**Date & Time: 21.03.2023 (Tuesday)**

**Time: 11.30 a.m**

**Venue: Bio-Tech Gallery**

**WELCOME ADDRESS**

**: Mr. M.ABDUL RASHITH, II B.Sc (Physics)**

**Executive Member, Thanneer Sutru Choolal Manavar Mandram**

**PRESIDENTIAL ADDRESS**

**: Dr. S.ISMAIL MOHIDEEN**

**Principal**

### **IN THE PRESENCE OF**

**Dr. A.K.KHAJA NAZEEMUDEEN, D.litt.,(USA)**

**Secretary & Correspondent**

**Haji M.J.JAMAL MOHAMED SAHIB**

**Treasurer**

**Dr. K.ABDUS SAMAD**

**Assistant Secretary**

**Dr. A.MOHAMED IBRAHEEM**

**Vice Principal**

**Dr. M.MOHAMED SIHABUDEEN**

**Additional Vice Principal**

**Dr. K.N.ABDUL KADER NIHAL**

**Member & Honorary Director**

**Dr. K.N.MOHAMED FAZIL**

**Director, Hostel Administration**

**Ms. J.HAJIRA FATHIMA**

**Director, Hostel (Women)**

### **FELICITATIONS**

**Dr. M.GHOUSE BASHA**

**Head & Dean of Science**

**Department of Botany**

**Dr. SHAIK KAREEMULLAH**

**Head & Dean of Arts**

**Department of Hindi**

**Prof. S.SHEIK ISMAIL**

**Coordinator**

**Part-V Extention Activities (Men)**

**CHIEF GUEST INTRODUCTION : Dr. T.SELVARAJU**

**Advisor, Thanneer Sutru Choolal Manavar Mandram**

### **KEYNOTE ADDRESS**

**Mr. A. JAINALAUDEEN M.Sc., M.A., M.Phil.,**

**Executive Director**

**Society For Social Forestry Research And Development**

**Chennai – 600 042**

**TOPIC**

**: Devastation of Forest, Water Resources & Climate Change**

**வனவள நீர்வளச் சிதைவும் பருவநிலை மாற்றமும்**

**VOTE OF THANKS**

**: Mr. M.MOHAMED ANAS, I BCA**

**Vice President, Thanneer Sutru Choolal Manavar Mandram**

### **THANNEER SUTRU CHOOLAL MANAVAR MANDRAM**

#### **Valedictory Function & Special Lecture Program**

The Thanneer Sutru Choolal Manavar Mandram of Jamal Mohamed College (Auto) celebrated its Valedictory Function and organized a Special Lecture Program on the topic **“Devastation of Forest, Water Resources & Climate Change”** by **Mr. A.Jainaladeen M.Sc., M.A., M.Phil, Executive Director, Society for Social Forestry Research and Development** on **21<sup>st</sup> March 2023, Tuesday at 11.45 a.m** in **Bio-Tech Gallery** of our college.

He addressed the students that **97% of the world is covered by sea water, 2% of which is water ice and only 1% is usable water.** Therefore, it should be protected from contamination and waste. He emphasized that more trees should be planted and maintained to collect and store rainwater as per population growth. No tree is as wasteful as man in consuming water. As evidence, he pointed out that it has been scientifically proven that **oak trees and eucalyptus trees do not absorb groundwater up to 150 feet. It is also false information that oak trees attract more moisture from the air and therefore do not rain.** So, he advised **not to destroy any trees and to protect them. They prevent soil erosion.** They help in water penetration into the soil and helps spring water and river water to flow. All these informations are clearly explained to the students through a powerpoint presentation.

**Dr. M.Ghouse Basha, Head & Dean of Science, Dept of Botany** of our college **inaugurated** the programme by delivering this presidential address. The **felicitations** were offered by **Dr.Shaik Kareemullah, Head & Dean of Arts, Dept of Hindi** and **Prof. S.Sheik Ismail, Coordinator of Part V Extension Activities.** The **Chief Guest introduction** was given by **Dr. T.Selvaraju, Advisor of Thanner Sutru Choolal Manavar Mandram.** The **Executive members** of the Mandram **Mr. M.Abdul Rasheed (II B.Sc., Physics)** and **Mr. S.Vasu (II B.Sc., Physics)** welcomed the gathering. In this special lecture, **06 Professors, 1 Research Scholar and 71 Club Students** participated and get benefited.

**Date:** 21.03.2022

**Place:** Trichy-20
