DATE: 13.7.2023

REPORT OF THE ACTIVITY:

- ❖ On the 13th of July 2023, the Students' ExNoRA Installation & Inauguration Program Biodiversity Conservation was organized by the Students Exnora Club at Jamal Mohamed College. The event was attended by all members of the Exnora Club. We were honored to welcome our esteemed Vice Principal, Dr. D.I. George Amalrethinam, and our distinguished Chief Guest, Dr. S. Sandilyan, the Founder and Director of the 3rd Planet Nature Conservation and Research Foundation, Mayiladuthurai, Tamil Nadu.
- ❖ The event commenced with a warm welcome address by our Vice Principal, Dr. D.I. George Amalrethinam, who emphasized the importance of biodiversity conservation and its link to human welfare. He encouraged the students to actively participate in such initiatives and contribute to the betterment of the environment.
- ❖ Following this, our Chief Guest, Dr. S. Sandilyan, delivered an insightful guest lecture. He shared his vast experience in the field of environmental conservation and highlighted the significance of planting trees and preserving natural habitats. His speech was both informative and inspiring, motivating the students to take concrete actions towards biodiversity conservation.
- ❖ Dr. K. Halimunisa, the Coordinator (Women) of Part - V Extension Activities, expressed her gratitude for organizing such a meaningful event. She commended the efforts of the Students Exnora Club and encouraged them to continue their good work.
- ❖ Ms. J. Sabna Ashmi, the Assistant Professor of Physics and Advisor of the Students' Exnora Club, delivered a speech, appreciating the dedication and hard work of the Exnora volunteers. She emphasized the importance of collective efforts in achieving environmental sustainability.
- ❖ Throughout the day, the Students' ExNoRA Installation & Inauguration was organized in a grand manner. The Exnora volunteers actively participated in various activities, including tree planting, waste management, and awareness campaigns. The event was a great success, and it left a lasting impact on the students, inspiring them to become responsible stewards of the environment.
- ❖ Overall, the Students' ExNoRA Installation & Inauguration Program Biodiversity Conservation was a significant step towards promoting environmental awareness and fostering a culture of sustainability among the youth. The event was a testament to the

dedication and commitment of the Students Exnora Club in making a positive difference in the world.

PROGRAMME OUTCOMES:

The Students' ExNoRA Installation & Inauguration Program Biodiversity Conservation at Jamal Mohamed College had several positive outcomes:

- 1. Increased Awareness:** The event raised awareness among students about the importance of biodiversity conservation and its link to human welfare. It helped them understand the role they can play in preserving the environment.
- 2. Knowledge Enhancement:** The guest lecture by Dr. S. Sandilyan provided students with valuable insights and knowledge about environmental conservation. They learned about the significance of planting trees and preserving natural habitats.
- 3. Motivation:** The event motivated students to take concrete actions towards biodiversity conservation. They were inspired by the speeches and actively participated in various activities, including tree planting and waste management.
- 4. Collaboration:** The event brought together students, faculty members, and environmental experts to collaborate on a common cause. It fostered a sense of community and collective responsibility towards environmental sustainability.
- 5. Skill Development:** The event provided students with opportunities to develop practical skills, such as tree planting and waste management. These skills are essential for promoting environmental sustainability.
- 6. Long-term Impact:** The event left a lasting impact on students, inspiring them to become responsible stewards of the environment. It encouraged them to continue their efforts towards biodiversity conservation beyond the event.

Overall, the Students' ExNoRA Installation & Inauguration Program Biodiversity Conservation was a significant step towards promoting environmental awareness and fostering a culture of sustainability among the youth. It had several positive outcomes that will contribute to the long-term preservation of the environment.

