HOD) welcomes the gatherings and introduced the chief guest **Dr. K. Jagatheesan, Dr. M. Govarthanan and Dr.M.A Ansar Ali**, of the programme. **Janab Hajee Dr.S. Ismail Mohideen**, Principal, Jamal Mohamed College (Autonomous), Trichy gave the presidential address.

The special invitee on session - I **LEC-1 Dr. K. Jagatheesan**, Assistant Professor in Botany, Thiagarajar College (Autonomous), Madurai, delivered a talk on the topic **"Bioartificial Liver – Recent Developments"**.

The special invitee on session - I **LEC-2 Dr. M. Govarthanan**, SCIENTIST, SOUTH CHOREA, delivered a talk on the topic **"Biodegradation of synthetic plastic- an emerging technology to clean up the plastic in the environment"**.

The special invitee on session - II **LEC-3 Dr. M.A Ansar Ali**, Senior Scientist, Kerala. Assistant Professor in Botany, Thiagarajar College (Autonomous), Madurai, delivered a talk on the topic **"Use of microbial biodiversity for human welfare"**.

The Lectures were motivated the students to learn more technical skills for getting wide range of career options which will help to achieve a rewarding career.

Nearly **350 students and researchers** were participated in the International Seminar of Emerging Trends in Biological Research (ETBR) 2018 that was conducted on 03-03-2018 in Khajamian Rowther Auditorium at 10.30a.m and get benefited.

Seminar Report

Intellectual property, very broadly, means the legal rights which result from intellectual activity in the industrial, scientific, literary and artistic fields. It gives statutory expression to the moral and economic rights of creators in their creations and the rights of the public in access to those creations. Intellectual property has placed itself on a pedestal in the context of economic growth and is becoming increasingly important of developing countries like India. Intellectual property are most valuable assets for pharmaceuticals, medical device manufacturing, bio-engineering and science-based innovators, drug formulation, biomolecules, plant varieties, biotechnological applications, traditional knowledge and Siddha, Ayurveda practices. These are assets most likely to be lost, stolen or misused. Hence today it has to be a major challenge to properly protect inventions and other innovation-oriented achievements in the fields of Life Sciences.

The generation of IP largely takes place at the universities/ academics/R&D institutes, small, medium industries and individuals. Therefore, the education, science and technology and industry departments have to create an environment which promotes knowledge about protection and management of IP generated in colleges and universities at different levels.

Based on the above background PG and Research Department of Botany, Jamal Mohamed College, Organize one day seminar on Intellectual Property Rights and Patenting in Life Sciences: Problems and Prospects. There 150 students and faculty members from PG research Department of Botany, Biotechnology, Microbiology were participated in this program. Inauguration of the seminar held on 1st March 2018 at N.M. Khajamian Auditorium, Jamal Mohamed College, Tiruchirappalli at 10 am. Dr. A. Khaleel Ahamed, Head, Department of Botany welcome the gathering and introduced the chief guest to the participants. Dr. S. Ismail Mohideen, Principal Jamal Mohamed College delivered his presidential Address. Dr. A. K. Khaja Nazeemudeen, Secretary and Correspondent felicitate the seminar. In his talk, he

Jamal Mohamed, Treasurer, Jamal Mohamed College and Dr. K. Abdus Samad, Assistant Secretary of Jamal Mohamed College, felicitate the seminar. Shri. Manoj Madhavan Assistant Controller of Patents and Designs & Head - RECS, Patent Office, (Government of India) delivered Keynote address in his address, he mentioned that the unique innovative outcome of the research should be patent by the innovator. He mentioned different IPR categories such as Copy Right, Industrial Designs, Trade Marks, Relative Marks, Geographical Indicators and Semi-Conductors. He focused on monopoly rights provided by IPR and explained the patents rules and guidelines. He mentioned that Geographical indicators awarded for society not for the individuals and single patent can be protected by different patents. Dr. A. Aslam, Assistant Professor, Department of Botany, Jamal Mohamed College, Tiruchirappalli proposed vote of thanks.

