The primary points to be shared with the people while doing door to door Campaign	
Questions	Answers
How to keep Dry waste in bag	Comminuting with the help of some dry waste. Volunteers will show how to keep dry waste in the bag. Segregation is mandatory according to the law (SWM 2016). To reduce the health effects happening to the children and climate change effects (due to open dumping) and improve waste management practices.
Why to give segregated waste to collection vehicle	To take the materials properly. Different types of waste and its end destinations (E.g. the waste to MCC, Dry waste to formal sector facility). Ensuring the safety of sanitary staff and also the person who is handling over the waste. as if you are putting broken glasses and wet waste in one bin, it will be a burden for them to segregate from that.
Points to be conveyed to people	Regularly occurring materials (Waste) should keep in separate bin or bucket (Exception in colour shell). Dry waste such as plastic, paper, glass, metals, cotton materials, etc should be kept in dry waste bag. Constitution for keeping dry waste in the bag. Dry waste should be cleaned before keeping in the bag (except can be conveyed the if it is clean only recycling articles will take them). Domestic hazardous waste like mask, broken glasses, batteries, sanitary napkins, used tooth, should keep separate.
How to segregate	
Questions	Answers
FAQ from people	
We are paying tax, so why i want to segregate?	The mandatory in SWM 2016 is that, people should segregate waste in their home level.
They are not collecting regularly. Then why i should do that?	The paid by you is not for segregating, other processes like sorting, transporting, etc it done by that.
They are not collecting garden waste. So we are paying to public place.	Will collect phone number from some residents in the area to make whatsapp groups for sharing information.
They will not take waste if it is large in quantity as compared to usual quantity. They are taking the reason that there is no space in the vehicle. (So due to lack of space convenient we are putting in during time)	We will ensure the collection of garden waste.
Waste from collection vehicle is not suitable. (So we will not know they came?)	Due to the space if we couldn't take waste from you, don't put it in dump sites. We will ensure that through another round we will collect your waste.
There is any regular space in my home. Then how can i keep waste in my home?	We will ensure the space will be suitable for you.
There is less time for the due to work, so how can i spend time for doing segregation?	Dry waste can be kept in this dry waste bag and hang it in your home.
How can i keep waste in my home?	It does not take much time to you, you just have to put the waste in separate bins.
	We are giving dry waste bag for keeping dry waste and you can keep wet waste in wet waste bucket. (Domestic hazardous waste, can keep it in a bin and keep it in a bin).