Questions	Answers
How to keep Dry waste in bag	Demonstrating with the help of some dry waste. Volunteers will show how to keep dry waste in the bag.
Why to give segregated waste to collection centre	Segregation is mandatory according to the law (SWM 2016). To reduce the dump when it land fill. To reduce the health effects happening to the children and climate change effects due to open dumping and integral waste management practices. To ensure the materials properly (different types of waste and its end destination (E.g. Wet waste to BSLCC, Dry waste to Material recovery facility). Ensuring the safety of sanitary staff and also the person who is handling over the waste. As if you are putting broken glasses and wet waste in one bag, it will be a burden for them to segregate from that.
How to segregate	Separately collecting materials. Wet waste should keep in separate bin or bucket (if container is not available). Dry waste such as plastic, paper, glass, metals, cotton materials, you should be keep in dry waste bag. Demonstrating the keeping dry waste in the bag. Dry waste should be cleaned before keeping it in the bag (metal can be wrapped like it is a clean only recycling articles will take from it). Detergent, hazardous waste like insect, broken glasses, batteries, sanitary products, used blades, should keep separately.
Questions	Answers
Q1) From people	
Why are paying tax, so why I want to segregate?	As mandatory in SWM 2016 to PM, people should segregate waste in their home. Last tax paid by you is not for segregating, other services like water, transportation, computer, etc. is done by that.
I keep dry waste collecting regularly. Then why I should to give?	We collect phone number from some residents in the area to make whatsapp groups for sharing complaints.
They are not collecting garden waste. So are any solution in public places?	We will ensure the collection of garden waste.
They will not take waste if it is large in quantity or compared to other quantity. They are taking the reason for that is there is no space in the vehicle. So due to lack of space compared to not putting in dump area.	Due to the space if we couldn't take waste from you, then put it in dump area. We will ensure that through another reason we will collect your waste.
Waste from collection centre is not available. So how will we know they take?	We will ensure the record will be available for you.
There is only segregable waste in my home. Then how can I keep waste in my home?	Dry waste can be kept in dry waste bag and hang it in your home.
I have no space for dry due to high, so how can I separate from the other segregable?	It does not take much time to you, you just have to put the waste in separate bag.
How do you handle the waste to keep in small waste, give data for that.	We are giving dry waste bag for keeping dry waste and you can keep wet waste in an old bucket. Detergent, hazardous waste can wrap it in a newspaper and hang it in a bin.

REPORT OF THE ACTIVITY

The PG & Research Department of Biotechnology in association with Students' ExNoRa Club celebrated World Ozone Day on September 16th, 2023, with an array of activities aimed at promoting awareness about ozone protection and biodiversity conservation. The Exnora students then conducted an awareness campaign under the guidance of Ms. M. Habibunisha, Exnora for women, by distributing pamphlets throughout the campus, to create an awareness among all. This was followed by various events conducted by the Biotechnology department for UG and PG Biotechnology students, as intra-departmental celebrations. Various competitions were held like,

THE FOLLOWING ARE THE ACTIVITIES PLANNED FOR THE OZONE DAY CELEBRATION:

1. Awareness Programme
2. Notice Distribution
3. Conducting an Oath-taking ceremony
4. Organizing a Quiz
5. Drawing and Painting Competition
6. Photography
7. Innovative Working Model Presentation
8. Engaging in video editing.

Based on the theme "Save Nature". The programme was inaugurated with the cutting of ribbons by the Additional Vice-Principal, Dr. Fahmidha Banu and the Dean of Science for Women, Dr. Waheedha Kfatheen. The students presented their models and paintings to them and the three best performances in Model and Painting were judged by them.

EVENTS AND AGENDA:

- ❖ The day-long celebration was packed with engaging activities and speeches that revolved around the theme of preserving the ozone layer and protecting our atmosphere.

THE AGENDA FOR THE DAY WAS AS FOLLOWS:

- 1. Awareness Programme & Notice Distribution:** To promote awareness about ozone protection and biodiversity conservation, all the volunteers spread awareness by distributing pamphlets. They successfully raised awareness among the masses regarding the importance of ozone protection across all departments.

2. **Quiz (2:30 PM):** The event kicked off with a quiz competition focused on ozone protection and biodiversity conservation.
3. **Drawing Competition (3:00 PM):** Participants showcased their artistic skills in a drawing competition with the theme "Save Earth."
4. **Photography (3:30 PM):** Capturing the essence of being environmentally conscious was the aim of the photography competition, with the theme "Being Green is Staying Clean."
5. **Working Model Presentation (4:00 PM):** Teams presented their innovative working models centered on saving the ozone layer.
6. **Video Editing (5:00 PM):** A video editing competition revolved around "Green Approaches for Healthy Living."

