REPORT ON THE SPECIAL LECTURE PROGRAM ON INTELLECTUAL PROPERTY RIGHTS

Organized by: IPR Cell, JIIC (Jamal Innovation and Incubation Centre) and PG & Research Department of Chemistry (SF-W)

Event Title: Special Lecture Program on Intellectual Property Rights

Date: 24th August 2024

Time: 3:30 - 4:30 PM

Venue: Room No. LH-204, Chemistry Department, Jamal Mohamed College, Trichy.

The Special Lecture Program on Intellectual Property Rights (IPR) is a significant initiative organized by the IPR Cell, JIIC (Jamal Innovation and Incubation Centre), and the PG & Research Department of Chemistry (SF-W) at Jamal Mohamed College, Trichy. The program aims to enlighten the students about the fundamental aspects of Intellectual Property Rights and their critical role in the academic and industrial sectors.

Objective of the Program:

The primary objective of this special lecture is to provide a comprehensive understanding of Intellectual Property Rights, covering various types of intellectual property such as patents, trademarks, copyrights, and trade secrets. The program is designed to equip participants with the knowledge necessary to protect their innovations and understand the legal frameworks that govern intellectual property.

Dr. G. Hema Sindhuja, Staff Incharge of the event, Innovation Ambassador, Member IPR cell, JIIC commenced the program with a warm welcome to all attendees and introduced the significance of Intellectual Property Rights (IPR) in the current academic and industrial landscape. **Dr. B. Arifa Farzana**, MID of Chemistry, honoured the Chief guest with a shawl and offered the felicitation. **Dr. A. Samsath Begum** briefly introduced the esteemed resource person, highlighting her contributions and expertise in the field of Intellectual Property Rights. **Dr. T. Nargis Begum**, Innovation Ambassador and Deputy Coordinator of IPRC, JIIC, and Assistant Professor of Biotechnology at Jamal Mohamed College, delivered the keynote lecture. The importance of IPR in

fostering innovation and protecting intellectual assets and Different types of intellectual property, including patents, trademarks, copyrights, and trade secrets. The impact of IPR on academia, research, and industry, and how students and faculty can leverage IPR for their benefit.

Dr. K. Mahmoodah Parveen concluded the session by expressing gratitude to the resource person, organizers, and participants for making the event successful.

Outcomes:

The lecture provided valuable insights into the intricacies of IPR, encouraging participants to explore the legal and practical aspects of protecting their innovations. The event was well-received, with attendees appreciating the depth of knowledge shared by Dr. T. Nargis Begum.

- **Enhanced Understanding of IPR**
- **Awareness of Legal Processes**
- **Increased Interest in Innovation**
- **Practical Knowledge Application**
- **Strengthened Institutional Support**
