JMC ENVIRON

An interdepartmental Photography event "**JMC ENVIRON**" was conducted by the ZOOASIS (Zoology) association of P.G. and Research Department of Zoology on 20th July 2023 at N. M. Khajamian auditorium, Jamal Mohamed College. More than 80 students from 11 departments participated and presented their photographs taken inside our college campus that depicted various flora (Plant species) and fauna (Animal Species) that revealed the rich biodiversity in the campus. It also enabled the display of photographic talents among the student's participants and on the part of spectators. The pictures taught them the lesson of everyone's duty to preserve the natural wealth of our immediate surrounding which is the main motto of conducting this event. All photos were later displayed in the auditorium and the juries chose the best out of it. The prizes were distributed by Dr. Jesan, Officer-in-charge, Environmental Survey Laboratory, Bhabha Atomic Research Centre, Kalpakkam on the same day. The list of prize winners are given below. Dr. M. Salahudeen served as coordinator for this event.

Men students			
Prize	Name of the Student	Class	Department
I	Mohamed Riswan. Z	II MSc	Zoology
II	Jagadheeswaran. M	III BSc	Botany
III	Dharshan. A	III BSc	Visual communication
