REPORT OF THE PROGRAMME

The activities of the Computer Science & IT Associations and Computer Applications Associations were inaugurated by conducting a special lecture programme on “Introduction to Meta Learning” on 04th August 2022 by the resource person Dr. P. Sumathy, Assistant Professor, School of Computer Science, Engg. and Applications, Bharathidasan University, Khajamalai Campus, Trichy. The inaugural address was given by Dr. D. I. George Amalarethnam, Bursar, Director of MCA and IQAC Coordinator. He also introduced the resource person to the audience. The resource person gave a detailed talk on Meta learning starting from the basics. She elucidated the concepts for the benefit of students with easy to understand illustrations. The students took keen interest and raised many doubts which were clarified by the resource person.

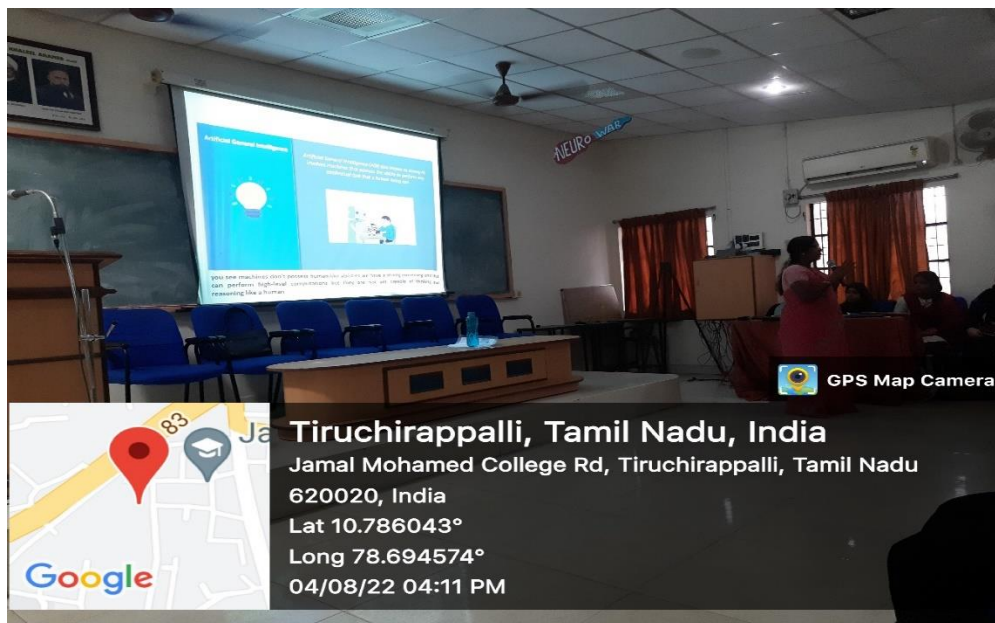

OUTCOMES

The resource person Dr. P. Sumathy, spoke on Meta learning. The students were able to understand that Meta learning is a sub-field of Machine Learning where automatic learning algorithms are applied to Meta data. They have learnt that Meta learning can be used for different Machine Learning models. They have understood that Meta learning is “Learning to Learn” and is used to improve the results and performance of a learning algorithm based on experimental research.

Cordially Invites you for the
TEACHERS DAY CELEBRATION EVENTS
on 06-09-2022 & 07-09-2022

➤ **Book Reading**

➤ **Group Discussion**

Topic : Teachers role in Nation Building .

Time : 2.30 pm

Venue : IT Seminar Hall

➤ **Oratorical Contests**

Topics :

