I am very happy to extend a warm and cordial welcome to all present here for the College Day Celebrations.

We are fortunate to have in our midst the Most Distinguished Guest to deliver the 67th College Day address and distribute the prizes.

I am delighted to state that Our Distinguished Chief Guest is an illustrious Alumnus of our college having obtained both graduation (1975 – 78) and post graduation (1978 – 80) in the discipline of Zoology in this Citadel of Learning. Sir belongs to the Indian Forest Service on Tamil Nadu Cadre. Our Chief Guest, after Schooling in Government Boys High School, Attur (Salem District) and Higher Education in Jamal, joined the Forest Service in 1983. He undertook the prestigious “Associate of Indian Forest College’s Course” in the State Forest Service College, Coimbatore. He was then trained in various departments such as Revenue, Police, Judiciary and Forest where he had officiated in various disciplines of Forestry, namely Research, Social Forestry, Territorial Administration etc in different districts of Tamil Nadu.

I am proud to state that, Our Distinguished Chief Guest started his career in teaching as a Faculty of Forestry in Tamil Nadu Agricultural University, Coimbatore between 1989 and 1992. Without the least pride in his heart, Sir believes and attributes that all his achievements and coveted credentials are a sheer blessings of the Almighty.

I am happy to present a brief report of the activities of the College for the academic year 2017-18, our 67th year of the service to the society.

PROFILE OF THE COLLEGE

Jamal Mohamed College was founded in 1951, as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. Janab.N.M.Khajamian Rowther and Hajee M. Jamal Mohamed Sahib of late revered memory were the founding fathers of this institution.

The college is now a multi-faculty institution offering 21 UG courses, 21 PG courses, 16 M.Phil and 15 Ph.D Programmes in almost all departments. The college offers 14 UG and 14 PG, 16 M.Phil and 15 Ph.D courses for women empowerment. The college has now a total strength of 11,300 students including 4,577 women students, a dedicated team of 478 teaching and 256 non-teaching staff. But for the existence of this institution, thousands of aspiring youth would not have had the opportunity of acquiring higher education and settled in life in various covetable positions like IAS, IPS Officers, Doctors, Engineers, Computer Professionals, Scientists, Business Magnates and Industrialists.

We pray to the Almighty Allah to reward Janab.N.M.Khajamian Rowther and Alhaj M.Jamal Mohamed Sahib of late revered memory, the noble founders of this great institution with heavenly abode with all His Blessings. We, on this auspicious occasion are bound to remember with gratitude all the successive members of the College Management and Principals whose wisdom and selfless service raised the stature of this great institution to greater heights.

STUDENTS HEALTH CARE

Health Care aims to promote health seeking behaviour in long term and thus, this care majorly enables Awareness regarding common Ailments, Nutrition and Hygiene and Sanitation. The Camps on Health Care provide necessary Health Services at free of cost to our students.

These are specialized camps that offer integrated multi-disciplinary healthcare services including Investigative and Surgical Interventions by a dedicated Medical Expert. These camps provide Free Diagnosis and Medicines and also a wide range of Medical Services to student communities.

One of the aspects of personality of students is Health rather than appearance and hence, Students Health Care is given much importance in our campus. A healthy body supports a mind to achieve heights in life. With this view in mind, a Health Care Centre has been established in our campus to care for the health status of all students of our College. Here, the students are given Medical as well as Psychological Counselling. All health related and age concerned queries of our students are cleared by this centre.

Medical Inspection Camp for all the first UG and PG students of Men and Women is conducted in our College, as a regular feature, for the year 2017 – 18 under which 3,234 students underwent Medical Checkup and their ailments were diagnosed and prescribed with necessary medicines and also advised medical care and supervision. First Aid Kit is readily available at the College Health Centre for Emergency use.

Our College Management has been very magnanimous to bear all the excess expenditure incurred in connection with the Annual Medical Inspection Camps, Blood Donation Camps, Blood Grouping Camps, Polio Vaccination Camps and so on. We are very much Grateful to our College Management Committee and Principal for all support and encouragement extended to us.

I thank **Dr. K. Khaja Mohideen and Dr. J. Sebastin Raj** for their good work.

Hailing from a small hamlet in Virudhunagar District, she has travelled worldwide, visited France and Japan in a couple of occasions and addressed several literary conference, presented papers and delivered distinguished popular lectures. She was also honoured by UNICEF for her contributions towards “Baby Friendly Initiatives”

Our Chief Guest’s unique honour and special achievement is that there exists several M. Phil and Doctoral theses on her own literary work. She is a role model to many and has exhibited several bench mark qualities for young Jamalians to emulate.

We have such an eminent personality to motivate and inspire our students today. I feel very happy to extend once again a warm and cordial welcome to our Distinguished Chief Guest and Popular Poet.

I extend a warm welcome to our Management Committee Members, Guests, invitees, members of the Press, electronic media and Parents. I welcome our Heads of the Departments, Members of the Teaching, Non-teaching staff and Students.

