Covid -19 Programmes

Awareness Programme conducted for nearby locality

(Conducted COVID-19 Awareness Programmes in nearby institutions & the general public of the locality.)

To curb the spread of Corona infection, various preventive measures were undertaken through setting-up of hoardings and issuing pamphlets among the public in general. A special awareness song was created by our NSS Volunteers against COVID-19 and the same was released in all digital platforms. To take the instruction of the Government against COVID-19, our College website was frequently updated for the welfare of the student community. Besides, our College Professors delivered special lectures on how to protect oneself against COVID-19 for our College students and nearby institutions during the month of February and MHRD Innovation Cell of our College conducted an Awareness Quiz on COVID-19 and attracted 1014 out of which 457 participants were awarded E-Certificates. Department of Fashion Technology, Nutrition and Dietetics, Mathematics, Biotechnology and Commerce (SF) conducted awareness programmes on Covid-19.

71 persons shifted to quarantine facility

TIRUCHI

A total of 71 patients who tested negative for COVID-19 have been shifted to the Jamal Mohammed College premises where a quarantine facility has been set up.

The 71 patients were taken to the facility on Sunday morning after results showed that they tested negative.

All patients are men who travelled to the Tablighi Jamaat conference in Delhi.

"We need to keep them under observation for at least 14 more days. Therefore, they have been taken to the newly set up quarantine facility inside Jamal Mohammed College," R. Yeganathan, Medical Superintendent, MGMGH, said.

All arrangements for the patients have been made by the health department.

Ten more persons test positive

**STAFF REPORTER
TIRUCHI**

Ten persons including seven from Nagapattinam district, two from Tiruvarur and one from Thanjavur, tested positive for COVID 19 on Wednesday.

Of the seven men in Nagapattinam, all of whom had travelled to New Delhi, five belonged to Sirkazhi while the other two hailed from Mayiladuthurai. "The patients are undergoing treatment at the Government Headquarters Hospital, Nagapattinam, and are responding well to treatment. There is no need to worry, everyone must stay indoors," an official at the hospital said.

Those who had tested positive in Thanjavur and Tiruvarur were said to be contacts of persons who had travelled to Delhi event.

Meanwhile, 61 of the 69 persons who were kept under institutional quarantine at the Jamal Mohammed College were discharged and sent home after a 14-day period of observation on Wednesday. All the 61 had tested negative. However, they have been asked to be in home quarantine for an additional 14 days before resuming normal life, sources said. Health officials have shifted the other eight to the Mahatma Gandhi Memorial Government Hospital to be monitored by doctors as they showed symptoms such as fever and cold.

Karur

Twenty-five more patients, who had tested positive for COVID 19 virus, were discharged from the Karur Government Medical College Hospital after treatment on Wednesday.

Of them, 21 were from Dindigul district and 4 were from Namakkal district. One patient was from Karur district.

Ariyalur

Five persons have been kept under observation at the Ariyalur Government Hospital.

Samples including throat swabs and blood tests were drawn from two patients. With 11 more test samples received from Primary Health-care Centres, a total of 13 have been sent for tests at the K.A.P. Viswanatham Government Medical College.

Meanwhile 1,732 individuals of the 2022 who had been kept in home quarantine after travelling abroad or to other states in the district have completed 28 days and can step out when necessary, official sources said.

Baby of positive woman healthy

**SPECIAL CORRESPONDENT
THANJAVUR**

The male baby delivered by a COVID-19 positive woman in Thanjavur on April 6 has tested negative for novel coronavirus.

The baby was delivered by a 32-year-old woman of Sundaram Nagar at the Rajah Mirasdar Government Hospital and the swab test result of the mother which came out on the subsequent day indicated that she had been infected with COVID-19 virus.

The infant was separated from his mother on April 7 and was kept under observation at a separate ward under the care of one his family members, who had no symptoms of coronavirus, according to Ushadevi, Resident Medical Officer, RMGH. Right from the day of his separation, the infant was fed with milk procured from the breast milk bank as breast feeding by his mother was not advisable. The child could be breast fed by his mother only after she tests negative in three consecutive tests, Dr. Ushadevi said.

Colleges to function as quarantine centres

Many institutions are in a state of preparedness to offer their facilities

**SPECIAL CORRESPONDENT
TIRUCHI**

The office of the Regional Joint Director of Collegiate Education is understood to have sought the details of buildings and sanitary infrastructure from institutions in the region, indicating that the facilities could be put to use by the district administrations during the lockdown period for containment of COVID 19 virus.

The Tiruchi district administration has already been using the facilities of Jamal Mohamed College for quarantining people detected with symptoms of COVID 19 virus. Other colleges are also in a state of preparedness to offer their facilities. "We have provided the details of the classrooms in academic blocks, the number of rooms in the hostel, the toilets in each building and other such particulars to the office of the Regional Joint Director of Collegiate Education and the district administration," R. Sundararaman, Principal of National College, said.

Likewise, the St. Joseph's College has also in a state of preparedness to provide its facilities, said Principal Rev. Fr. M. Arockiasamy Xavier.

NCC cadets to help police enforce social distancing at public places

TIMES NEWS NETWORK

Trichy: About 60 NCC cadets from city colleges will work alongside police and medical staff in their fight against Covid-19 from Tuesday. The cadets were brought to Campion Anglo Indian Higher secondary school on Sunday for basic medical check-up and orientation.

They will be engaging with the police under the supervision of NCC instructors to effectively implement social distancing in markets and other places. NCC director general, New Delhi, had extended the services of NCC cadets in the fight against the pandemic.

Under 'Exercise NCC Yogan' programme, he urged the senior division NCC cadets aged above 18 to volunteer. "We received about 1,000

calls from cadets in and around Trichy who expressed willingness to volunteer for the cause," said Colonel C Elavarasan, NCC group commander, Trichy.

"While parent's consent is a must, we have called in about 59 cadets in the first phase

and gave them training on Sunday," he said. Nodal officers from NCC have been appointed to facilitate the cadets in effectively carrying out the work in coordination with the police department.

"As per the guidelines laid down by the DG NCC, cadets

will be given secondary task such as relief material distribution, data management. They will not be allowed to handle law and order situation and taken to the hotspots," said the colonel.

While 13 ex-cadets have also come forward to volunteer, they will work from 9am to 6 pm in two shifts. He promised safety for cadets and asked Trichy collector to include them in the Pradhan Mantri Garib Kalyan Yojana so they get insurance of ₹50 lakh, he said.

For ex-cadets like S M Blosslin Bala, it was a golden opportunity to give back to the society. TBlosslin Bala, who is aspiring to become an officer in the Armed forces, said that NCC officers offering to volunteer and the announcement from DG NCC are timely.