❖ Importance of teachers in our lives

❖ My favorite teacher

❖ If I were a teacher

Time : 3.30 pm

Venue : IT Seminar Hall

REPORT OF THE PROGRAMME

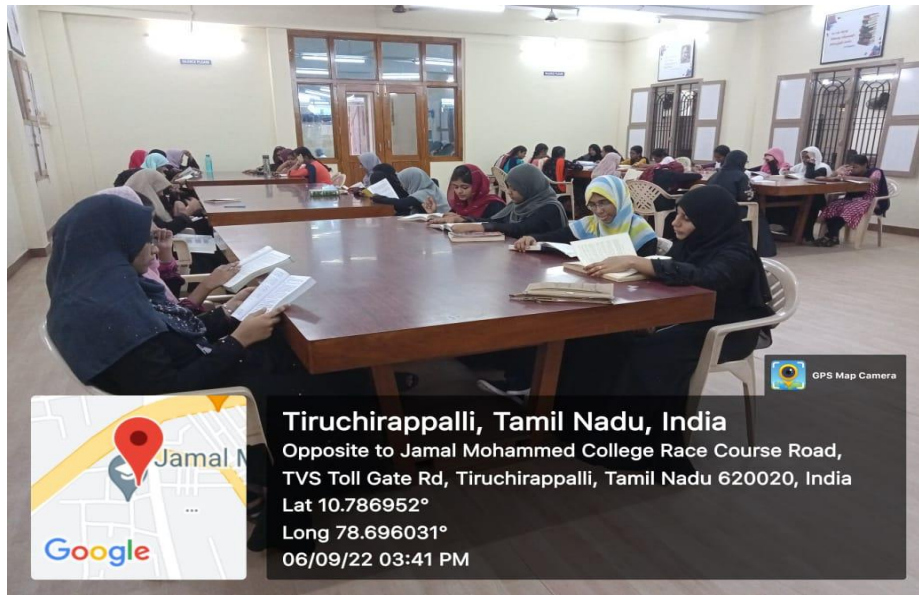

The Department of Computer Science had organized the following events on account of teacher's day celebrations as per the UGC directive.

- In order to inculcate reading habits in students, Association of Computer Science & IT organized Book reading session for computer science students in the college main library at 3.00 pm. Students reviewed the books and presented critical analysis for the same.
- An Oratorical Competition was conducted on the following topics:
 - Importance of teachers in our life
 - My favorite teacher
 - If I were a teacher

The competition was evaluated by Ms. J. Fathima Fouzia., Assistant Professor, Department of Computer Science & IT, Jamal Mohamed College, Trichy.

- A Group Discussion was conducted on the topic of "Teachers role in Nation Building" on 07-09-2022 at IT seminar hall. The Group Discussion was conducted by Dr. S. VaaheedhaKfatheen (Dean of Science) and S. BenazirButto Assistant Professor of Computer Science & IT, of Jamal Mohamed College, Trichy.

REPORT OF THE PROGRAMME

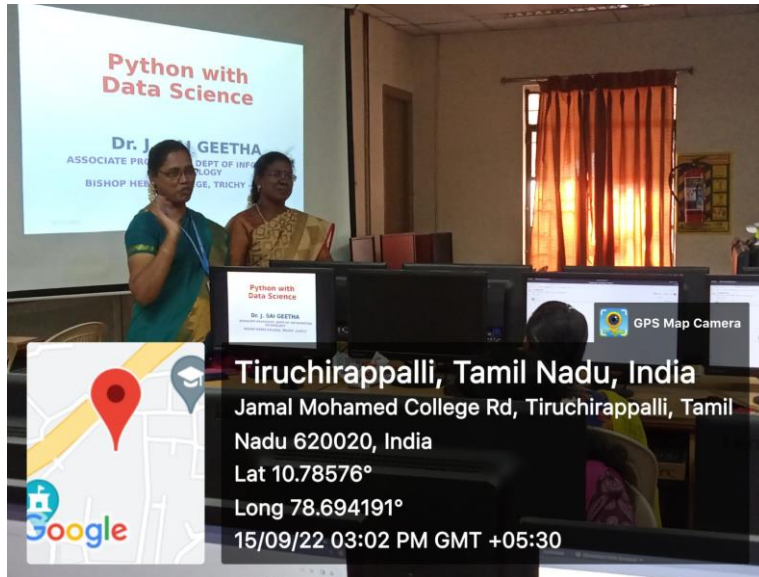

A Workshop on “Python with Data Science” was conducted on the Thursday, 15th September 2022, at 02:30 p.m. in IT Lab – 3. Dr. S. VaaheedhaKfatheen (Dean of Science), introduced and honored the Chief guest Dr. J. SAI GEETHA. Dr. J. SAI GEETHA MCA., M.Phil., SET, Ph.D., Associate Professor, Department of Information Technology, Bishop Heber College (Autonomous), Tiruchirappalli – 17, delivered a special lecture in the workshop regarding the use of Python in Data Science. She introduced the basic concepts of python and also the importance of python language in data science. She interacted with the students of UG, Computer Science. She also demonstrated the basic concepts like Data types and Operators in Python, List, tuple, Conditional Statements, Looping statements, OOPS concepts, etc. She also demonstrated some basic programs like addition of two numbers, Fibonacci series and so on, in an Online Platform called Colab.

