PG AND RESEARCH DEPARTMENT OF CHEMISTRY

JMC Chem Webinar Series 2021-22

Webinar-IV

REPORT

PG and Research Department of Chemistry, Jamal Mohamed College has organized **JMC Chem Webinar Series 2021-2022, Webinar-IV** on 13th August 2021. The mode of platform for webinar was Zoom Cloud meeting app.

Dr. Pasupuleti Visweswara Rao, Associate Professor & Research Coordinator, Head of Unit - Non-Communicable Diseases Research Niche Areas, Head of Internationalization Unit, Department of Biomedical Sciences and Therapeutics, Faculty of Medicine & Health Sciences, Universiti Malaysia Sabah, Malaysia, was the Resource person of the webinar. He delivered a lecture on “**Nano-Big miracles with small particles**”.

Around 170 delegates participated in the webinar. The webinar was started at 9.00 a.m. with Qirath by Dr. M. Yaseen Mowlana, Assistant Professor. Dr. K. Loganathan, Organizing Secretary, welcomed the gathering and Dr. M. Mohamed Sihabudeen, Additional Vice-Principal and Head of the Department of Chemistry felicitated the gathering. Dr. A. Jafar Ahamed, Coordinator, introduced the Chief Guest.

Dr. Pasupuleti Visweswara Rao gave a scintillating lecture on the various methods of nanoparticle synthesis and highlighted the vital role played by medicinal plants on human wellness.

During interaction session, resource person clarified the queries arose by the participants through chat box and provided suggestions regarding nano research. e-Certificates were provided to all participants.

Dr. N. Mujafar Kani, Assistant Professor, acted as a moderator of the webinar. Vote of thanks was proposed by Dr. F.M. Mashood Ahamed, Organizing Secretary, Webinar-IV.

The success of the webinar was revealed by the feedback received from the delegates through google form.
