Report

REPORT OF A SPECIAL PROGRAMME ON LIFE SKILLS DEVELOPMENT

Jamal, the citadel of values and learning is also the epicenter of knowledge and empowerment. It has always given a fillip to higher education focusing on quality, never compromising its principles, ideals and values. In an era when education becomes a business and more of a commercial commodity, Jamal Mohamed College focuses on life oriented education stressing the importance of values. Our College Management along with its dynamic Administrative body has always stood for character building first and then knowledge imparting. They have always been insisting upon the holistic development of every student here and this is the reason the college has made it mandatory that all of its students learn Deeniyath, Moral education, soft skills, value education, etc.,

A special lecture programme on the life skills development was organized to benefit all the first year undergraduate men students & all the first year undergraduate and postgraduate women students on **10th and 11th December 2019** in the N.B. Abdul Gafoor Auditorium. On the first day, at the Inaugural session, **Dr. I. Joseph A. Jerald**, Associate Professor and Head of Moral Science Department gave a briefing for the rationale and need of the programme. **Dr. S. Ismail Mohideen**, Principal, welcomed the participants and delivered the presidential address. **Dr. A.K. Khaja Nazeemudeen**, Secretary & Correspondent and **Hajee M.J. Jamal Mohamed**, Treasurer of the College Management Committee offered felicitations.

Dr. I. Mario Jegan fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from **"Fynn soft success solutions"**, Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person's enormous resourcefulness, powerful experience and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr.Samuel touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating young minds. A few film songs chosen for background music were so classic and apt to the situation. His reverential, highlight on the role of parents, teachers and elders quoted by him is really worth mentioning. Towards the end of his sessions, the time for introspection of students conscience led all our students sincere and serious. It truly melted their hearts so much so that many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children / wards to their parents and teachers. Of course during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples anecdotes cited by Dr. I. Mario Jegan were greatly impressive so much so, many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting the resource person for this eventful programme for the 9th consecutive year. We wish the legacy continues in the future years as well.

We thank our magnanimous Management Committee members **Dr. A.K. Khaja Nazeemudeen**, Secretary and Correspondent, **Hajee M.J. Jamal Mohamed**, Treasurer, **Dr. K.
