## **PROFILE OF THE COLLEGE**

During the colonial period our people suffered a lot and faced many problems in the hands of British rulers. Setting up an educational institution under British rule was a Herculean Task. The path breaking idea of establishing an educational institution in Tiruchirappalli was the brain child of two noble souls Hajee. M.Jamal Mohamed Sahib and Janab. N.M. Khajamian Rowther. After much hard work of our noble philanthropist, their dream was realized in 1951. On Wednesday, 11<sup>th</sup> July 1951, Jamal Mohamed College was blossomed in the city of Tiruchirappalli to spread the fragrance of knowledge among the poor and down trodden people of the society. Since then the college has excelled in almost all disciplines and illuminates the life of thousands and thousands of students every year.

From its humble beginning with 12 staff members and 250 students in 1951, now the college has become a multi faculty institution with 485 staff members and 11,203 students. The college offers wide range of programmes for both men and women- 25 UG programmes, 20 PG programmes, 17 M.Phil and 17 Ph.D programmes are offered.

The college has given opportunity to many aspiring minds and instrumental in making them to occupy covetable positions like IAS, IPS officers, Doctors, Engineers, IT Professionals, Scientists, Industrialists and Business tycoons. The Alumni chapters of our college spread across the globe are a standing witness that the college did wonders in their life.

On this account of our tremendous achievements, we fondly remember and pray to the Almighty Allah to reward heavenly abode to Janab.N.M.Khajamian Rowther and Alhaj M.Jamal Mohamed Sahib, the founding fathers of this great institution. We also remember all the successors of the Management Committee, the Principals and all staff members for their inevitable service which raised the stature of this college to greater heights.
