Report

REPORT OF THE TRAINING PROGRAMME ON LIFE SKILLS

In an era when education becomes a business and more of a commercial commodity, Jamal Mohamed College focuses on life oriented education stressing the importance of values. Our College Management along with its dynamic Administrative body have always stood for character building first and then knowledge imparting. They have always been insisting upon the holistic development of every student here and this is the reason the college has made it mandatory that all of its students learn Deeniyath and Moral education. It is befitting, the Department of Moral Education is bestowed with the responsibility of organizing a two day training programme on Smart Life Skills.

To this effect a special lecture programme on the life skills was organized to benefit all the first year undergraduate students on 8th and 9th January 2019 in the N.B.Abdul Gafoor Auditorium. On the first day, at the Inaugural session, **Dr. I. Joseph A. Jerald**, Associate Professor and Head of Moral Science Department gave a briefing for the rationale and need of the programme. **Dr.S.Ismail Mohideen**, Principal welcomed the participants and delivered the presidential address. **Dr. A.K.Khaja Nazeemudeen**, Secreter & Correspondent and **Hajee M.J. Jamal Mohamed**, Treasurer of the College Management Committee offered felicitations.

Dr.I. Mario Jegan fondly known as Ilaya Abdulkalam, the motivational trainer was the resource person from "Fynn soft success solutions", Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person's enormous resourcefulness, powerful experience and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr.Sam touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamallians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating young minds. A few film songs chosen for background music were so classic to the situation. His reverential, highlight on the role of parents,

teachers and elders quoted by him is really worth mentioning. Towards the end of his sessions, the time for introspection of their conscience he allotted and led all our students truly melted their hearts so much so; many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children/wards to their parents and teachers. Ofcourse during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples anecdotes cited by Dr. I. Mario Jegan were greatly impressive so much so many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this person for this eventful programme for the 8th consecutive year. I wish the legacy continues in the future years as well.

I thank our magnanimous Management Committee members **Dr. A.K. KhajaNazeemudeen**, Secretary and Correspondent, **Hajee M.J. Jamal Mohamed**, Treasurer, **Dr. K. Abdusamad**, Assistant Secretary and our vibrant Administrators **Dr. S. Ismail Mohideen**, Principal, **Dr.A. Mohamed Ibraheem**, Vice-Principal **Dr. M. Special thanks to **Dr. M. Syed Ali Padusha**, Associate Professor of Chemistry, who was instrumental in arranging for such Skills and Motivational programme during the yester years. Our thanks are also due to **Dr. N. Mujafarkani**, Assistant Professor of Chemistry, for all the background assistance and in preparation of this report in good form.