On behalf of the College Management, Staff and Students and on my own behalf let me express my sincere thanks and gratitude to our Chief Guest for her august presence in spite of the busy schedule. Dear Jamalian, Today is not simply a Tuesday, a top-day but a red-letter day in the history of our College. I am happy to present a brief report of the activities of the College for the academic year 2017-2018, the 19th year of our service to the society.

PROFILE OF THE COLLEGE

Jamal Mohamed College was founded in 1951, as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. Janab.N.M.Khajamian Rowther and Hajee M. Jamal Mohamed Sahib of late revered memory were the founding fathers of this institution.

The college is now a multi-faculty institution offering 21 UG courses, 21 PG courses, 16 M.Phil and 15 Ph.D Programmes in almost all departments. The college offers 14 UG and 14 PG, 16 M.Phil and 15 Ph.D courses for women empowerment. The college has now a total strength of 11,300 students including 4,577 women students, a dedicated team of 478 teaching and 256 non-teaching staff. But for the existence of this institution, thousands of aspiring youth would not have had the opportunity of acquiring higher education and settled in life in various covetable positions like IAS, IPS Officers, Doctors, Engineers, Computer Professionals, Scientists, Business Magnates and Industrialists.

We pray to the almighty God to reward Janab.N.M.Khajamian Rowther and Alhaj M.Jamal Mohamed Sahib of late revered memory, the noble founders of this great institution with heavenly abode with all His Blessings. We, on this auspicious occasion are bound to remember with gratitude all the successive members of the College Management and Principals whose wisdom and selfless service raised the stature of this great institution to greater heights.

PERFORMANCE OF THE STUDENTS

The students of Jamal continue to bring laurels to the College, keeping with the tradition, both in the academic and extra-academic activities. In the academic field, this year, I am glad to inform you that in the Combined Rank Examinations conducted by Bharathidasan University for the students of Autonomous and Non-Autonomous Colleges, 17 UG and 15 PG students of our college have secured Ranks which include 8 ranks in PG and 11 ranks in UG by women students.

Mohamed Sindhasha, our Former Principal and presently the Head, Department of Commerce (SF) and Dr. K. Sheik Fareeth, Assistant Professor, Department of Social Work of our college were the resource persons.

A three day “NLP based Faculty Empowerment Programme was organized on 17th, 19th, and 20th June 2017 for the faculty members. The objective of the program was to enable the teachers to achieve excellence by setting up bench marks, identifying their comfort zones and expanding them through a slew of strategies. A one-day “NLP based Staff Empowerment Programme” was also conducted for the teaching staff of Jamal Mohamed College Ayesha Matriculation School, Tiruchirappalli on 18th June 2017. Mr. P. Dhakshinamoorthy, Chief Life Coach, Master NLP Practitioner, Rumination Life Academy, Chennai conducted both the programmes.

The IQAC collected students’ feedback on Teaching, Learning and Evaluation from all the students in the college and feedback on campus environment from the outgoing students of UG and PG Programmes. The collected data were processed and the results of the feedback on various criteria of assessment were presented to the Principal for a follow-up action. The performance scores were given to the teachers through their respective heads. The results of the feedback on Campus Environment feedback were also submitted to the Principal for further action in an appropriate forum. The Self-Appraisals of all the staff members were also obtained.

Our college has registered and submitted relevant data for the National Institutional Ranking Framework (NIRF) of MHRD, Government of India this year.

The AQAR for the year 2016-2017 was sent to the NAAC, Bangalore in December 2017 and the same was uploaded in our college website.

The departments were requested to present all relevant documents in support of the department inputs required for NAAC accreditation. The team verified all the documents / records and offered suggestions where improvement in the documentation was required. The internal administrative audit, for the year 2016-2017 was carried out by the IQAC team from 06-02-2018 to 09-02-2018. The team verified all the documents submitted by the staffs incharge of various Part-V Extension activities, including JAMCROP and Fine Arts, Physical Education and various student support services. The excellent explanations, appropriate anecdotes and a few film songs presented by him, made the audience understand their current life status. The royal role being played by parents, teachers and friends in every student’s life for designing their future, was highlighted well. The delivery skills of the trainer had a matchless motivation and respectable realisation. The roaring laughter, thunderous applause, jubilant jump and rejuvenating response of students not only satisfied our staff members but also our Magnanimous Members of College Management Committee. **Dr.A. STUDENTS HEALTH CARE

Health Care aims to promote health seeking behaviour in long term and thus, this care majorly enables Awareness regarding common Ailments, Nutrition and Hygiene and Sanitation. The Camps on Health Care provide necessary Health Services at free of cost to our students.

These are specialized camps that offer integrated multi-disciplinary healthcare services including Investigative and Surgical Interventions by a dedicated Medical Expert. These camps provide Free Diagnosis and Medicines and also a wide range of Medical Services to student communities.

With this view in mind, a Health Care Centre has been established in our campus to care for the health status of all students of our College. Here, the students are given Medical as well as Psychological Counselling. All health related and age concerned queries of our students are cleared by this centre.