The workshop was concluded with a doubt clarification session where all the students clarified their respective doubts with the resource person. The session was very lively and students of III B.Sc (CS) and III B.Sc (IT) were benefitted a lot from this workshop.

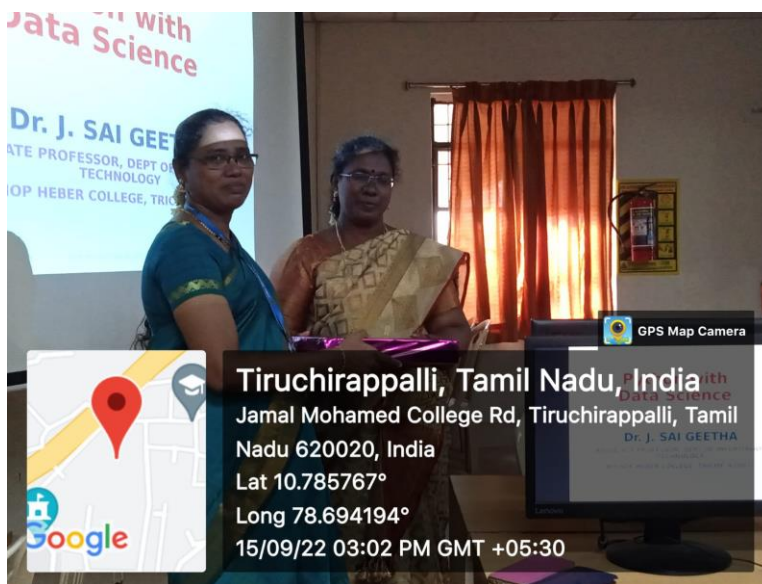

OUTCOMES

Overall, the workshop seems to have been successful in achieving its objectives of introducing students to Python and its relevance in the context of data science. The hands-on demonstrations and doubt clarification session would have further enhanced the learning experience for the participants. 40 students participated in this workshop.

REPORT OF THE PROGRAMME

This Seminar was addressed by our college staff Assistant Professor Dr. A. ASLAM, Department of Botany. His lecture was very interesting and he covered various aspects of Digital Detoxing of Data. The speaker explained various threats that happen in Cybersecurity and also highlighted some facts which would be helpful for their career. The Lecture was very informative and 77 students participated meticulously and benefited through that programme. At the end of the seminar, the students gave their feedback, and explained how they were benefited from this seminar.

OUTCOMES

The seminar conducted by Dr. A. ASLAM on "Digital Detoxing of Data" was well-received and had a positive impact on the participating students. It not only provided valuable information on cybersecurity but also highlighted its practical applications for their future careers. The high level of student participation and their feedback affirm the success and effectiveness of the seminar. 77 students benefited in this seminar.

REPORT OF THE PROGRAMME

This Seminar was addressed by **Mr. MOHAMED ARSHAD**, Business Associate of Tata Consultancy Service in Bangalore. His lecture was very informative. He covered various aspects of Software Testing. The speaker explained different varieties of "Software Testing". A total of 90 students participated eagerly and benefited through that programme. At the end of the seminar, the speaker gave examples for students to analyse, and explained its benefits.

