Report (not less than 100 words):

An industrial visit was organized by the PG & Research Department of Chemistry at Jamal Mohamed College (A) for the students of II B.Sc Chemistry, to provide knowledge about the manufacture of Micronutrient Fertilizers at Kappalur, Madurai. The visit was coordinated by Dr. M. Seeni Mubarak, HOD of Chemistry. A total of 63 students accompanied by 3 faculty members (Dr. R. Abdul Vahith, Dr. S. S. Syed Abuthahir & Dr. S. Farook Basha) participated in the field trip. We were greeted by the Sales Mr. Manager Mohamed Ibrahim of the Company, who provided guidelines for the visit. We began our visits with Manager who explained the process from the raw material to the final product packaging. Our students interacted with employers of this unit, clarifying doubts and gaining insights into the manufacturing processes.