- ❖ Dr. J. Sebastin Raj, Head of the Department of Biotechnology, delivered the presidential address, emphasizing the importance of protecting the ozone layer for a sustainable future and then led the attendees in taking an oath to protect the ozone layer.

THEME INTRODUCTION:

- ❖ Ms.S.Geet Andrea Assistant Professor introduced the theme of the event, emphasizing the significance of preserving the ozone layer and its impact on our atmosphere.

VOTE OF THANKS:

- ❖ Ms. M. Habibunisha, Assistant Professor, and ExNoRa Club Advisor, extended gratitude to all participants, sponsors, and attendees for making the event a success. The programme came to an end with the valediction ceremony.
- ❖ Dr. J. Sebastin Raj, Head, Department of Biotechnology presided over the function and all the students and staff members took a pledge in Tamil to protect mother nature and help reduce ozone depletion.Sir gave a small awareness talk on the causes and effects of ozone depletion and the urgent need to take action to reduce it.
- ❖ He also distributed the trophies for the winner and runnerup in each event. The students of II UG Biotechnology were adjudged the overall champions and received the championship trophy for scoring maximum prizes in all events.

- ❖ A copy of the pledge was signed by all the Management Committee members, Principal and few other members of the Institution and Department as a token remembrance to conserve nature and minimize ozone depletion.
- ❖ The World Ozone Day Celebration at The PG & Research Department of Biotechnology in association with Students' ExNoRa was a resounding success, with students and faculty actively engaging in activities that promoted environmental awareness and the need for ozone protection. The event served as a reminder of our responsibility to safeguard the environment and ensure a healthy and sustainable future.

EXECUTIVE MEMBERS AND PATRONS:

- ❖ The event was made possible with the dedication of the executive members and patrons of the PG & Research Department of Biotechnology, who worked tirelessly to organize this significant celebration

PROGRAMME OUTCOMES:

1. **Increased Awareness:** The awareness program and notice distribution successfully raised awareness among the masses regarding the importance of ozone protection across all departments.
2. **Educational Engagement:** The quiz competition, drawing competition, photography competition, working model presentation, and video editing competition engaged students in educational activities related to ozone protection and biodiversity conservation.
3. **Skill Development:** The competitions, including drawing, photography, working model presentation, and video editing, provided students with opportunities to develop and showcase their artistic and technical skills.
4. **Community Engagement:** The event brought together students, faculty, and staff members from various departments, promoting community engagement and collaboration in environmental conservation efforts.
5. **Recognition and Motivation:** The prize distribution and championship trophy awarded to the II UG Biotechnology students recognized and motivated participants for their efforts in promoting environmental awareness and ozone protection.

REPORT OF THE ACTIVITY

The Green Spaces Creation competition, organized by Student's ExNoRa (Women), was held on December 18, 2023, from 2:00 pm to 6:00 pm at the Al-Manhal Hall & Jamal Mohamed Auditorium. The event aimed to promote environmental awareness and creativity among students through various competitions and activities.

CHIEF GUEST AND DIGNITARIES:

The event was graced by the presence of Ms. A. Famitha Banu, M.A., M.PHIL., PGDCA., (SET), Additional Vice-principal, who served as the Chief Guest. The event was also attended by several dignitaries, including Hajee M.J. Jamal Mohamed Bilal (President), Dr. A.K. Khaja Nazeemudeen (Secretary & Correspondent), Hajee. M.J Jamal Mohamed (Treasurer), Dr. K. Abdus Samad (Assistant Secretary), Hajee. Dr. S. Ismail Mohideen (Principal), Dr. D.I. Geroe Amalrethinam (Vice-Principal), Dr. A.J. Haja Mohideen (Additional Vice-principal), Dr. A. Ishaq Ahamed (Additional Vice-principal), Dr. K.N. Abdul Kader Nihal (Member & Honorary Director), Dr. K.N. Mohamed Fazil (Director- Hostel Administration), Ms. J. Hajira Fathima (Director- Women Hostel Administration), Mr. S. Sheik Ismail (Part V Coordinator, Extension activities (Men)), Dr. M.H. Jahanara (Part V Coordinator, Extension activities (Women)), and Ms. Habibunisha (Club Faculty Advisor).