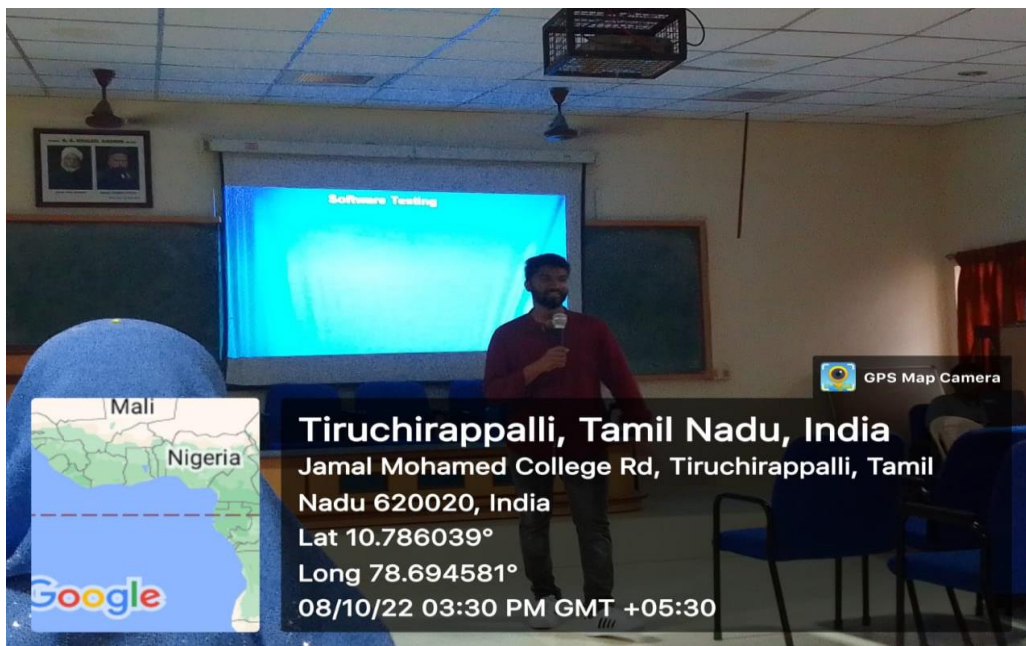

OUTCOMES

The seminar conducted by Mr. MOHAMED ARSHAD on "Software Testing" was successful in providing valuable insights and knowledge to the participating students. It covered various aspects of software testing, engaged students through interactive examples, and clarified the practical benefits of the concepts discussed. The high level of student participation and their eagerness to learn indicate the effectiveness of the seminar in educating students about this important aspect of software development and quality assurance.

