

1. Name of the activity: Special Lecture Programme on “Women and Environment

Date of the activity : 14-03-2017

Report of the activity:

Special Lecture Programme on “Women and Environment” was held on 14/03/2017. The function was presided by Dr. Aneez Ahamed. Exn. P. Mohan gave a lecture on the role of Women and Environment Protection. He motivated the student volunteers in protecting the nature and rights of the women.

“Women is at the forefront of the global drive to remove gender barriers and end discrimination, because we believe in a world of justice and human rights for everyone. It shares how we and our many partners are striding forward to realize a better world for women and girls—one of equality and empowerment. Looking forward, we will draw on our full resources and experiences in protecting and advancing the rights of all women and girls. That is what we do and who we are, as a leader, mobilizer, convenor, provider of programmes, and partner for change. The challenges are in large, but as we build bridges and bring people together to set an agenda for equality, not insurmountable.”
