Earlier Ms. R. Sanofar Nisha, II M.Sc., Chemistry, recited a few verses from the Holy Quran. Dr. N. Mujafarkani, Department Placement Officer welcomed the gathering. Dr. M. Mohamed Sihabudeen, Additional Vice-Principal and Head of the Department of Chemistry and Dr. A.N. Mohamed Kasim, Member-in-charge of the Department of Chemistry felicitated the gathering. Dr. A. **Dr. Remya Ramesh, Research Scientist, Jubilant Biosys, Bangalore-560 022**, was the Resource Person of the session and delivered a special lecture on "Choosing a Career Path: Following Your Dreams". Competition is very high for a limited number of spaces and there is a lack of guidance given on how to obtain work experience or strategies for developing a career in the sector. This session moulded the students by gaining knowledge and guidance which helped them to go to the next level. The session was very intellectual and informative. About 90 students of UG and PG (women) participated in the session. At last, feedback from the students was collected. Finally, Dr. B. Arifa Farzana, Department Placement Officer proposed a vote of thanks. Dr. F.M. Mashood Ahamed, Assistant Professor of Chemistry, acted as a moderator of the session.