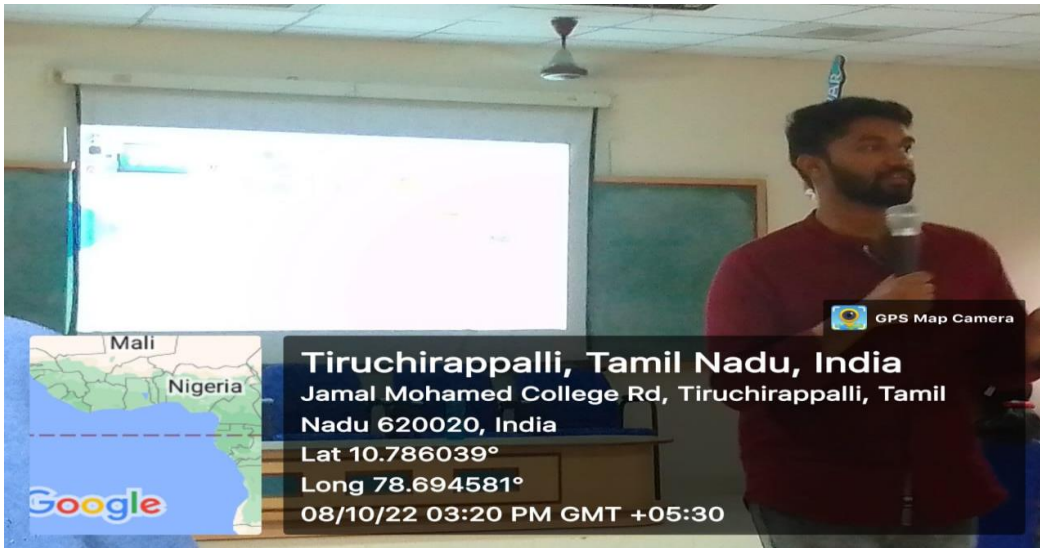

PHOTO GALLERY

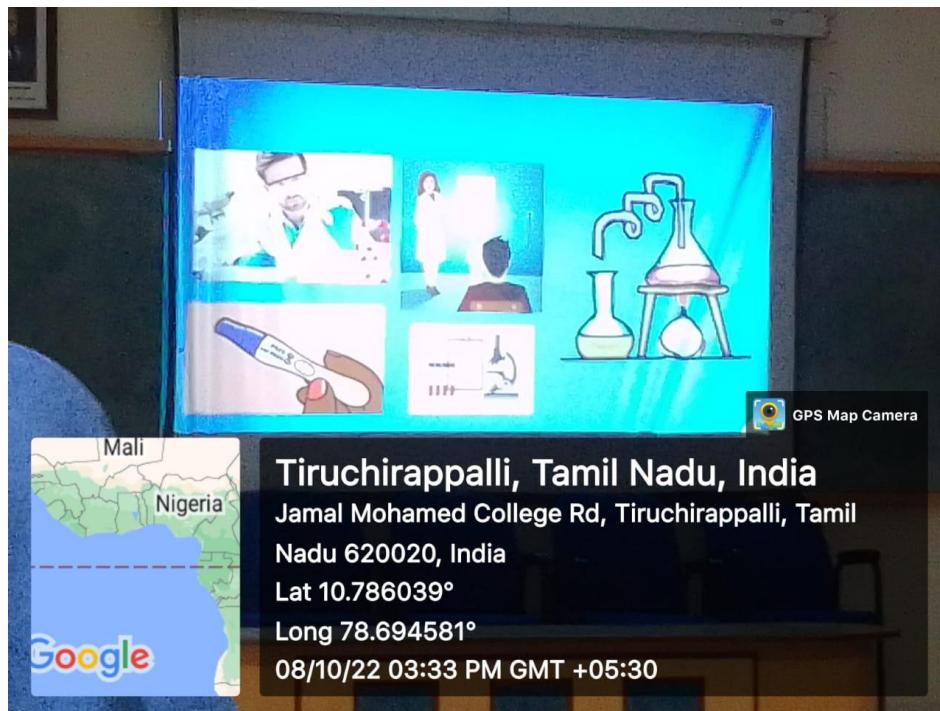

A Total of Ninety students of III BSC –CS, IT had attended this seminar.

The speaker discussed about the topic of “Software Testing”.

The speaker also shared his daily career of being a “Software Tester”.

Finally, he gave students examples to analyse and enrich their knowledge about “Software Testing”.

REPORT OF THE PROGRAMME

This Seminar was addressed by **Ms.M.SRI PRIYAVARTHINI**, IT Analyst, VDART Inc,Trichy. Her lecture was very interesting. She shared her knowledge about the interview questions that are being asked in interviews. The speaker explained about how to prepare for interviews. 90 students participated eagerly and benefited through that programme. At the end of the seminar, students gave their valuable feedbacks.

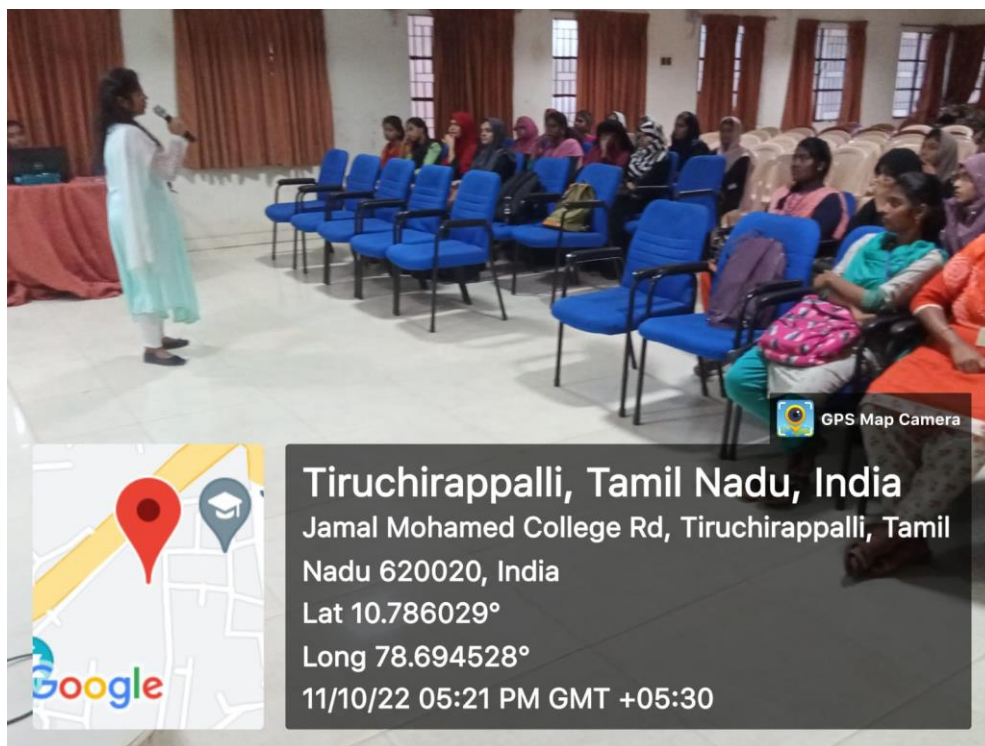

OUTCOMES

The seminar conducted by Ms. M. SRI PRIYAVARTHINI on interview preparation was successful in providing students with practical insights and guidance for their job interviews. The high level of student participation and their eagerness to learn suggest that the seminar was effective in helping them improve their interview skills. Student feedback is likely to provide valuable insights into the impact of the seminar and how students plan to implement what they've learned in their career development.