COMPETITIONS AND ACTIVITIES:

The event featured a variety of competitions and activities centered around the theme of nature. These included:

- ❖ Essay Writing
- ❖ Advertisement
- ❖ Quiz
- ❖ Embroidery Work
- ❖ Photography
- ❖ Sand Art
- ❖ Pencil Drawing
- ❖ Art out of Waste
- ❖ Face Painting
- ❖ Calligraphy
- ❖ Egg Shell Painting
- ❖ Oil Painting
- ❖ Glass Painting

- Leaf Art

ACTION TAKEN:

- 1. Evaluation of Competitions:** The entries for each competition were evaluated by a panel of judges consisting of faculty members and experts in the respective fields. The criteria for evaluation included creativity, originality, relevance to the theme, and overall presentation.
- 2. Prize Distribution:** The winners were announced, and they received certificates and trophies as recognition for their achievements.
- 3. Feedback and Suggestions:** Feedback forms were distributed to participants and attendees to gather their opinions on the event. The feedback received will be used to improve future editions of the Green Spaces Creation competition.
- 4. Documentation:** A detailed report of the event, including photographs and videos, was prepared and shared with the organizing committee, faculty members, and participants. This documentation will serve as a record of the event and can be used for promotional purposes.
- 5. Follow-up Activities:** The success of the Green Spaces Creation competition has inspired the organizing committee to plan similar events in the future. Discussions are underway to organize workshops, seminars, and awareness campaigns on environmental conservation and sustainability.

The Green Spaces Creation competition was a resounding success, with students showcasing their creativity and environmental awareness through various competitions and activities. The action taken report highlights the steps taken to ensure the smooth execution of the event and the positive impact it had on the participants and attendees. The organizing committee is committed to building on this success and organizing more such events in the future.

VENUE: NEAR SYED HUSSAINUDIN HALL

DATE: 8-1-2024 TO 11.1.2024

REPORT OF THE ACTIVITY:

- ❖ The Students' Part V Club, in association with EDC, organized a "Mega Stall Week-24" at the venue near syed Hussainudin Hall from the 8th to the 9th of January 2024. The event was a resounding success, with more than 500 students participating, including 10 students from the Exnora Club.
- ❖ The stall week featured a variety of homemade and healthy food items, snacks, handmade jewels, homemade soaps, oils, organic facials, and more. The products were made by the students themselves, showcasing their creativity and entrepreneurial spirit.
- ❖ The event was well-received by both students and staff from different departments, who visited the stalls and made purchases. The stall week provided a platform for students to showcase their talents and skills, while also promoting healthy and sustainable living.
- ❖ The program concluded at 1.30 PM, with more than 500 students benefiting from the stall week. It was a great opportunity for students to learn about entrepreneurship, marketing, and teamwork, while also contributing to the community.
- ❖ Overall, the Mega Stall Week-24 organized by the Students' Exnora Club was a huge success, and it left a positive impact on everyone involved. The event was a testament to the creativity, talent, and dedication of the students, and it showcased their commitment to promoting healthy living and sustainability.

The Photographs substantiating the above-mentioned activities by the Students Exnora Club, during the Mega Stall Week -2024 is given in detail below:

PROGRAMME OUTCOMES:

The Mega Stall Week-24 organized by the Students' Exnora Club had several positive outcomes:

- 1. Entrepreneurial Skills Development:** The event provided students with an opportunity to showcase their entrepreneurial skills by selling homemade and healthy food items, snacks, handmade jewels, and other products. This experience helped them develop valuable skills in marketing, sales, and customer service.
- 2. Creativity and Innovation:** The stall week allowed students to express their creativity and innovation by designing and creating unique products. This encouraged them to think outside the box and come up with innovative solutions to everyday problems.
- 3. Community Engagement:** The event brought together students, staff, and members of the community, creating a sense of unity and collaboration. It provided a platform for students to interact with others and build relationships.
- 4. Promotion of Healthy Living:** The stall week promoted healthy living by offering homemade and healthy food items, organic facials, and other products. This encouraged students to make healthier choices and adopt a more sustainable lifestyle.
- 5. Skill Enhancement:** The event provided students with an opportunity to enhance their skills in areas such as cooking, jewelry making, embroidery designing, and soap making. This hands-on experience was valuable in developing their practical skills.
- 6. Financial Literacy:** The event helped students understand the basics of financial management, such as budgeting, pricing, and profit calculation. This knowledge is essential for their future success as entrepreneurs.
- 7. Social Responsibility:** The stall week encouraged students to think about the impact of their actions on the environment and society. By promoting homemade and healthy products, the event contributed to the promotion of sustainable living practices.

Programme Outcome:

Students can learn about the importance of plants in our ecosystem and the role they play in maintaining a healthy environment

STUDENTS' ExNoRA CLUB

All staff members and students (both Men & Women) are informed that we have planned to observe **NO VEHICLE DAY** in our College on Saturday the **27th January 2024**. In this regard we need the utmost co-operation and support of every person to save fuel, to have pollution-free air, to avoid traffic disorder and to have a pleasant trip from home to college and back.

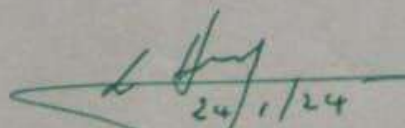

Note:

1. All staff members and students are requested not to park their vehicles in front of our College Main Gates (both East & West) and in and around the College campus, if they happen to reach here under unavoidable circumstances to avoid traffic congestion which may cause disturbance to the general public.
2. Getting a vehicle drop near the College entrance by Auto, Public Transport and Bicycle is preferably encouraged.
3. For Women students, the College Bus facility will be available on that day as usual.

***Let us breathe some fresh air on
No Drive Day***

REPORT OF THE ACTIVITY

The "No Vehicle Day" event, organized by Students' Exnora, took place on 27th January 2024 at Jamal Mohamed College, Tiruchirappalli. The event aimed to promote environmental sustainability and encourage the use of alternative modes of transportation.

The event was graced by the presence of Dr. A.K. Khaja Nazeemudeen (Secretary & Correspondent), Hajee. M.J. Jamal Mohamed (Treasurer), Dr. K. Abdus Samad (Assistant Secretary), Hajee. Dr. S. Ismail Mohideen (Principal), Dr. D.I. Geroe Amalrethinam (Vice-Principal), Dr. A.J. Haja Mohideen (Additional Vice-principal), Dr. A. Ishaq Ahamed (Additional Vice-principal), Dr. K.N. Abdul Kader Nihal (Member & Honorary Director), Dr. K.N. Mohamed Fazil (Director- Hostel Administration), Ms. J. Hajira Fathima (Director- Women Hostel Administration), Ms. A. Famitha Banu, M.A., M.PHIL., PGDCA., (SET), Additional Vice-principal,. The event was also attended by several dignitaries, including Hajee M.J. Jamal Mohamed Bilal (President), Dr. M.H. Jahanara (Part V Coordinator, Extension activities (Women)), and Ms. Habibunisha (Club Faculty Advisor).

Action Taken:

- 1. Promotion and Awareness:** The event was promoted through various posters, and announcements. This helped in creating awareness among the students and faculty members about the importance of reducing vehicular emissions.
- 2. Alternative Transportation:** Participants were encouraged to use alternative modes of transportation, such as bicycles, walking, or carpooling. This helped in reducing the carbon footprint of the event and promoting sustainable transportation practices.
- 3. Educational Activities:** Various educational activities were organized to educate participants about the environmental impact of vehicular emissions and the benefits of using alternative modes of transportation.
- 4. Community Engagement:** The event also aimed to engage the local community in promoting environmental sustainability. Local residents were invited to participate in the event and were educated about the importance of reducing vehicular emissions.

The "No Vehicle Day" event was a successful initiative that helped in promoting environmental sustainability and encouraging the use of alternative modes of transportation. The event received positive feedback from participants, and it is hoped that similar initiatives will be organized in the future to further promote environmental awareness and sustainability.