The technical session starts at 11.30 am. Dr. B. Balaguru, Assistant Professor, Biodiversity Informatics (UGC- Innovative) introduced Dr. Preeti Narayanan, Patent Consultant, Chennai to the participants. In this resource person lecture she introduces the patents in life sciences. She mentioned the patentable and non-patentable products. In her lecture she focused on the deposition of Microorganisms to MTCC and get prior approval from National Biodiversity Authority, when utilizing the Bioresources of India. She introduced different forms used for filing patents, types of patent applications, PCT and Convention filing procedures. She conduct small quiz program about the patents at the end of her lecture. Student participants actively engage and interact with the resource person and answer the question that she raised.

In the afternoon session starts at 2.00 pm. Dr. R. Ravikumar, Assistant Professor, Department of Botany, Jamal Mohamed College introduces the chief guest Mr. Moghanraj Yadav, Director, VAANGHAI to the participants. Resource person delivered his lecture on Protection of plant varieties and role of PPV and FRA. He focused on the traditional farmers varieties, and its importance. Role of PPV and FRA for protection of countries farmers varieties. He share his experience and methodology on the registration of Traditional Rice Varieties of Tamil Nadu behalf of farmers under PPV and FRA, under Ministry of Agriculture, Government of India with help of farmers of Tamil Nadu with support from Agriculture experts and scientists.

The valedictory function starts at 4 pm. Dr. H. Syed Jahangir Associate Professor Department of Botany, Jamal Mohamed College welcome the gathering. Dr. A. Mohamed Ibraheem vice principal, Jamal Mohamed College gives his presidential address. Dr. K. Abdus Samad, Assistant Secretary Jamal Mohamed College offers his felicitation. Dr. K. ABOUT JMC: Jamal Mohamed College is the outcome of the vision and initiative by the great philanthropists late, Joseph M.J. Jamal Mohamed Sahib and Janaki N.M. Khaparian Roadhat. The institution reflects the ideals of its founders and seeks to achieve excellence in an academic institution and advanced research centre. The institution was established in 1951. Over a period of 6 decades, the college was able to create greater and greater heights and rise to the present status as a multi-faculty institution with 11 UG programmes, 11 PG programmes and 2 M.Phil. programmes under Government Aided stream and 3 UG programmes, 14 PG programmes, 15 M.Phil. programmes and 14 Ph.D. programmes under self-financing stream for men by promoting quality and excellence in higher education due to the sustained efforts and dedicated leadership given by the College Management Committee. The college also offers 13 UG programmes, 14 PG programmes, 15 M.Phil. programmes and 14 Ph.D. programmes exclusively for women as part of women empowerment during the second shift of the college. UGC has conferred the college with the status of "College with Potential for Excellence". Recently our College was Re-accredited by NAAC in the third cycle and obtained "A" Grade. DEPARTMENT OF CHEMISTRY The Department of Chemistry was started in the year 1953, offers UG, PG, M.Phil. and Ph.D. programmes. The department has 29 teaching and 10 non-teaching staff in both Aided and Self-financing sections. Among the teaching staff, 21 members are Ph.D. qualified and remaining are pursuing Ph.D. programmes. All the faculty members are involved in active research in their chosen fields like Organic and Inorganic chemistry, Nano chemistry, Polymer, Environmental, Electrochemistry and Phytochemistry. These Major Research Projects in the line of R & D have been sanctioned by UGC and Ministry of Environment and Forests are successfully completed. Many minor research projects have been funded by UGC and TNSCST. The department has 105 students in the field of Ph.D. and Nano chemistry by the eminent researchers. The department has so far produced 71 Ph.D. and 233 M.Phil. candidates. The department has good infra-structure facilities including FT-IR Spectrometer, UV and CVD instruments. SUBMISSION OF ABSTRACTS Scientific papers of new findings in all aspects related to the theme of the conference are invited for presentation. The abstract should be typed in MS Word, Times New Roman, font size 12 and 1.5 line spacing with the title, name and address of the author(s). The author presenting the paper should be ordered and sent to the convenor on or before 15th December 2017 by mail to naac2018@gmail.com	Authors are also requested to send a good port size colour photograph in JPEG format. CONFERENCE THEME This conference aims to be one of the leading national conferences for presenting novel and fundamental advances in the fields of Chemistry. It also serves for creating a national forum for researchers, scientists and academics to explore and discuss the results and proposals regarding to the recent innovations and improvement proposed to field. This event will include the participation of renowned keynote speakers and oral presentations. This conference encompasses all the key aspects of Papers pertinent to the topic and TOPICS TO BE COVERED • Organic Synthesis • Computational Chemistry • Biorganic Chemistry • Coordination Chemistry • Electrochemistry & Polymer Chemistry • Nano Technology & Green Chemistry • Physical Chemistry • Photo Chemistry • Organometallic Chemistry • Environmental Chemistry MANAGEMENT COMMITTEE Janab. CIRCULAR

