

# Covid-19 Awareness Activities

Hand sanitizer prepared and Hand over to Police Department 31.03.2020

COVID-19 awareness phamblets were distributed among the public

## Training Programme/Workshop

Special lecture on “*Leader in Yourself*” on 09.03.2020

Special lecture on “Terrace Cultivation” on 14.03.2020

Sky Watch Programme on 09-03-2020

One Day Hands on Training Programme on “Origami And Wealth From Waste” on 14-03-2020

## Training Programme/Workshop

Workshop on Mobile Servicing on 05-02-2021.

Workshop on DNA Separation Technique  
13.03.2021

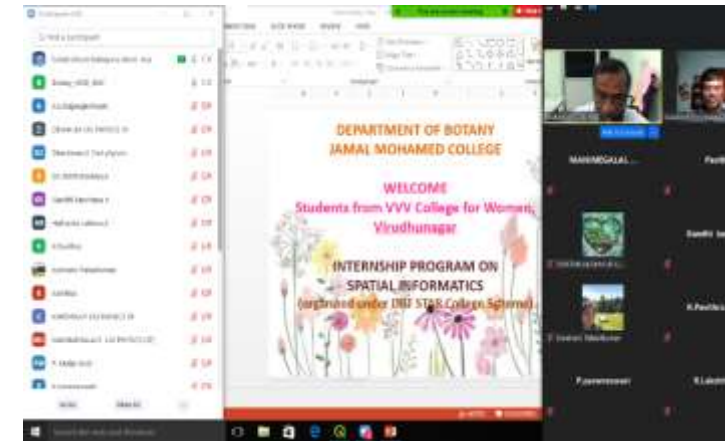

Training Programme On Ornamental  
Fish culture 12.01.2021

Hands on Training on  
Microbiological Instruments  
23.01.2021

Hands on Training on Molecular  
Biological Instruments 08.01.2021

Virtual Internship Programme on "Spatial Informatics"  
from 04.01.2021 to 11.01.2021

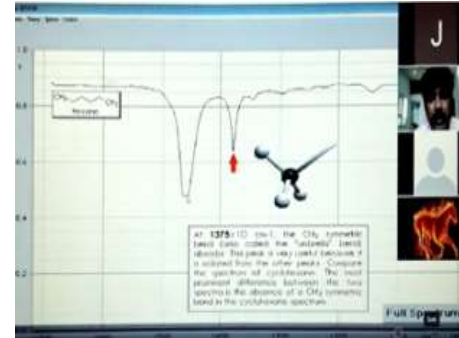

# Training Programme/Workshop

Poly-house, Green-house and Net-house & Cultivation and Commercialization of Flower and Vegetable Crops (Online Mode), on 20.07.2020 to 23.07.2020

Microalgal Biodiversity, Biomass Productions and Applications (Online Mode), on 24.07.2020 to 25.07.2020

Soil nutrients - Its need and Importance. (Online Mode), on 22.06.2020

Remote Sensing and GIS Data Analysis (Online Mode), 20.07.2020 to 24.07.2020

Training Programme on Basic Concepts in Real Analysis from 6.01.2021 & 7.01.2021

Hands on Training Programme on Maple Software 11.01.2021

Hands on Training Programme on Mathematica Software 12.01.2021

# Training Programme for Laboratory Assistants

Collection, Identification, Labelling and Preservation of Biological Specimens on 19.12.2020

Maintenance of Biological Equipment's 23.02.2021

Laboratory safety and First Aid Protocols  
16.12.2020

Solution Preparation and Glassware Handling  
29.12.2020

## Revised and New Experiments done by Students

## Intuitional Visit

Visit to University Science Instrumentation Centre on 30.01.2021.

Students visited the National Repository for Microalgae and Cyanobacteria 01.02.2021.

Students observed the operating procedure of Scanning Electron Microscope at Bharathidasan University 01.02.2021.

Demonstration of Flow Cytometer at BDU on 30.01.2021.

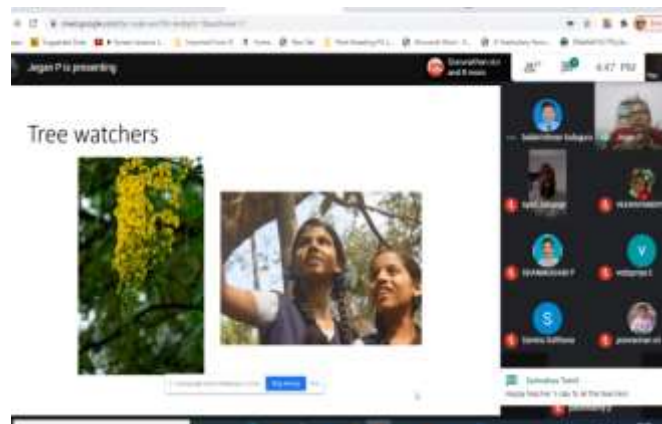

Vermicompost unit, Periyar Manniammai University, Thanjavur on 15.03.2021

Animal Cell Culture Technique at BDU 22.02.2021 to 24.02.2021

## Awareness and Training Programmes

Online Outreach Programme on “Season Watch” on 05.09.2020 for school teachers

Awareness programme on “Traditional Knowledge Register” on 19.12.2020 for school teachers

School and College Teachers Outreach Programme on The Great Conjunction of Jupiter and Saturn- An event after 397 years 19-12-2020 to 21.12.2020

Training on Vermiculture and composting on 21.02.2021

Training program on servicing of electronic gadgets and home appliances 06-01-2021 to 08-01-2021.

Awareness programme on Role of DBT - Academic & Research Development 17.02.2021
