Dr. M. Mohamed Althaf, Assistant Professor, PG and Research Department of Mathematics, handling a seminar on “Applications of Operations Research” at Mathematics Seminar Hall for the students of I BCA F Section.

### REPORT

The Computer Applications Association (SF-Women) organized a seminar on the “Applications of Operations Research”. The seminar was delivered by Dr. M. Mohamed Althaf, Assistant Professor, PG and Research Department of Mathematics, Jamal Mohamed College (Autonomous), Tiruchirappalli.

The seminar was attended by the students of I BCA F.

The MID, Department of Computer Applications (SF-Women), Mrs. K. Sultana and the Vice President, Computer Applications Association(SF-Women) , Ms. Khairunnisa graced the occasion.

### OUTCOMES

The students actively participated in the seminar on “Applications of Operations Research”. They were immensely benefited by the inputs given by Dr. M. Mohamed Althaf, Assistant Professor, PG and Research Department of Mathematics, Jamal Mohamed College (Autonomous), Tiruchirappalli. The resource person had explained the concepts of Operation Research and its applications in a simple and lucid manner making it very easy for the students to understand.
