PUBLIC NOTICE

**SELF-PLAGIARISM**

In the interests of Indian academia, to promote Indian research among the nations, and to ensure credibility and quality, from time to time the UGC has instituted various measures. In its efforts to curb plagiarism the UGC issued the University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018, so that plagiarised work does not acquire any credibility or value in evaluation. In continuation of its initiative, and in line with global standards of ethical publishing established by leading institutions and Committee on Publication Ethics (COPE), the UGC draws the attention of the academic community to the following:

- (i) Reproduction, in part or whole, of *one's own previously published work without adequate citation* and proper acknowledgment and claiming the most recent work as new and original for any academic advantage amounts to 'text-recycling' (also known as 'self-plagiarism') and is **not** acceptable.
- (ii) Text-recycling/self-plagiarism includes:
  - republishing the same paper already published elsewhere *without due and full citation*;
  - publishing smaller/excerpted work from a longer and previous *without due and full citations* in order to show a larger number of publications;
  - reusing data already used in a published work, or communicated for publication, in another work *without due and full citation*;
  - breaking up a longer/larger study into smaller sections and publishing them as altogether new work *without due and full citation*;
  - paraphrasing one's own previously published work *without due and full citation* of the original.
- (iii) Self-citations do not add any number/s to the individual's citation index or h-index in global academia.
- (iv) Vice Chancellors, Selection Committees, Screening Committees, IQACs and all/any experts involved in academic performance/evaluation and assessment are hereby strongly advised that their decisions in the case of promotions, selections, credit allotment, award of research degrees must be based on an evaluation of the applicant's published work to ensure that the work being submitted for promotion/selection is not self-plagiarized.

The UGC will be issuing a set of parameters to evaluate instances of text recycling/self-plagiarism soon.

## Central Facility for Plagiarism Check

1. In order to maintain integrity and to avoid plagiarism of the scholarly works being carried out by the faculty members, students and research scholars such as thesis, project reports and other assignments, a central facility for plagiarism check is created at our college library.
2. We have plagiarism checker X (version 7.10) software, all are requested to avail the facility to prevent plagiarism. This licensed software, plagiarism checker X is designed to detect similarity content against the submitted documents to check the originality of their content over plagiarized material.
3. It is mandatory that the similarity percentage should not be more than 15% for Introduction, Review of literature, 10% for rest of the thesis covering Results & Discussion, Materials & Methods, Experimental Data, Data Analysis, etc.,
4. Research Scholars also have a facility to check similarity content through **Urkund software package** provided by Bharathidasan University, Tiruchirappalli.
5. All members of staff, research scholars and students are asked to make use of this facility for their enrichment of research activity.