REPORT OF THE PROGRAMME

The Department of CA ,CS& IT conducted a Food Festa 2k23 at college premises on 04th January 2023. The event was a great success in terms of wide variety of food items and creative decoration of stalls from final year UG and PG students. There were a total of 16 stalls such as Homies menu,Rosama&fam ,Foodies spotlight and so on .Around 80 students participated in this activity.

It was a fine learning experience for student organizers to acquire entrepreneurial skills.This helped the studentsto learn teamwork , collaboration and creativity. The idea behind the competition was to teach students to be good entrepreneurs in the future.

The inauguration was done by Dr. A.K. Khaja Nazeemudeen -Secretary &Correspondent of Jamal Mohamed college ,Dr. S. Ismail Mohideen-Prinicipal of Jamal mohamed college,HajeeM.J. Jamal Mohamed,Treasurer ofJamal Mohamed college ,faculties of our departments and the students . The programmestarted at 2.30 pm .Every stalldid well And students worked hard for the fest.The food festa was a huge success, at the end of which both students and guests were happy and satisfied.

REPORT OF THE PROGRAMME

This Seminar was addressed by , Dr. G. AROCKIA SAHAYA SHEELA, Assistant Professor & Head Department of Data Science, Holy Cross College (Autonomous), Tiruchirappalli-620 002. Her lecture was very informative. She covered various aspects of Big data and data analytical tools. The speaker explained about various terms related to big data, which would be helpful for their career. More than 50 students were participated meticulously and benefited through that programme. At the end of the seminar, the students gave their feedback, and explained how they were benefited from this seminar.

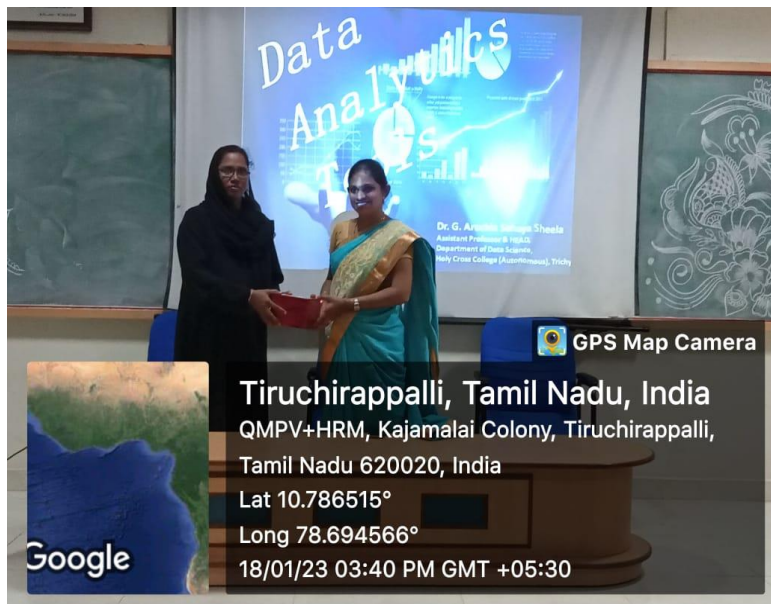

OUTCOMES

the seminar conducted by Dr. G. AROCKIA SAHAYA SHEELA on "Big Data and Data Analytical Tools" was successful in providing students with valuable insights into this important field. The high level of student participation and their feedback affirm the effectiveness of the seminar in helping students gain knowledge and skills relevant to their careers in data science and related fields.

REPORT OF THE PROGRAMME

A Seminar titled “Don’t Miss Your Opportunities” was held at IT Seminar hall on 28th of January 2023. Mr.N.AMIRUDEEN ,Assistant Professor from the department of Tamil, Jamal Mohamed College , was the Resource Person. The speaker emphasize that Opportunities are everywhere, but it is up to us to make them happen and opportunities are the driving force of success. He also insists that opportunities are, what makes us take risks and dare to try new things and We need to be open-minded, not just when it comes to opportunities but also when it comes to our own personal growth. The resource person did some magic’s for the students. The students understood their responsibilities and they realized that opportunities are everywhere and we have to make use of it .

