REPORT

PROGRAMME ON LIFE SKILLS DEVELOPMENT

(27th-29th October 2021)

Jamal is a Divine gift to Humanity. Though a minority institution, it is a Centre for higher learning for people of all walks of life irrespective of any religion, caste or creed. Jamal focusses on life oriented education, stressing the importance of values, societal ethics and acquiring skills. It is very much befitting in this context that the Centre for Human excellence that took its inception in the college the previous year was granted an opportunity to organize a motivational lecture cum training programme on **LIFE SKILLS DEVELOPMENT** to all the first year and a few second year undergraduate men and women students of various selected departments (list appended). The programme was conducted in the Air conditioned N.B. Abdul Gafoor Auditorium for three days, from 27th to 29th October 2021, both morning and evening for men and women students respectively.

On the first day, at the Inaugural session, Dr. I. Joseph A. Jerald, Co-ordinator, the Centre for Human Excellence gave a briefing for the rationale and need of the programme. Dr. S. Ismail Mohideen, Principal, welcomed the participants and delivered the presidential address, highlighting the importance of acquiring more skills to prosper in life. Dr. A.K. Khaja Nazeemudeen, Secretary & Correspondent of the College Management Committee offered felicitation.

Dr. I. Jegan fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from "Fynn soft success solutions", Madurai who handled all the six sessions (three each for men students during forenoon and three for women students during afternoon) on the scheduled dates. The resource person's enormous resourcefulness through his speed, powerful sessions and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr. Rajendiran touched and won the heart of every listener. He insisted that all students make the best use of the programme and gear up for phenomenal growth in their academic pursuit and in general life as well.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating the young minds. A few film songs chosen for background music were so classic and apt to the situation. His reverential highlight on the role of parents, teachers and elders quoted was really worth mentioning. Towards the end of the sessions, the time for introspection of students' conscience led all our participants sincere and serious. It truly melted their hearts so much so that many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children / wards to their parents and teachers. Of course during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples and anecdotes cited by Dr. I. Jegan were greatly impressive so much so, many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this resource person for the eventful programme for the 10th consecutive year. We wish the training programme continues in the future years as well for the benefit of our students.

We thank our magnanimous Management Committee Members Dr. A.K. Khaja Nazeemudeen, Secretary and Correspondent, Hajee M.J. Jamal Mohamed, Treasurer, Dr. K. Abdus Samad, Assistant Secretary, Dr. K.N. Abdul Kader Nihal, Member and Honorary Director and our vibrant Administrators Dr. S. Ismail Mohideen, Principal, Dr. A. Mohamed Ibraheem, Vice-Principal, Dr. M.