Students of all UG classes are informed that PG and Research Department of Chemistry and Entrepreneur Development Cell of our College jointly organize a three day workshop on “Domestic Products Preparation” from 19th to 21st December 2017. The workshop envisions to encourage the students of all disciplines to learn the methods of preparation of products with available resources. It also motivates them to become future entrepreneurs by learning the tricks of their own trade

In this workshop, the participants will be given a practical training for the preparation of the products like phenoyl, detergents, dishwash powder, face powder, pain relieving balm, room freshner and automobile exhaust decorboniser. The products prepared by the participants will be displayed for sale on the day itself in the stalls for the students.

The registration fee is Rs.100/- per participant. Certificates will be issued to all the participants. A maximum of 50 students will be accommodated per batch on first come first serve basis. Interested students are asked to register their names with Dr.S.Syed Abuthahir, Assistant Professor, Department of Chemistry on or before 13th December 2017.

SEMINAR REPORT FOR PRESS PUBLICATION

GST (Goods and Services Tax) in India was first announced in 2000 by the Government. Seventeen years later, it has been implemented from *July 1, 2017*. GST has been viewed as the big step towards 'One Nation- One Tax'. With GST, it is anticipated that the tax base will be comprehensive, as virtually, all goods and services will be taxable with minimum exemptions. It brings benefits to all the stakeholders viz. industry, government and the citizens. It is expected to lower the cost of goods and services, boost the economy and make our products and services globally competitive. GST aims "to make India a common national market with uniform tax rates and procedures, and removes the economic barriers thereby paving the way for an integrated economy at the national level". The suppliers, manufacturers, wholesalers and retailers are able to recover GST incurred on input costs as tax credits. Hence, there may be some problems in the short-term but in long-term, the results will be beneficial to all.

It is the right time to have a Seminar at National Level to discuss and disseminate the information and knowledge about the Implementation and Management of GST in India. Hence, the College and the Department as a hub of knowledge organize the Seminar. The Seminar mainly focuses on "Implementation and Management of GST in India – An Appraisal", organized by PG & Research Department of Commerce, Jamal Mohamed College, today, 25th January 2018. Inaugural Address was offered by **Shri.N.Naveen Kumar, Joint Commissioner of Income Tax – Range -2, Trichy** on GST. **CA. S. Ashok Sundaresan, FCA, President of BHELISA, Trichy** delivered his keynote Address on GST.

Janab **Dr. A.K. Khaja Nazeemudeen Sahib, Secretary & Correspondent** released the Seminar souvenir and **Shri.N.Naveen Kumar, Joint Commissioner of Income Tax – range -2** was received the first copy and **Treasurer Hajee M.J. Jamal Mohamed Sahib** and **Assistant Secretary Dr. K.Abdus Samad** released the second copy the Seminar souvenir which is received by **CA. S. Ashok Sundaresan, FCA, President of BHELISA, Trichy**. **Dr. S. Ismail Mohideen, Principal** of the college presided over the function. **Dr. E.Mubarak Ali, Head & Associate Professor** welcomed the gathering and explained the theme of the seminar. Four Hundred and thirty participants were from different states, 102 articles were published in the Edited Volume of Book with ISBN and 180 papers were presented in four technical sessions during the seminar. **Dr. A.Khaleelur Rahman, Associate Professor of Commerce & Organising Secretary**, Proposed vote of thanks in Inaugural session.