OUTCOMES

The seminar served as a motivational and awareness-building event, with Mr. N. AMIRUDEEN delivering a powerful message about seizing opportunities and taking risks for personal and professional growth. The use of magic tricks likely added an engaging and memorable element to the event. The key outcomes include an increased understanding of the importance of opportunities, an emphasis on open-mindedness, and a realization of personal responsibilities in pursuing opportunities.

REPORT OF THE PROGRAMME

This webinar on “Nutrition and Brain Health” addressed by eminent Dr. A. SANGEETHA Assistant Professor & Dean of research, Dept of Nutrition and Dietetics, Jamal Mohamed College, Trichy, on 04th September 2021. The guest was honored by our Dean of Science Dr. S. Vaaheedha Kfatheen. This webinar began with a brief introduction about Brain and Nutrition and she gave food tips for brain health. She interacted with students and asked their problems. She gave the solutions for those problems. The students got the information about how to maintain our body and brain.

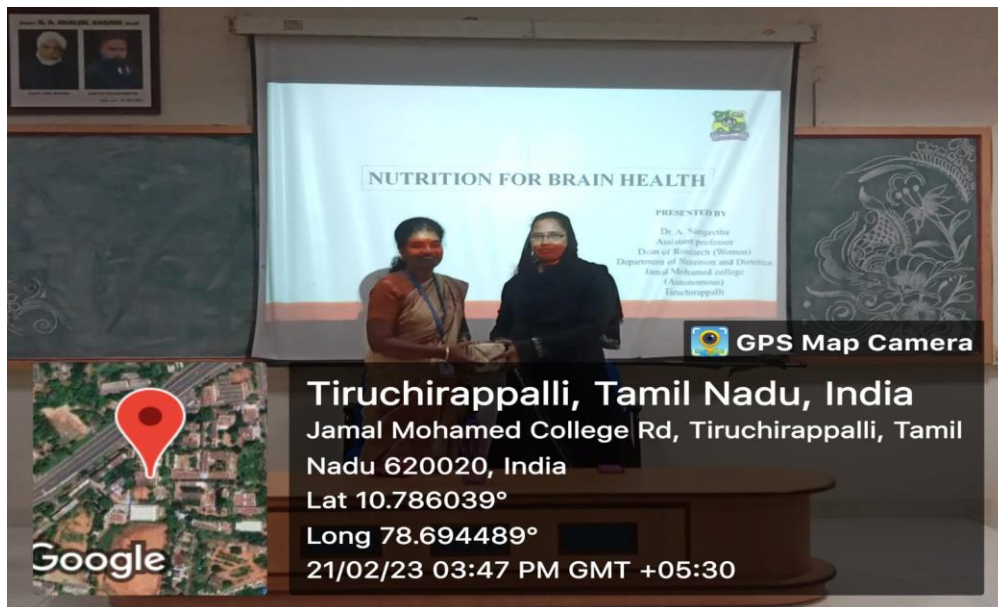

OUTCOMES

The webinar on "Nutrition and Brain Health" with Dr. A. SANGEETHA as the speaker was successful in delivering valuable information and solutions to the participants. It promoted awareness of the importance of nutrition in brain health and provided practical tips for maintaining both physical and cognitive well-being. The interactive nature of the session likely enhanced the learning experience for the attendees.

REPORT OF THE PROGRAMME

The two days hands on training programme was conducted on 22-02-2023 and 23-02-2023 at IT Lab5 on the topic of C# .Net . The resource person for this programme is Ms.P .Usha , Assistant Professor ,Department of Information technology, Bishop Heber College, Trichy. In the first day of the programme she taught basics of C# and she gave training to develop small applications . At the end of the first session she conducted a quiz programme. In the second day she explained about database and she trained for database connection. The Session was enriching for the students and it ended with an interactive session between the resource person and the students. Our 42 students belonging to I M.Sc (CS) , III B.Sc(CS) and B.Sc(IT) Benefitted from the session.

