ACTION TAKEN REPORT FOR THE YEAR 2020-2021

Plan of Action	Achievements / Outcomes
To house the Common Instrumentation Facility for research in a spacious location and add further instruments to it.	A Common Instrumentation facility christened Jamal Instrumentation Centre (JAMIC) was established and was inaugurated on 12.05.2022.
To conduct faculty development programmes in all the departments to enrich the faculty with recent trends in their respective fields.	A total of 14 Faculty Development Programmes (FDP), both in online and offline modes were conducted for the teaching faculty during the course of the academic year.
To conduct training programmes for all non-teaching staff in administrative and laboratory maintenance.	Two Orientation Programmes were organized for the benefit of the support staff during the course of the academic year.
To enter into more MOUs with reputed organizations for collaboration of research, student and staff exchange.	The college had entered 25 Memoranda of Understanding (MoUs) with institutes of repute and industries during the academic year.
To invite more companies to conduct an on-campus placement drive for our final year students.	As a result of our on-campus placement drives the placement count of our final year graduates increased substantially during the academic year 2021-2022 when compared to the previous year 2020-2021.
To augment instrumentation/computing facilities in all the departments by tapping funds from various funding agencies.	Using the second instalment of the DST-FIST '0' Level grant Atomic Absorption Spectrometer and Binary HPLC equipment were added to the JAMIC common instrumentation facility.
To apply to the UGC for the extension of the autonomous status.	The college applied for extension of its autonomy status during December 2021. Consequently, the UGC Autonomous Review Committee visited the college on 21 st and 22 nd of May, 2022 and after review, the autonomous status of the college was extended by the UGC for FIVE years from 2022-to-2027.
To carry out Green Energy and Environment Audit for the college and hostels for the current year.	The Green Energy and Environment Audit for the college and hostels for the year 2021-2022 was carried out during January, 2022.