Four resource persons had chaired the technical sessions on topics of GST. The resource person **Dr. S.Syed Rafiq Ahmed, HOD, PG & Research Dept. of Commerce** of New College, Chennai, deliberated on GST – An Overview. **Dr.A.M.Mohamed Sindhasha, The Head, PG Department of Commerce – SF** of Jamal Mohamed College, delivered a speech on Impact of GST on Service Sector. **Dr. Kalaivani.KN** of Government First Grade College, of Karnataka chaired the session and spoke about GST & Electronic Commerce. **Dr.R.Khader Mohideen, Director, Jamal Institute of Management (JIM)** headed the session and delivered a lecture on Impact of GST on India's Foreign Trade. **Dr.A.Mohamed Ibraheem, Vice Principal, Dr.M.Mohamed Sihabudeen, Additional Vice Principal, Dr.K.N.Abdul Kader Nihal, Director & Bursar – SF, Dr. K.N. Jamal Mohamed College

Jamal Mohamed College was established in 1951 as a religious minority institution with the primary objective of imparting higher education to the downtrodden and socially backward sections of the society in general and Muslim Minority in particular. **Janab. M. Jamal Mohamed Sahib and Janab. N.M. Khajamian Rowther** of revered memory were the founding fathers of this institution. Over the period of 6 decades, the college was able to scale greater and greater heights and rise to the present status as a multi faculty institution offering **21 UG courses, 20 PG courses and 17 Research Programmes** by promoting quality and excellence in higher education owing to the sustained efforts and dedicated leadership of the college management committee. At present the college has a voluminous student strength of **11205** and faculty strength of **428**. The college celebrated its diamond jubilee during 2011. The college was reaccredited (3rd Cycle) with 'A' Grade by NAAC, New Delhi. The USC has conferred the status of "College with Potential for Excellence (CPE)" during 2011-12. The college has been identified as one among the 45 colleges in India with a category of degree awarding status by MHRD, New Delhi.

Jamal Institute of Management

Jamal Institute of Management, affiliated to Bharathidasan University, was established in the Golden Jubilee year of 2000-2001 with the approval of the AICTE, New Delhi. The Institute offers a two-year comprehensive MBA Programme designed to provide a sound foundation for understanding the complexities of modern business and to equip the students with the analytical ability required for scientific decision-making. In every academic year the institute has been admitting 120 students of both men and women. Its endeavor is to shape managers with professionalism of high order coupled with humanism of noble ethical values and virtues. In 2011, the Institute has been accredited by NBA, New Delhi. In 2013, The institute has been ranked in 'A' Category by All India Management Association (AIMA), New Delhi. Over 1300 graduates have passed out through the portals of Jamal Institute of Management and occupying vital positions in leading organisations in India and Abroad. The Institute is a Recognized Research Centre offering fulltime and part-time M.Phil and Ph.D. Programmes. It also offers PG Diploma in Islamic Banking and Financial Management.

ICAM 2018 Theme

The early 21st century witnessed major social, economic and political changes. During this time there were big changes in knowledge acquisition by people and the way used the same. The Knowledge Era is a new, advanced form of capitalism in which knowledge and ideas are the main sources of economic growth. New patterns of work and new business practices have been developed, and as a result, new kinds of knowledge workers, with new and different skills are required. The 21st century is the era of knowledge and its signature is Management. The knowledge era is an era of rapid movement. There is so much going on, that we need contemporary and meaningful ways to make sense of how best to work, learn and live effectively in these complex, diverse, unpredictable, challenging and opportunistic times. The challenge for management will be to create an organisation that is able to accommodate contradictions and paradox within a management culture. The management of knowledge work is a crucial business skill and a pivotal driver for enabling high quality capability development initiatives. The Marketing team's task is to actively listen to and to quantify their customer's desires and aspirations. Human Resources is now called Knowledge Resources and Information Systems as Knowledge Systems. Finance is now called Capital and Knowledge Assets. Economy has now become Knowledge Economy where the heads are given more weightage than hands. So, it is vital for Functional Departments to become Centers of Excellence in order to face changes, challenges and pressures from the members of knowledge society in knowledge economy. Besides, the organizations need to be self-organizing, self-teaming, self-aligning and self-configuring in order to survive and sustain in the knowledge era. If the organisations are well growing, it will pave the way for creating more jobs and capturing more minds and talents from society and ultimately the nation will be accredited with high knowledge index in the universal platform.