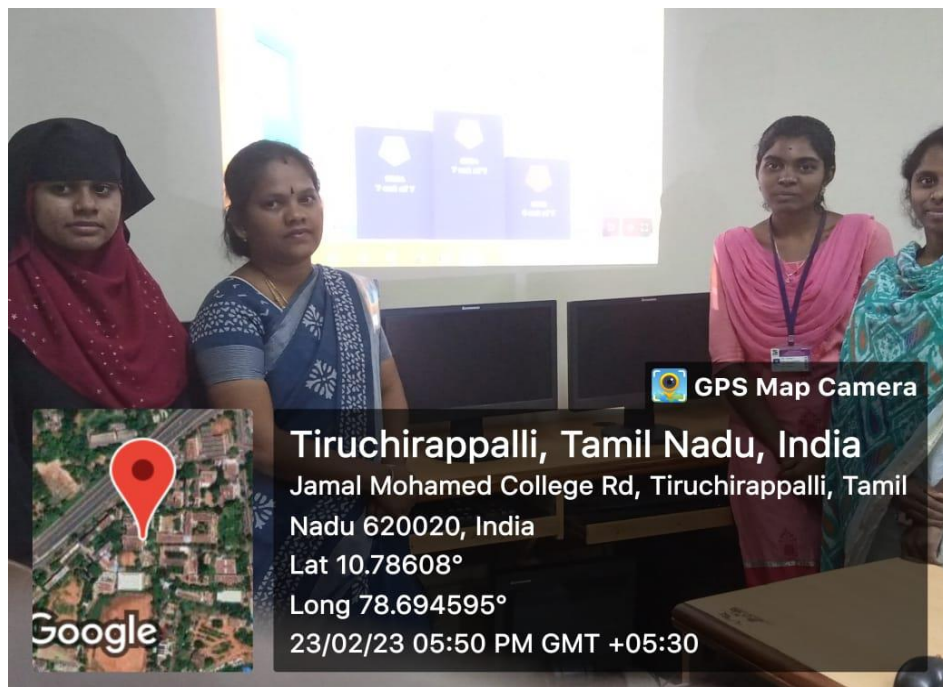

OUTCOMES

The two-day hands-on training program on C# .NET conducted by Ms. P. USHA was successful in providing students with a solid foundation in C# programming, practical experience in application development, and knowledge about database connectivity. The interactive nature of the program and the participation of students from various academic levels underscore its effectiveness in equipping students with valuable skills in software development.

PHOTO GALLERY

The students are attending hands on training programme on Application Developing Using C#.NET on 22-02-2023 at IT Lab5 by Ms. P. Usha , Assistant Professor , Department of Information Technology Bishop Heber College, Trichy.

In the second day of the workshop the quiz programme was conducted for the students and the winners are Sharmila III BSc(IT), Rashidha III BSc (CS), Riswana III B.Sc (CS)

REPORT OF THE PROGRAMME

The valedictory function is conducted on 23th march 2023 at 3.00 pm in CS seminar hall. Miss. Mansoorah OF I BSC D recited Qirath. V.Dhanalakshmi of II BSC C welcome the gathering and introduced the chief guest DR.S.Kanimozhi, Associate Professor, Coordinator IQAC & Women Empowerment cell Hallmark Business school , Tiruchirappalli, delivered a special lecture on “Women’s Economic Empowerment ”.

she motivated the girls with her real life experience, and her speech empowered women to participate fully in the economy and in the political process, as well as empowering them to make decisions about their own health and well-being.

The certificates were distributed among the students. Miss. Nafila I MSC(CS) proposed a vote of thanks. Hundred students were benefited in this program.

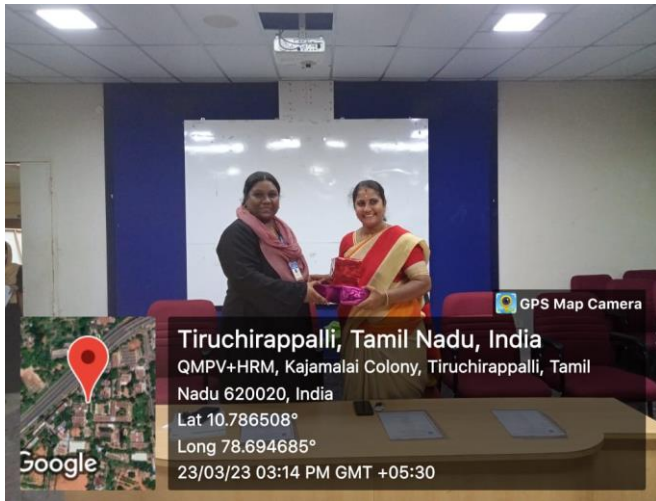

OUTCOMES

The outcome of this report is that the valedictory function successfully achieved its goals of empowering and motivating female students, recognizing their achievements, and providing them with valuable insights on women's economic empowerment. It also created a sense of community and celebration among the participants. Overall, it appears to have been a meaningful and impactful event.
