INSTITUTIONAL PLAN FOR COLLEGE RE-OPEN (OFFLINE CLASSES) from 04th January 2021

Jamal Mohamed College, Tiruchirappalli resumed functioning from 4th January 2021, in compliance with the guidelines received from the Government of Tamil Nadu regarding the re-opening of colleges for final year UG and PG students. The final year UG students (Science stream only) and PG students (Both Arts& Science) started attending the classes. Prior to this all classrooms were properly sanitized on 2nd January 2021 itself to ensure the safety of the students before opening the college campus. According to the SOP issued by the Government of Tamil Nadu, all Staff and Students were allowed to enter into the campus only after a thorough thermal scanning and hand sanitization. Students were seated maintaining social distance in class rooms and instructed to wear facemasks always when they were in the campus. No Student was compelled to attend the classes in person and an Undertaking Letter duly signed by the parent and student was obtained from all students. All precautionary measures were taken properly as per the guidelines issued by the Government for accommodating the Hostel inmates (both Men & Women) and they were put in separate rooms for ensuring the maintenance of social distancing. In addition to this signage boards and hoardings were placed at all the prominent places of both college and hostel premises to create an awareness among the students about Corona Virus. All these initiatives were successfully implemented with the help and support of both Teaching and Non-teaching faculty members of the college.