ICAM 2018 Objectives

The ICAM 2018: International Conference on Advanced Management - Challenges in Knowledge Era aims to bring together leading academicians, researchers and practitioners and research scholars to exchange and share their experiences and research results about all aspects of Management. It also provides the premier interdisciplinary and multidisciplinary forum to present and discuss the most recent innovations, trends, concerns, pressing challenges encountered and the solutions adopted in the field of Management.

Report of the National Seminar on Solid State Physics and Its applications (NaSSPA-2018)

The National Seminar on Solid State Physics and Its applications (NaSSPA-2018) was inaugurated by **Dr. S. Ganesan**, Formerly Raja Ramanna Fellow of the DAE, Scientific Consultant to the Office of the Chief Scientific Advisor to Government of India, New Delhi & Professor, Homi Bhabha National Institute, Mumbai, Bhabha Atomic Research Centre, Mumbai.

The inaugural function was presided over by our principal **Dr. S. Ismail Mohideen** in the august presence of our Honorable Secretary and Correspondent **Dr. A.K. Khaja Nazeemudeen**, Honorable Treasurer **Hajee, M. J. Jamal Mohamed** and our esteemed Assistant Secretary **Dr. K. Abdus Samad**. On this occasion, the Souvenir of the abstract papers to be presented was released by our Honorable Secretary and Correspondent and the first copy of the souvenir was received by our chief guest **Dr. S. Ganesan**. Earlier, **Dr. Jamal Mohamed Jaffar**, the head of Physics Department and the coordinator of this seminar welcomed the gathering. The theme and objectives of the seminar were briefed by the seminar organizing Secretary **Dr. A.S. Haja Hameed**.

The seminar possessed five plenary sessions in addition to poster presentation. In the plenary Session –I, the keynote address was delivered by **Dr. S. Ganesan**, Professor, Homi Bhabha National Institute, Mumbai, Bhabha Atomic Research Centre (BARC), Mumbai, under the title of *“Interesting Influence of Errors and Correlations in Frontline Research Studies in Science and Engineering”*. During the plenary Session –II, **Dr. A. Abdul Ajees**, Associate Professor, Department of Atomic and Molecular Physics, Manipal Institute of Technology Campus, Manipal Academy of Higher Education, Manipal, Karnataka, spoke about *“The Role of X-ray Crystallography in Drug Design”*. In the third plenary Session, **Dr. S. Beer Mohamed**, Associate Professor, Department of Materials Science School of Technology, Central University of Tamil Nadu, Thiruvavur delivered the research on *One Dimensional Nanostructures towards Synthesis, Characterization and Applications*. In the plenary Session –IV, **Dr. K. Asokan**, Scientist F, Inter University Accelerator Centre (IUAC), New Delhi gave a lecturer on *“Ion Beams in Materials Research and Their Applications”*.

In the fifth technical session, **Dr. K. Porsezian**, Professor, Department of Physics, Pondicherry University, Pondicherry gave a very nice talk on *Recent Applications of Photonic Crystal Fibers and Photonic Crystals*.

More than 125 participants participated in the seminar along with the faculty members from various departments of our college and twenty one research abstracts were selected for presentation in various categories such as thin films, nuclear materials, crystal growth and nano-materials.

The valedictory function was held to bring this one day National Seminar towards successful end. It was a matter of great pleasure that **Dr. K. Porsezian**, Professor, Department of Physics, Pondicherry University was the Chief Guest for Valedictory Function of NaSSSPA-2018, who presided over the function and explained the various schemes and fellowships available for students/ faculty members, from various funding agencies in the august presence of our Additional Vice-Principal **Dr. M. Mohamed Sihabudeen**, HOD of the Chemistry, Jamal Mohamed College.

The grand success of the NaSSSPA -2018 was due to the full support and hard work done by the staff members of Physics Department, Jamal Mohamed College. Finally, the seminar organizing Secretary **Dr. A.S. Haja Hameed** delivered the vote of thanks on behalf of the seminar organizing committee to all who have helped make this event such a success.
