REPORT (Lecture-1)

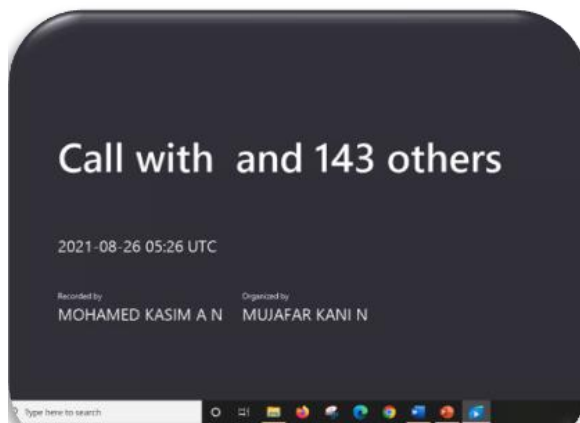

Placement Cell of Chemistry, Jamal Mohamed College organized a special lecture program for the students of final year UG & PG (both Aided & SF) (Men) on the topic "**Career Opportunities in Industrial Sector**" on **26.08.2021** at **10.30 am** through **Online mode (Microsoft Teams App)**.

The event started with the Qirath followed by Introduction of resource person by Dr. A. Asrar Ahamed, Assistant Professor of Chemistry followed by Welcome address by Dr. K. Riaz Ahamed, Department Placement Officer (Aided-Men). Dr. M. Mohamed Sihabudeen felicitated the gathering.

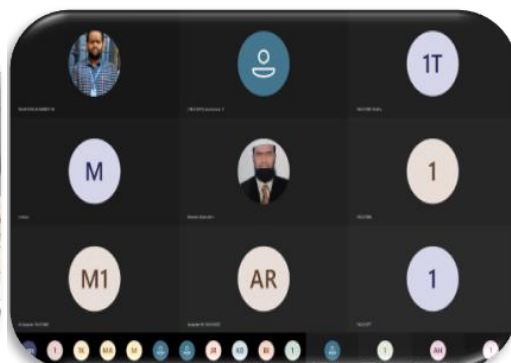

Mr. Sheik Mohamed Ali, Technical Division Head, Chemical and Environmental Division, Al Douosr International Co. Ltd., Jeddah, KSA, was the Resource Person of the session and delivered a special lecture. This session moulded the young minds by providing an impact on plenty of jobs available in the industrial sector and how to choose a sector to go into, by advancing their career. Participants gathered knowledge on the aspect of promoting entry to career pathways in the drinking water and wastewater sector. The Resource Person also discussed the potential career pathways within the drinking water and wastewater industries and variety of career paths required with different skills sets and training. About 120 students of both final year UG and PG (Men) participated in the session. At last, feedback from the students was collected. Dr. N. Mujafarkani, Department Placement Officer, proposed a vote of thanks. Dr. F.M. Mashood Ahamed, Assistant Professor of Chemistry, acted as a moderator of the session.

**Dr.K. Riaz Ahamed, Department Placement Officer,
